

**HB 2830 - S AMD 329**  
By Senator Harper

1 On page 7, line 28, after "section." Insert "As part of  
2 determining financial feasibility of any contract with language access  
3 providers in the bargaining unit at the department of labor and  
4 industries, the director of financial management must certify that  
5 worker compensation rates will not increase as a result of the  
6 contract."

7 EFFECT: Requires the director of financial management to  
certify that worker compensation rates will not increase as a result  
of the contract as part of the financial feasibility determination.

--- END ---
