

SB 5121 - S COMM AMD

By Committee on Financial Institutions, Housing & Insurance

NOT CONSIDERED 05/25/2011

1        On page 11, line 32, after "government securities" insert "and  
2 subsidiaries"

EFFECT:        Corrects the inadvertent omission of the phrase "and subsidiaries." This omission would have unintentionally placed a percentage limit on the amount of admitted assets an insurer could invest in U.S. government subsidiaries.
