Background:

The state government operates on a fiscal biennium that begins on July 1 of each odd-numbered year. Supplemental budgets frequently are enacted in each of the following two years after adoption of the biennial budget (each odd-numbered year). Appropriations are made in the biennial and supplemental budgets for the operation of state government and its various agencies and institutions, as well as for K-12 public schools.

The 2011-13 State Omnibus Operating Appropriations Act (Operating Budget) appropriated \$32 billion from the State General Fund and two other accounts, together referred to as State Near General Fund. The total budgeted amount, which includes state and federal funds, is \$62 billion.

Summary:

Changes are made to the 2011-13 biennial Operating Budget. State Near General Fund appropriations are decreased by \$323 million; the total budgeted amount is decreased by \$632 million.

Fund transfers and other changes to the original 2011-13 biennial Operating Budget are also made.
