

E2SSB 5292 - H COMM AMD

By Committee on Local Government

NOT ADOPTED 02/28/2012

1 On page 2, beginning on line 10, after "areas." strike all material
2 through "company." on line 14 and insert "Fish and wildlife habitat
3 conservation areas" do not include artificial features or constructs,
4 including, but not limited to, irrigation delivery systems, irrigation
5 infrastructure, irrigation canals, or drainage ditches that are within
6 the boundaries of and are maintained by a port district, an irrigation
7 district, or an irrigation company."

EFFECT: Makes technical and grammatical changes to the description of "fish and wildlife habitat conservation areas" proposed in the underlying bill.
