Background: A registered owner who qualifies for special parking privileges as a person with a disability may apply to the Department of Licensing for special license plates with a special year tab for persons with disabilities. Special year tabs for persons with disabilities are not available on all special license plate designs, for example, Amateur Radio (ham radio), Music Matters, or Volunteer Firefighters. In addition, special year tabs for persons with disabilities are also not available for license plates on certain vehicles which are not for general use, including horseless carriages, collector vehicles, and ride share vehicles.

Summary of Bill: Special year tabs for persons with disabilities are made available for any special license plate, except the collector vehicle, horseless carriage, and ride share special license plates.

Appropriation: None.

Fiscal Note: Not requested.

Committee/Commission/Task Force Created: No.

Effective Date: The bill takes effect on January 1, 2013.
