By Representative Dickerson

ADOPTED 04/08/2011

1 On page 44, beginning on line 4, after "(h)(i)" strike all  
2 material through "time." on line 19 and insert "\$29,840,000 of the  
3 general fund--state appropriation for fiscal year 2012, \$31,078,000 of  
4 the general fund--state appropriation for fiscal year 2013, and  
5 \$64,588,000 of the general fund--federal are provided solely for  
6 employment and day services. The department shall revise the current  
7 working age adult policy to be a voluntary program that provides  
8 greater choice for clients between employment and appropriate day  
9 services. The department shall equally inform clients and their legal  
10 representatives of all available options for employment and day  
11 services. Information provided to the client and the client's legal  
12 representative shall include the types of activities each service  
13 option provides and the amounts, scope, and duration of service for  
14 which the client would be eligible under each service option. An  
15 individual client may be authorized for only one of these service  
16 options: employment services, community access services, or day  
17 services. Clients may not participate in more than one of these  
18 services at any given time."

19  
20 On page 44, beginning on line 34, after "(iv)" strike all material  
21 through "services" on page 45, line 4, and insert "The department  
22 shall provide quarterly reports to the legislature on the number of  
23 clients in employment, day, and community access services. The reports  
24 shall include the number of clients who have opted to move from one  
25 service option into a different service option."

EFFECT: The Department of Social and Health Services Division of  
Developmental Disabilities is provided with flexibility on the  
implementation of the adult working policy reform and the new day

services option. The Department is required to inform clients on each of their service options equally and clients may choose which service option best meets their needs. The Department will provide quarterly reports to the Legislature that identify the number of clients served by each service option and the number of clients who have opted to move from one service option into another service option.

FISCAL IMPACT: No changes to appropriation levels.
