

SHB 1606 - H AMD 1063

By Representative Dahlquist

1 On page 3, line 15, after "state" insert "; railroad locomotives;
2 marine vessels, including state ferries; farm vehicles, tractors and
3 implements; and diesel-fueled emergency generators"

4

EFFECT: Specifies that the B2 standard applies to railroad locomotives; marine vessels, including state ferries; farm vehicles, tractors and implements; and diesel-fueled emergency generators, not just fuel for use in motor vehicles upon on the highways of the state.
