

SHB 1489 - H AMD 91

By Representative Short

FAILED 02/28/2011

1 On page 8, after line 26, insert the following:

2 "Sec. 9. RCW 15.54.340 and 2008 c 292 s 2 are each amended to
3 read as follows:

4 (1) Any packaged commercial fertilizer distributed in this state
5 that is not a customer-formula fertilizer must have placed on or
6 affixed to the package a label stating in clearly legible and
7 conspicuous form the following information:

8 (a) The net weight;

9 (b) The product name, brand, and grade. The grade is not required
10 if no primary nutrients are claimed;

11 (c) The guaranteed analysis;

12 (d) The name and address of the registrant or licensee. The name
13 and address of the manufacturer, if different from the registrant or
14 licensee, may also be stated;

15 (e) Any information required under WAC 296-307-560 through 296-
16 307-56050;

17 (f) A statement, established by rule, referring persons to the
18 department's Uniform Resource Locator (URL) internet address where
19 data regarding the metals content of the product is located; (~~and~~)

20 (g) For commercial fertilizers derived solely from organic
21 materials, biosolids, or a biosold product, a list of the chemical
22 concentrations for nitrogen, potassium, and phosphorus in the
23 fertilizer, along with any heavy metals, such as arsenic, lead, and
24 cadmium; and

25 (h) Other information as required by the department by rule.

26 (2) Any commercial fertilizer that is distributed in bulk in this
27 state that is not a customer-formula fertilizer must be accompanied by

1 a written or printed statement that includes the information required
2 by subsection (1) of this section and must be supplied to the
3 purchaser at the time of delivery.

4 (3) Each delivery of a customer-formula fertilizer in this state
5 must be accompanied by either a statement, invoice, a delivery slip,
6 or a label if bagged, containing the following information: The net
7 weight; the brand; the name and amount of each ingredient; the
8 guaranteed analysis which may be stated to the nearest tenth of a
9 percent or to the next lower whole number; the name and address of the
10 registrant or licensee, or manufacturer, or both; and the name and
11 address of the purchaser.

12 (4) Each delivery of a customer-formula fertilizer must contain
13 the ingredients specified by the purchaser. A record of the invoice
14 or statement of each delivery must be kept by the registrant or
15 licensee for twelve months and must be available to the department
16 upon request."

17
18 Correct the title, renumber the remaining sections consecutively,
19 and correct any internal references accordingly.

20

EFFECT: Requires, for commercial fertilizers derived solely
from organic materials, biosolids, or a biosold product, a list of
the chemical concentrations for nitrogen, potassium, and phosphorus
in the fertilizer, along with any heavy metals.

--- END ---
