Signed by Senators Pridemore, Chair; Prentice, Vice Chair; Swecker, Ranking Minority Member; Chase, Nelson and Roach.

**Staff:** Karen Epps (786-7424)

**Background:** An owner of property that abuts a street or alley may petition to have the street or alley vacated and acquire that portion of the vacated street or alley that abuts their property. The petition must include a legal description of the area to be vacated and be signed by more than two-thirds of the abutting property owners. A city or town (city) may also initiate a vacation procedure. The petition or resolution must be filed with the city.

After the petition or resolution is filed, the legislative authority for the city schedules a hearing of the petition or resolution. The hearing may be held before the legislative authority for the city or a subcommittee of its members. If the subcommittee holds the hearing, they must report their recommendation to the legislative authority and it is not necessary for the legislative authority to hold a hearing. If the legislative authority grants the petition, the legislative authority must adopt an ordinance to vacate the street or alley. The legislative authority may provide that the ordinance become effective when the owners of the property abutting the street or alley compensate the city.
