FAILED 02/28/2011

1 On page 2, at the beginning of line 30, strike "services" and  
2 insert "delivery of a child under a surrogacy contract"

3  
4 On page 38, beginning on line 26, after "with" strike all material  
5 through "child" on line 34 and insert "minimum benefits of at least  
6 twenty thousand dollars per year for the life of the woman acting as a  
7 surrogate for any physician ordered pregnancy related disability"

8

EFFECT: Changes the definition of "compensation." Provides that the long-term disability insurance for the woman acting as a surrogate must have minimum benefits of at least \$20,000 per year for her lifetime (rather than weekly benefits equal to at least 150% of the state minimum wage multiplied by 40 hours per week). Removes the provision allowing the intended parent or parents to pay weekly benefits to the woman acting as a surrogate, in the event of a pregnancy related disability, if she is unable to obtain long-term disability insurance.
