<p style="text-align: center;">Brief Summary of Bill</p> <ul style="list-style-type: none">• Authorizes issuance of general obligation bonds to support appropriations in the 2011 Supplemental and 2011-13 Capital Budgets.

Hearing Date: 1/27/11

Staff: Susan Howson (786-7142).

Background:

Washington periodically issues general obligation bonds to finance projects authorized in the Capital and Transportation Budgets. General obligation bonds pledge the full faith, credit, and taxing power of the state towards payment of debt service. Legislation authorizing the issuance of bonds requires a 60 percent majority vote in both the House of Representatives and the Senate.

Bond authorization legislation generally specifies the account or accounts into which bond sale proceeds are deposited, as well as the source of debt service payments. When debt service payments are due, the State Treasurer withdraws the amounts necessary to make the payments from the State General Fund and deposits them into bond retirement funds.

The State Finance Committee, composed of the Governor, the Lieutenant Governor, and the State Treasurer, is responsible for supervising and controlling the issuance of all state bonds.
