
HOUSE BILL 1096

State of Washington

62nd Legislature

2011 Regular Session

By Representative Appleton

1 AN ACT Relating to health care financing; amending RCW 41.05.130,
2 66.24.290, 82.24.020, 82.26.020, 82.08.150, and 41.05.220; reenacting
3 and amending RCW 41.05.120 and 43.79.480; adding new sections to
4 chapter 82.02 RCW; adding a new chapter to Title 43 RCW; creating new
5 sections; repealing RCW 82.04.260 and 48.14.0201; providing effective
6 dates; and providing an expiration date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** (1) There is a crisis in health care
9 accessibility, affordability, and choice in Washington state. Health
10 care through insurance companies has failed to control costs, increase
11 access, or preserve choice. More than six hundred thousand Washington
12 residents have no health care coverage. Individual plans are
13 unavailable or unaffordable in most counties. Many clinics, physician
14 practices, and emergency departments, especially in rural areas, are
15 failing. Employers, faced with fewer choices and more expensive
16 premiums, are reducing employment-based health care coverage.
17 Simplifying health care financing and eliminating administrative waste
18 inherent in multiple insurance plans can create sufficient savings to

1 extend health care coverage to all residents and enhance fairness in
2 the system.

3 (2) The people of the state of Washington declare their intention
4 to create a single health financing entity called the Washington health
5 security trust. Through public hearings, research, and consensus
6 building, the trust will: (a) Provide fair, simple, and accountable
7 health care financing for all Washington residents using a single
8 health care financing entity; (b) cover a comprehensive package of
9 effective and necessary personal health services; (c) make health care
10 coverage independent from employment; (d) eliminate excessive
11 administrative costs resulting from the current fragmented system of
12 multiple insurers; (e) generate savings sufficient to ensure coverage
13 for all Washington residents; (f) integrate current publicly sponsored
14 health programs into the health security trust; (g) preserve choice of
15 providers for Washington residents; (h) protect patient rights; (i)
16 keep clinical decisions in the hands of health professionals and
17 patients, rather than administrative personnel; (j) promote health care
18 quality; and (k) control excessive health care costs.

19 NEW SECTION. **Sec. 2.** The definitions in this section apply
20 throughout this chapter unless the context clearly requires otherwise.

21 (1) "Board" means the board of trustees of the Washington health
22 security trust, created in section 3 of this act.

23 (2) "Capitation" means a mechanism of payment in which a provider
24 is paid a negotiated monthly sum and is obliged to provide all covered
25 services for specific patients who enroll with that provider.

26 (3) "Case rate" means a method of payment based on diagnosis. Case
27 rate assumes that a given set of services shall be provided and the
28 rate is based on the total compensation for those services.

29 (4) "Chair" means the presiding officer of the board.

30 (5) "Employer" means any person, partnership, corporation,
31 association, joint venture, or public or private entity operating in
32 Washington state and employing for wages, salary, or other
33 compensation, one or more residents.

34 (6) "Federal poverty level" means the federal poverty guidelines
35 determined annually by the United States department of health and human
36 services or its successor agency.

1 (7) "Group practice" or "group" means a group of practitioners
2 voluntarily joined into an organization for the purpose of sharing
3 administrative costs, negotiating with payers and controlling the
4 circumstances of their medical practice, and, in some cases, sharing
5 revenues. The group may be of a single specialty or include more than
6 one specialty.

7 (8) "Health care facility" or "facility" includes any of the
8 following appropriately accredited entities: Hospices licensed
9 pursuant to chapter 70.127 RCW; hospitals licensed pursuant to chapter
10 70.41 RCW; rural health care facilities as defined in RCW 70.175.020;
11 psychiatric hospitals licensed pursuant to chapter 71.12 RCW; nursing
12 homes licensed pursuant to chapter 18.51 RCW; community mental health
13 centers licensed pursuant to chapter 71.05 or 71.24 RCW; kidney disease
14 treatment centers licensed pursuant to chapter 70.41 RCW; ambulatory
15 diagnostic, treatment, or surgical facilities licensed pursuant to
16 chapter 70.41 RCW; approved drug and alcohol treatment facilities
17 certified by the department of social and health services; home health
18 agencies licensed pursuant to chapter 70.127 RCW; and such facilities
19 if owned and operated by a political subdivision or instrumentality of
20 the state and such other facilities as required by federal law and
21 implementing regulations.

22 (9) "Health care practitioner" or "practitioner" means a person
23 licensed or certified under Title 18 RCW or chapter 70.127 RCW, and
24 covered by the all categories of provider law, RCW 48.43.045, providing
25 health care services in Washington state consistent with their lawful
26 scope of practice.

27 (10) "Health care provider" or "provider" means any health care
28 facility, or health care practitioner or group practice licensed or
29 certified under Washington state law to provide health or
30 health-related services in Washington state.

31 (11) "Income" means the adjusted gross household income for federal
32 income tax purposes.

33 (12) "Long-term care" means institutional, residential, outpatient,
34 or community-based services that meet the individual needs of persons
35 of all ages who are limited in their functional capacities or have
36 disabilities and require assistance with performing two or more
37 activities of daily living for an extended or indefinite period of

1 time. These services include case management, protective supervision,
2 in-home care, nursing services, convalescent, custodial, chronic, and
3 terminally ill care.

4 (13) "Native American" means an American Indian or Alaska native as
5 defined under 25 U.S.C. Sec. 1603.

6 (14) "Payroll" means any amount paid to Washington state residents
7 and defined as "wages" under section 3121 of the internal revenue code.

8 (15) "Resident" means an individual who presents evidence of
9 established, permanent residency in the state of Washington, who did
10 not enter the state for the primary purpose of obtaining health
11 services. "Resident" also includes people and their accompanying
12 family members who are residing in the state for the purpose of
13 engaging in employment for at least one month. The confinement of a
14 person in a nursing home, hospital, or other medical institution in the
15 state may not by itself be sufficient to qualify such person as a
16 resident.

17 (16) "Trust" means the Washington health security trust created in
18 section 3 of this act.

19 NEW SECTION. **Sec. 3.** An agency of state government known as the
20 Washington health security trust is created. The purpose of the trust
21 is to provide coverage for a set of health services for all residents.

22 NEW SECTION. **Sec. 4.** (1) The trust shall be governed by a board
23 of trustees. The board consists of nine trustees selected for
24 expertise in health care financing and delivery, and representing
25 Washington citizens, business, labor, and health professions. The
26 initial trustees shall be appointed by the governor, subject to
27 confirmation by the senate. The governor shall appoint the initial
28 board by December 31, 2011. Of the initial trustees, three shall be
29 appointed to terms of two years, three shall be appointed to terms of
30 four years, and three shall be appointed to terms of six years.
31 Thereafter, trustees shall be elected to six-year terms, one trustee
32 from each congressional district; the first class of trustees shall be
33 elected from the first, second, and ninth congressional districts; the
34 second class from the third, seventh, and eighth congressional
35 districts; and the third class from the fourth, fifth, and sixth

1 congressional districts. The governor shall appoint a trustee to serve
2 the remaining term for a vacancy from any cause. The initial board
3 shall convene no later than March 15, 2012.

4 (2) Members of the board shall have no pecuniary interest in any
5 business subject to regulation by the board. Members of the board are
6 subject to chapter 42.52 RCW.

7 (3) The initial, appointed members of the board shall occupy their
8 positions on a full-time basis and are exempt from the provisions of
9 chapter 41.06 RCW. The elected trustees shall occupy their positions
10 according to the bylaws, rules, and relevant governing documents of the
11 board. The board and its professional staff are subject to the public
12 disclosure provisions of chapter 42.17 RCW. Trustees shall be paid a
13 salary to be fixed by the governor in accordance with RCW 43.03.040.
14 Five trustees constitute a quorum for the conduct of business.

15 (4) One member of the board shall be designated by the governor as
16 chair, subject to confirmation by a majority of the other trustees.
17 The chair shall serve in this capacity, subject to continuing
18 confidence of a majority of the board.

19 (5) If convinced by a preponderance of the evidence in a due
20 process hearing that a trustee has failed to perform required duties or
21 has a conflict with the public interest, the governor may remove that
22 trustee and appoint another to serve the unexpired term.

23 NEW SECTION. **Sec. 5.** (1) Subject to the approval of the board,
24 the chair shall appoint three standing committees:

25 (a) A financial advisory committee consisting of financial experts
26 from the office of financial management, the office of the state
27 treasurer, and the office of the insurance commissioner. The financial
28 advisory committee shall recommend specific details for major budget
29 decisions and for appropriations, taxes, and other funding legislation
30 necessary to conduct the operations of the Washington health security
31 trust;

32 (b) A citizens' advisory committee consisting of balanced
33 representation from health experts, business, labor, and consumers.
34 The citizens' advisory committee shall hold public hearings on
35 priorities for inclusion in the set of health services, survey public
36 satisfaction, investigate complaints, and identify and report on health
37 care access and other priority issues for residents; and

1 (c) A technical advisory committee consisting of members with broad
2 experience in and knowledge of health care delivery, research, and
3 policy, as well as public and private funding of health care services.
4 The technical advisory committee shall make recommendations to the
5 board on technical issues related to covered benefits, quality
6 assurance, utilization, and other issues as requested by the board.

7 (2) The board shall consult with the citizens' advisory committee
8 at least quarterly, receive its reports and recommendations, and then
9 report to the governor and legislature at least annually on board
10 actions in response to citizens' advisory committee input. The board
11 shall also seek financially sound recommendations from the financial
12 advisory committee whenever the board requests funding legislation
13 necessary to operate the Washington health security trust and whenever
14 the board considers major budget decisions.

15 (3) Subject to approval of the board, the chair may appoint other
16 committees and task forces as needed.

17 (4) Members of committees shall serve without compensation for
18 their services but shall be reimbursed for their expenses while
19 attending meetings on behalf of the board in accordance with RCW
20 43.03.050 and 43.03.060.

21 NEW SECTION. **Sec. 6.** The chair is the presiding officer of the
22 board and has the following powers and duties:

23 (1) Appoint an executive director with the approval of the board.
24 The executive director, with approval of the board, shall employ staff
25 in accordance with chapter 41.06 RCW necessary to execute the policies
26 and decisions of the board;

27 (2) Enter into contracts on behalf of the board. All contracts are
28 subject to review and binding legal opinions by the attorney general's
29 office if disputed in a due process hearing by a party to such a
30 contract;

31 (3) Subject to explicit approval of a majority of the board, accept
32 and expend gifts, donations, grants, and other funds received by the
33 board; and

34 (4) Delegate administrative functions of the board to the executive
35 director and staff of the trust as necessary to ensure efficient
36 administration.

1 NEW SECTION. **Sec. 7.** (1) The board shall: (a) With advice from
2 the citizens' advisory committee and the technical advisory committee,
3 establish and keep current a set of health services to be financed by
4 the trust, as provided in section 11 of this act; (b) seek all
5 necessary waivers so that (i) current federal and state payments for
6 health services to residents will be paid directly to the trust, and
7 (ii) the trust complies with the federal patient protection and
8 affordable care act; (c) request legislation authorizing the health
9 security assessments and premiums necessary to operate the trust and
10 make rules, policies, guidelines, and timetables needed for the trust
11 to finance the set of health services for all residents starting May
12 15, 2013; (d) develop or contract for development of a statewide,
13 anonymous health care data system to use for quality assurance and cost
14 containment; (e) with advice from the technical advisory committee,
15 develop health care practice guidelines and quality standards; (f)
16 develop policies to protect confidentiality of patient records
17 throughout the health care delivery system and the claims payment
18 system; (g) make eligibility rules, including eligibility for residents
19 temporarily out-of-state; (h) develop or contract for development of a
20 streamlined uniform claims processing system that must pay providers in
21 a timely manner for covered health services; (i) develop appeals
22 procedures for residents and providers; (j) integrate functions with
23 other state agencies; (k) work with the citizens' advisory committee
24 and the technical advisory committee to balance benefits and provider
25 payments with revenues, and develop effective measures to control
26 excessive and unnecessary health care costs; (l) address nonfinancial
27 barriers to health care access; (m) monitor population migration into
28 Washington state to detect any trends related to availability of
29 universal health care coverage; (n) develop an annual budget for the
30 trust; and (o) comply with all insurance related provisions of the
31 federal patient protection and affordable care act.

32 (2) To the extent that the exercise of any of the powers and duties
33 specified in this section may be inconsistent with the powers and
34 duties of other state agencies, offices, or commissions, the authority
35 of the board supersedes that of such other state agency, office, or
36 commission.

1 NEW SECTION. **Sec. 8.** Beginning May 15, 2014, the board shall
2 adopt, in consultation with the office of financial management, an
3 annual Washington health security trust budget. Except by legislative
4 approval, each annual budget shall not exceed the budget for the
5 preceding year by more than the Washington state consumer price index.
6 If operations expenses exceed revenues generated in two consecutive
7 years, the board shall recommend adjustments in either benefits or
8 revenues, or both, to the legislature.

9 NEW SECTION. **Sec. 9.** (1) The board shall report annual changes in
10 total Washington health care costs, along with the financial position
11 and the status of the trust, to the governor and legislature at least
12 once a year.

13 (2) The board shall seek audits annually from the state auditor.

14 (3) The board shall contract with the state auditor for a
15 performance audit every two years.

16 (4) The board shall adopt bylaws, rules, and other appropriate
17 governance documents to assure accountable, open, fair, effective
18 operations of the trust, including methods for electing trustees and
19 rules under which reserve funds may be prudently invested subject to
20 advice of the state treasurer and the director of the department of
21 financial management.

22 (5) The board shall submit any internal rules or policies it adopts
23 to the secretary of state. The internal rules or policies must be made
24 available by the secretary of state for public inspection.

25 NEW SECTION. **Sec. 10.** (1) All residents are eligible for coverage
26 through the trust.

27 (2) If a resident has health insurance coverage for any health
28 services provided in the state, the benefits provided in this act are
29 secondary to that insurance. Nonresidents are covered for emergency
30 services and emergency transportation only.

31 (3) Until federal waivers are accomplished, residents covered under
32 federal health programs shall continue to use that coverage, and
33 benefits provided by the trust shall extend only to costs not covered
34 by the federal health programs unless: (a) The resident voluntarily
35 elects to participate in the trust; (b) the resident's pay is
36 considered in calculating the employer's health security assessment

1 defined under section 16 of this act; and (c) either the employer or
2 the employee pays the health security premium under section 17 of this
3 act.

4 (4) The board shall make provisions for determining eligibility for
5 coverage for residents while they are temporarily out of the state.

6 (5) Pending integration of federally qualified trusts into the
7 health security trust, employees covered under the trusts are not
8 eligible for coverage through the health security trust unless: (a)
9 The employee's pay is considered in calculating the employer's health
10 security assessment defined under section 16 of this act; and (b)
11 either the employer or the employee pays the health security premium
12 under section 17 of this act.

13 (6) Pending integration of federally qualified trusts into the
14 health security trust, residents who are retirees covered under the
15 trusts are not eligible for coverage through the health security trust
16 unless they pay the health security premium under section 17 of this
17 act.

18 (7) Pending integration into the health security trust of
19 applicable federal programs described in section 21 of this act, Native
20 American residents are not eligible for coverage through the health
21 security trust unless: (a) The resident's pay is considered in
22 calculating the employer's health security assessment under section 16
23 of this act; and (b) either the employer or the resident pays any
24 health security premium due under section 17 of this act.

25 (8) Nothing in this act shall be construed to limit a resident's
26 right to seek health care from any provider he or she chooses, or from
27 obtaining coverage for health care benefits in excess of those
28 available under the trust.

29 NEW SECTION. **Sec. 11.** (1) With advice from the citizens' advisory
30 committee and the technical advisory committee, the board shall
31 establish a single benefits package covering health services that are
32 effective and necessary for the good health of residents and that
33 emphasize preventive and primary health care. The board shall ensure
34 that the benefits package constitutes minimum essential coverage for
35 purposes of the federal patient protection and affordable care act.

36 (2) The benefits package shall include, but is not limited to: (a)
37 Inpatient and outpatient hospital care, including twenty-four hour a

1 day emergency services and emergency ambulance services; (b)
2 outpatient, home-based, and office-based care; (c) rehabilitation

6 medical nutrition; (g) vision and hearing care; (h) diagnostic tests;
7 (i) durable medical equipment; (j) preventive care; and (k) any other
8 benefits defined as "essential health benefits" by the United States
9 department of health and human services pursuant to the federal patient
10 protection and affordable care act.

11 (3) Subject to a financial analysis demonstrating ongoing
12 sufficient funds in the trust, long-term care shall be a covered
13 benefit as of May 15, 2014. Long-term care coverage shall include a
14 uniform initial assessment and coordination between home health, adult
15 day care, and nursing home services, and other treatment alternatives.
16 The board shall establish a copayment for long-term nursing home care,
17 to cover some costs of room and board, for residents with incomes above
18 one hundred fifty percent of the federal poverty level.

19 (4) The board, in coordination with the office of the insurance
20 commissioner, shall examine by May 15, 2014, possible remedies for
21 residents who have made previous payments for long-term care insurance.

22 (5) Except where otherwise prohibited by federal law, the board
23 shall establish copayments for outpatient visits, emergency room
24 visits, and prescription drugs for residents with incomes above one
25 hundred fifty percent of the federal poverty level. There shall be an
26 annual cap of five hundred dollars per family.

27 (6) The board shall submit to the legislature by July 1, 2014, a
28 plan to incorporate dental care coverage in the benefits package, to be
29 effective January 1, 2015.

30 (7) The board shall submit to the governor and legislature by
31 December 1, 2012, and by December 1st of the following years: (a) The
32 benefits package, and (b) an actuarial analysis of the cost of the
33 package.

34 (8) The board shall consider the extent to which medical research
35 and health professions training activities should be included in the
36 scope of covered activities set forth in this act. The board shall
37 make a report to the governor and the legislature by July 1, 2014.

1 NEW SECTION. **Sec. 12.** (1) When consistent with existing federal
2 law, the board shall require pharmaceutical and durable medical
3 equipment manufacturers to provide their products in Washington state
4 at the lowest rate offered to federal and other government entities.

5 (2) The board may seek other means of financing drugs and durable
6 medical equipment at the lowest possible cost, including bulk
7 purchasing agreements with Washington state tribes.

8 (3) The board may enact drug formularies that do not interfere with
9 treatments necessary for appropriate standards of care.

10 NEW SECTION. **Sec. 13.** (1) The board shall adopt rules permitting
11 providers to collectively negotiate budgets, payment schedules, and
12 other terms and conditions of trust participation.

13 (2) The board shall annually negotiate with each hospital and each
14 facility a prospective global budget for operational and other costs to
15 be covered by the trust. Group practices may also negotiate on a
16 global budget basis. Hospitals and other facilities shall be paid on
17 a fee-for-service or case rate basis, within the limits of their
18 prospective annual budget.

19 (3) Payment to individual practitioners shall be by fee-for-service
20 or on a case rate basis or on a combination of bases. The board shall
21 study the feasibility of paying by capitation to providers, and how
22 resident enrollment would take place under capitation.

23 (4) Individual practitioners who are employed by a group, facility,
24 clinic, or hospital may be paid by salary.

25 (5) The board shall adopt rules ensuring that payment schedules and
26 procedures for mental health services are comparable to other health
27 care services.

28 (6) The board shall study and seek to develop provider payment
29 methods that: (a) Encourage an integrated multispecialty approach to
30 disease management; (b) reward education time spent with patients; and
31 (c) include a medical risk adjustment formula for providers whose
32 practices serve patients with higher than average health risks.

33 (7) Nothing in this act shall be construed to limit a provider's
34 right to receive payments from sources other than the trust. However,
35 any provider who does accept payment from the trust for a service must
36 accept that payment, along with applicable copayments, as payment in
37 full.

1 NEW SECTION. **Sec. 14.** (1) The intent of this section is to exempt
2 activities approved under this act from state antitrust laws and to
3 provide immunity from federal antitrust laws through the state action
4 doctrine.

5 (2) Activities that might otherwise be constrained by antitrust
6 laws, including: (a) Containing the aggregate cost of health care
7 services; (b) promoting cooperative activities among health care
8 providers to develop cost-effective health care delivery systems; and
9 (c) any other lawful actions taken under this act by any person or
10 entity created or regulated by this act, are declared to be pursuant to
11 state statute and for the public purposes of the state of Washington.

12 NEW SECTION. **Sec. 15.** (1) Administrative expenses to operate and
13 maintain the trust shall not exceed eleven percent of the trust's
14 annual budget. The board shall not shift administrative costs or
15 duties of the trust to providers or to resident beneficiaries.

16 (2) The board shall work with providers to develop and apply
17 scientifically based utilization standards, to use encounter and
18 prescribing data to detect excessive utilization, to develop due
19 processes for enforcing appropriate utilization standards, and to
20 identify and prosecute fraud.

21 (3) The board may institute other cost-containment measures in
22 order to maintain a balanced budget. The board shall pursue due
23 diligence to ensure that cost-containment measures do not limit access
24 to clinically necessary care, nor infringe upon legitimate clinical
25 decision making by practitioners.

26 NEW SECTION. **Sec. 16.** A new section is added to chapter 82.02 RCW
27 to read as follows:

28 In addition to and not in lieu of taxes imposed at the rates
29 established under chapter 82.04 RCW, all Washington state employers
30 shall pay a health security assessment to the department of revenue to
31 fund the Washington health security trust created in section 3 of this
32 act.

33 (1) Effective May 15, 2013, all employers in Washington state shall
34 pay in quarterly installments a health security assessment on aggregate
35 gross payroll paid to Washington state residents. Except as provided
36 in this section, the health security assessment shall be: (a) A first

1 step percentage of aggregate gross quarterly payroll up to, and
2 including, one hundred twenty-five thousand dollars; (b) a second step
3 percentage of the amount of aggregate gross quarterly payroll above one
4 hundred twenty-five thousand dollars; and (c) the first step percentage
5 rate shall be one-tenth of the rate of the second step percentage.

6 (2) The tax rates under subsection (1) of this section may be
7 adjusted annually by the office of financial management to reflect
8 changes in the Washington state consumer price index, or other cost-of-
9 living index deemed appropriate by the office of financial management.

10 (3) The department of revenue shall assess a penalty at the rate of
11 two percent per month, or a fraction thereof, on any employer whose
12 applicable health security payroll assessment is not postmarked by the
13 last day of the month following the quarter in which it is due.

14 (4) The federal government, when an employer of Washington state
15 residents, is exempt from the health security assessment prior to the
16 repeal, amendment, or waiver of existing state and federal laws
17 delineated in section 21 of this act.

18 (5) Beginning May 15, 2013, until May 15, 2019, employers that face
19 financial hardship in paying the health security assessment, may, upon
20 application to the board of trustees created in section 4 of this act,
21 be eligible for waivers or reductions in the health security
22 assessment. The board shall establish rules and procedures governing
23 all aspects of the business assistance program, including application
24 procedures, thresholds regarding firm size, wages, profits, age of
25 firm, and duration of assistance.

26 (6) Pending integration of any federally qualified trusts, the
27 payroll of employees covered under these trusts is exempt from the
28 health security assessment, although the employer may pay it
29 voluntarily.

30 (7) Pending repeal, amendment, or waiver of applicable state and
31 federal laws delineated in section 21 of this act, payroll of Native
32 American residents who do not elect to participate in the health
33 security trust is exempt from the health security assessment.

34 (8) Eighty percent of the revenue collected under this section must
35 be deposited in the benefits account created in section 24 of this act.

36 (9) For the purposes of this section, the terms "employer,"
37 "payroll," and "resident" have the same meaning as defined in section
38 2 of this act.

1 NEW SECTION. **Sec. 17.** A new section is added to chapter 82.02 RCW
2 to read as follows:

3 (1) Effective May 15, 2013, all Washington residents eighteen years
4 and older, except medicare and medicaid beneficiaries, with incomes
5 over one hundred fifty percent of the federal poverty level shall pay
6 a standard monthly flat rate health security premium. The board shall
7 recommend the amount of this premium, and the legislature shall
8 establish the exact amount in separate legislation.

9 (2) Medicare and medicaid beneficiaries with incomes over one
10 hundred fifty percent of the federal poverty level who elect to
11 participate in the trust shall pay reduced, monthly, flat rate health
12 security premium. The board shall recommend the amount of this
13 premium, and the legislature shall establish the exact amount in
14 separate legislation.

15 (3) All premiums may be adjusted annually by the office of
16 financial management to reflect changes in the Washington state

19 employer, or successor, and a health insurance provider.

20 (10) For the purposes of this section, the terms "employer,"
21 "federal poverty level," "income," and "resident" have the same meaning

21 law, are assigned to the Washington health security trust to perform
22 their usual duties upon the same terms as formerly, without any loss of
23 rights, subject to any action that may be appropriate thereafter in
24 accordance with the laws and rules governing state civil service.

25 (4) All rules and all pending business before the health care
26 authority shall be continued and acted upon by the Washington health
27 security trust. All existing contracts and obligations shall remain in
28 full force and shall be performed by the Washington health security
29 trust.

30 (5) The transfer of the powers, duties, functions, and personnel of
31 the health care authority shall not affect the validity of any act
32 performed before the effective date of this section.

33 (6) If apportionments of budgeted funds are required because of the
34 transfers directed by this section, the director of financial
35 management shall certify the apportionments to the affected agencies,
36 the state auditor, and the state treasurer. Each of these shall make
37 the appropriate transfer and adjustments in funds and appropriation
38 accounts and equipment records in accordance with the certification.

1 (7) Nothing contained in this section may be construed to alter any

4 until the bargaining unit has been modified by action of the personnel
5 board as provided by law.

6 NEW SECTION. **Sec. 20.** Effective January 1, 2013, until April 30,
7 2013, all employers in Washington state shall pay reduced start-up
8 health security assessments that are thirty percent of the standard
9 monthly flat rate assessment amount to be established by separate
10 legislation. The department of revenue will collect these moneys.
11 Twenty percent of these revenues must be deposited in the reserve
12 account, created in section 22 of this act. Eighty percent of these
13 revenues must be deposited in the benefits account, created in section
