Background: The Department of Licensing (DOL) issues special vehicle license plates that may be used in lieu of standard plates. A governmental or nonprofit sponsoring organization seeking to sponsor a special plate either submits an application to DOL or requests legislation to create the special plate. Generally, the sponsoring organization seeking to sponsor the special plate is required to reimburse DOL for the costs of establishing the new special plate.

For special license plates that are enacted by the Legislature, a sponsoring organization must, within 30 days of enactment, submit prepayment of all start-up costs to DOL. If the sponsoring organization is not able to meet the prepayment requirement, revenues generated from the sale of the special license plate are first used to pay off any costs associated with establishing the new plate. The sponsoring organization must also provide a proposed license plate design to DOL. Additionally, the sponsoring organization must submit an annual financial report to DOL detailing actual revenues generated from the sale of the special license plate.

There is a moratorium on the issuance of new special license plates until June 30, 2011.

Committee/Commission/Task Force Created: No.

Effective Date: The bill takes effect on January 1, 2012.

Staff Summary of Public Testimony: PRO: The bill will help create a consistent source of funding for music programs. Music is important, and music teachers have to use their own money currently. The economy has hurt music education. Music programs help students excel in other subjects. The bill should not have much of a fiscal impact on the state. Music motivates kids to stay in school, turns trouble youths lives around, enhances people's lives, and helps with brain development.

Persons Testifying: PRO: Jonna O'Keefe, Chimacum Middle School, Music Aid Northwest; Bruce Caldwell, Washington Music Educators Association; Bob Tomberg, Reek Havok, Tony La Stella, Music Aid Northwest; Michael McMorrow, Synergia Northwest; Shirley Fricke, music instructor.
