

**SB 6740-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires the technical working group convened to develop options for a new system of supplemental school funding through local school levies and local effort assistance to:  
(1) Examine options for a comprehensive K-12 finance policy;  
and

(2) Consider innovative proposals that have previously been developed, identify possible alternatives, and examine the impact on certain taxpayers.

Requires the department of revenue to provide technical assistance, including financial and legal analysis, to support the working group.
