police, the sheriff, any private schools, and the school district board of directors in the vicinity in which the juvenile intends to reside. Notice must be provided at least 30 days prior to the juvenile's release.

**Summary of Substitute Bill:** No later than 30 days prior to a youth's release, the Department of Corrections (DOC) must notify the school district board of directors of the district in which the offender last attended school when the youth (1) is 21 years of age or younger; (2) has been found to have committed a violent offense, sex offense, or stalking; and (3) last attended school in this state.

**Appropriation:** None.

**Fiscal Note:** Available.

**Committee/Commission/Task Force Created:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Staff Summary of Public Testimony on Original Bill:** PRO: This legislation was initiated by the Office of the Superintendent of Public Instruction in response to an issue in the Vancouver School District. An individual was released from DOC and enrolled in school. The student was alleged to have engaged in serious misconduct against another student. Although the school's investigation concluded that the student did not act inappropriately, it was discovered that the student was a registered sex offender. The school would have made special accommodations for school safety if it had prior knowledge that the student was a registered sex offender. The juvenile system currently provides notice to schools when offenders are released. We would like to get the same notice from the adult system.

OTHER: DOC currently gives notice through the End of Sentence Review Committee for registered sex offenders, but this would not apply to violent offenders or those convicted of stalking. We are still looking at how DOC might best accomplish the purposes of this bill.

**Persons Testifying:** PRO: Kathryn Wells Murdock, Vancouver Public Schools; Kathleen Sande, Office of Superintendent of Public Instruction.

OTHER: Anmarie Aylward, DOC.
