- Establishes the Office of Legislative Support Services.

Hearing Date: 1/30/12

- the Statute Law Committee (publishes the Revised Code of Washington and the Washington Administrative Code; provides a central bill-drafting service);
- the Joint Transportation Committee (serves as the joint fact-finding committee on transportation issues);
- the Office of the State Actuary (provides actuarial services relating to state retirement systems);
- the Joint Legislative Systems Committee (administers legislative information processing and communications systems); and
- the Legislative Evaluation and Accountability Program Committee (provides information and technology with respect to budgets and revenue).

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

The Senate, the House of Representatives, and legislative agencies each employ professional and administrative support staff.
