

SB 6426-S.E - DIGEST

(AS OF SENATE 2ND READING 2/10/10)

Eliminates, consolidates, and/or temporarily suspends certain boards and commissions.

Requires the governor, by July 1, 2011, to recommend to the legislature which boards and commissions shall receive state funding, be suspended, or be terminated.

Requires an agency or state or local government entity that is required by statute to consult with a board or commission suspended or eliminated by the act to instead seek informed opinions from other individuals or groups engaged in similar activities, as the director or governing body feels is appropriate.
