

SENATE BILL REPORT

SB 5755

As of February 21, 2011

Title: An act relating to county and city additional real estate excise tax authority.

Brief Description: Concerning county and city additional real estate excise tax authority.

Sponsors: Senators Ranker and White.

Brief History:

Committee Activity: Government Operations, Tribal Relations & Elections: 2/21/11.

SENATE COMMITTEE ON GOVERNMENT OPERATIONS, TRIBAL RELATIONS & ELECTIONS

Staff: Karen Epps (786-7424)

Background: County legislative authorities may impose an excise tax on each sale of real property in unincorporated areas of the county. Similarly, city and town legislative authorities also may impose an excise tax on each sale of real property within their corporate limits. The rate of this real estate excise tax (REET I) may not exceed 0.25 percent of the selling price. Revenues generated from REET I must be used for financing qualifying capital projects and for housing relocation assistance. Revenue from REET I may not supplant other funds reasonably available for these capital projects. In 2010, 134 cities and 20 counties imposed REET I.

Counties, cities, and towns that are required to fully plan under the Growth Management Act (GMA) may impose an additional REET on each sale of real property that may not exceed 0.25 percent of the selling price (REET II). Counties, cities, and towns that have opted, but are not required, to fully plan under the GMA, may impose REET II with voter approval. With some exceptions, revenues generated from REET II may only be used for financing capital projects specified in the capital facilities element of a comprehensive plan adopted under the GMA. Revenue from REET II is intended to be in addition to other funds that may be reasonably available for these capital projects. In 2010, 132 cities and 19 counties imposed REET II.

Capital projects that may be funded by REET I and REET II revenues include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, bridges, domestic water systems, storm and sanitary sewer systems, and parks. Additional eligible uses of REET I
