### SENATE COMMITTEE ON TRANSPORTATION

**Staff:** Amanda Cecil (786-7429)

**Background:** The Transportation Improvement Board (TIB) is a state agency that distributes and manages highway construction and maintenance grants to cities and urban counties. TIB is funded from \$0.03 of the state gas tax. TIB administers six grant programs that serve cities, urban counties, and transportation benefit districts. TIB manages grants through three different accounts:

- the Small City Pavement and Sidewalk Account;
- the Transportation Improvement Account; and
- the Urban Arterial Trust Account.

The Local Agency Efficiencies Study, conducted by the Joint Transportation Committee, finalized in January 2011, recommended consolidating the Urban Arterial Trust Account and the Transportation Improvement Account to allow for simpler cash management.

**Summary of Bill:** The Urban Arterial Trust Account is eliminated and all deposits are transferred into the Transportation Improvement Account.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Committee/Commission/Task Force Created:** No.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.
