2
3 On page 1, line 15 of the amendment, after "address" insert "; and"
4 (iv) Whether there is a cost difference when materials are created
5 using hydropower when compared to fossil fuel sources. If there is a
6 cost advantage to using hydropower, the review must identify locations
7 within the state where new hydropower facilities could be located"

EFFECT: Requires the review conducted by the University of Washington and Washington State University to identify whether there is a cost difference when materials are created using hydropower when compared to fossil fuel sources, and identify locations within the state where new hydropower facilities could be located (if there is a cost advantage to using hydropower).
