

SSB 5784 - H AMD TO H AMD (H-2426.2/11) 485
By Representative Short

FAILED 04/05/2011

1 On page 1, line 20 of the amendment, after "with" insert "the
2 following, as long as the recommendations are not likely to hinder the
3 ability of the state to pursue energy development from our state's
4 natural resources"

EFFECT: Specifies that gubernatorial recommendations for uses of the marine resources stewardship trust account may not be for projects or activities that hinders the ability of the state to pursue energy development from our state's natural resources.
