
HOUSE BILL 1158

State of Washington

62nd Legislature

2011 Regular Session

By Representatives Orcutt, Takko, Rivers, Angel, Haler, McCune, Blake, and Harris

Read first time 01/13/11. Referred to Committee on State Government & Tribal Affairs.

1 AN ACT Relating to ballot title information; and amending RCW
2 29A.36.071, 29A.36.210, 84.52.054, and 84.55.050.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 29A.36.071 and 2006 c 311 s 9 are each amended to read
5 as follows:

6 (1) Except as provided to the contrary in RCW 82.14.036, 82.46.021,
7 or 82.80.090, the ballot title of any referendum filed on an enactment
8 or portion of an enactment of a local government and any other question
9 submitted to the voters of a local government consists of three
10 elements: (a) An identification of the enacting legislative body and
11 a statement of the subject matter; (b) a concise description of the
12 measure; and (c) a question. If the referendum or question relates to
13 a property tax levy, the ballot title must state that the levy is new
14 or a replacement and include a comparison of the financial impact from
15 a taxing district's prior year levy, if any, and the current ballot, in
16 both dollar and percentage change terms. Ballot questions related to
17 multiple year levies must include an estimate of the financial impact
18 in the first year of the proposed levy as compared to the taxing
19 district's prior year levy, if any, in both dollar and percentage

1 terms. Ballot questions under RCW 84.55.050 must include an estimate
2 of the financial impact in the first year of the levy increase as
3 compared to the taxing district's last levy, in both dollar and
4 percentage terms. The ballot title must conform with the requirements
5 and be displayed substantially as provided under RCW 29A.72.050, except
6 that the concise description must not exceed (~~seventy~~) eighty-five
7 words; however, a concise description submitted on behalf of a proposed
8 or existing regional transportation investment district may exceed
9 (~~seventy~~) eighty-five words. If the local governmental unit is a
10 city or a town, the concise statement shall be prepared by the city or
11 town attorney. If the local governmental unit is a county, the concise
12 statement shall be prepared by the prosecuting attorney of the county.
13 If the unit is a unit of local government other than a city, town, or
14 county, the concise statement shall be prepared by the prosecuting
15 attorney of the county within which the majority area of the unit is
16 located.

17 (2) A referendum measure on the enactment of a unit of local
18 government shall be advertised in the manner provided for nominees for
19 elective office.

20 (3) Subsection (1) of this section does not apply if another
21 provision of law specifies the ballot title for a specific type of
22 ballot question or proposition.

23 **Sec. 2.** RCW 29A.36.210 and 2010 c 106 s 301 are each amended to
24 read as follows:

25 (1) The ballot proposition authorizing a taxing district to impose
26 the regular property tax levies authorized in RCW 36.68.525, 36.69.145,
27 67.38.130, 84.52.069, or 84.52.135 must contain in substance the
28 following:

29 "Will the (insert the name of the taxing district) be
30 authorized to impose regular property tax levies of (insert
31 the maximum rate) or less per thousand dollars of assessed valuation
32 for each of (insert the maximum number of years allowable)
33 consecutive years, an increase of (insert dollar amount), . . .
34 . . . (insert # %), from the previous year's levy?

- 35 Yes
- 36 No

1 Each voter may indicate either "Yes" or "No" on his or her ballot
2 in accordance with the procedures established under this title.

3 (2) The ballot proposition authorizing a taxing district to impose
4 a permanent regular tax levy under RCW 84.52.069 must contain in
5 substance the following:

6 "Will the (insert the name of the taxing district) be
7 authorized to impose a PERMANENT regular property levy of
8 (insert the maximum rate) or less per thousand dollars of assessed
9 valuation, an increase of (insert dollar amount),
10 (insert # %), from the previous year's levy?

11 Yes

12 No

13 (3) In addition to the requirements of subsections (1) and (2) of
14 this section, the ballot proposition must include a comparison of the
15 financial impact from a taxing district's prior year levy, if any, and
16 the current ballot, in both dollar and percentage change terms. Ballot
17 questions related to multiple year levies must include an estimate of
18 the financial impact in the first year of the proposed levy as compared
19 to the taxing district's prior year levy, if any, in both dollar and
20 percentage terms.

21 **Sec. 3.** RCW 84.52.054 and 2007 c 54 s 27 are each amended to read
22 as follows:

23 The additional tax provided for in Article VII, section 2 of the
24 state Constitution, and specifically authorized by RCW 84.52.052,
25 84.52.053, 84.52.0531, and 84.52.130, shall be set forth in terms of
26 dollars on the ballot of the proposition to be submitted to the voters,
27 together with an estimate of the dollar rate of tax levy that will be
28 required to produce the dollar amount(~~+~~and)). The ballot proposition
29 must state that the levy is new or a replacement and include a
30 comparison of the financial impact from a taxing district's prior year
31 levy, if any, and the current ballot, in both dollar and percentage
32 change terms. Ballot questions related to multiple year levies must
33 include an estimate of the financial impact in the first year of the
34 proposed levy as compared to the taxing district's prior year's levy,
35 if any, in both dollar and percentage terms. The county assessor, in
36 spreading this tax upon the rolls, shall determine the eventual dollar

1 rate required to produce the amount of dollars so voted upon,
2 regardless of the estimate of dollar rate of tax levy carried in said
3 proposition. In the case of a school district or fire protection
4 district proposition for a particular period, the dollar amount and the
5 corresponding estimate of the dollar rate of tax levy shall be set
6 forth for each of the years in that period. The dollar amount for each
7 annual levy in the particular period may be equal or in different
8 amounts.

9 **Sec. 4.** RCW 84.55.050 and 2009 c 551 s 3 are each amended to read
10 as follows:

11 (1) Subject to any otherwise applicable statutory dollar rate
12 limitations, regular property taxes may be levied by or for a taxing
13 district in an amount exceeding the limitations provided for in this
14 chapter if such levy is authorized by a proposition approved by a
15 majority of the voters of the taxing district voting on the proposition
16 at a general election held within the district or at a special election
17 within the taxing district called by the district for the purpose of
18 submitting such proposition to the voters. Any election held pursuant
19 to this section shall be held not more than twelve months prior to the
20 date on which the proposed levy is to be made, except as provided in
21 subsection (2) of this section. The ballot of the proposition shall
22 state the dollar rate proposed and shall clearly state the conditions,
23 if any, which are applicable under subsection (4) of this section and
24 must conform with the requirements of RCW 29A.36.071.

25 (2)(a) Subject to statutory dollar limitations, a proposition
26 placed before the voters under this section may authorize annual
27 increases in levies for multiple consecutive years, up to six
28 consecutive years, during which period each year's authorized maximum
29 legal levy shall be used as the base upon which an increased levy limit
30 for the succeeding year is computed, but the ballot proposition must
31 conform with the requirements of RCW 29A.36.071 and state the dollar
32 rate proposed only for the first year of the consecutive years and must
33 state the limit factor, or a specified index to be used for determining
34 a limit factor, such as the consumer price index, which need not be the
35 same for all years, by which the regular tax levy for the district may
36 be increased in each of the subsequent consecutive years. Elections
37 for this purpose must be held at a primary or general election. The

1 title of each ballot measure must state the limited purposes for which
2 the proposed annual increases during the specified period of up to six
3 consecutive years shall be used.

4 (b)(i) Except as otherwise provided in this subsection (2)(b),
5 funds raised by a levy under this subsection may not supplant existing
6 funds used for the limited purpose specified in the ballot title. For
7 purposes of this subsection, existing funds means the actual operating
8 expenditures for the calendar year in which the ballot measure is
9 approved by voters. Actual operating expenditures excludes lost
10 federal funds, lost or expired state grants or loans, extraordinary
11 events not likely to reoccur, changes in contract provisions beyond the
12 control of the taxing district receiving the services, and major
13 nonrecurring capital expenditures.

14 (ii) The supplanting limitations in (b)(i) of this subsection do
15 not apply to levies approved by the voters in calendar years 2009,
16 2010, and 2011, in any county with a population of one million five
17 hundred thousand or more. This subsection (2)(b)(ii) only applies to
18 levies approved by the voters after July 26, 2009.

19 (iii) The supplanting limitations in (b)(i) of this subsection do
20 not apply to levies approved by the voters in calendar year 2009 and
21 thereafter in any county with a population less than one million five
22 hundred thousand. This subsection (2)(b)(iii) only applies to levies
23 approved by the voters after July 26, 2009.

24 (3) After a levy authorized pursuant to this section is made, the
25 dollar amount of such levy may not be used for the purpose of computing
26 the limitations for subsequent levies provided for in this chapter,
27 unless the ballot proposition expressly states that the levy made under
28 this section will be used for this purpose.

29 (4) If expressly stated, a proposition placed before the voters
30 under subsection (1) or (2) of this section may:

31 (a) Use the dollar amount of a levy under subsection (1) of this
32 section, or the dollar amount of the final levy under subsection (2) of
33 this section, for the purpose of computing the limitations for
34 subsequent levies provided for in this chapter;

35 (b) Limit the period for which the increased levy is to be made
36 under (a) of this subsection;

37 (c) Limit the purpose for which the increased levy is to be made

1 under (a) of this subsection, but if the limited purpose includes
2 making redemption payments on bonds, the period for which the increased
3 levies are made shall not exceed nine years;

4 (d) Set the levy or levies at a rate less than the maximum rate
5 allowed for the district; or

6 (e) Include any combination of the conditions in this subsection.

7 (5) Except as otherwise expressly stated in an approved ballot
8 measure under this section, subsequent levies shall be computed as if:

9 (a) The proposition under this section had not been approved; and

10 (b) The taxing district had made levies at the maximum rates which
11 would otherwise have been allowed under this chapter during the years
12 levies were made under the proposition.

--- END ---
