3 the decedent at the time of death.

4 **Sec. 2.** RCW 74.13.640 and 2009 c 520 s 91 are each amended to read
5 as follows:

6 (1)(a) The department shall conduct a child fatality review in the
7 event of ~~((an unexpected death))~~ a fatality suspected to be caused by
8 child abuse or neglect of ((a)) any minor ((in the state)) who is in
9 the care of the department or a supervising agency or receiving
10 services described in this chapter ((74.13 RCW from the department or
11 a supervising agency)) or who has been in the care of the department or
12 a supervising agency or received services described in this chapter
13 ((74.13 RCW from the department or a supervising agency)) within one
14 year preceding the minor's death.

15 ~~((+2))~~ (b) The department shall consult with the office of the
16 family and children's ombudsman to determine if a child fatality review
17 should be conducted in any case in which it cannot be determined
18 whether the child's death is the result of suspected child abuse or
19 neglect.

20 (c) The department shall ensure that the fatality review team is
21 made up of individuals who had no previous involvement in the case,
22 including individuals whose professional expertise is pertinent to the

25 ~~((subsection (1) of))~~ this section, the department shall within one
26 hundred eighty days following the fatality issue a report on the
27 results of the review, unless an extension has been granted by the
28 governor. Reports ~~((shall))~~ must be distributed to the appropriate
29 committees of the legislature, and the department shall create a public
30 web site where all child fatality review reports required under this
31 section ~~((shall))~~ must be posted and maintained. A child fatality
32 review report completed pursuant to this section is subject to public
33 disclosure and must be posted on the public web site, except that
34 confidential information may be redacted by the department consistent
35 with the requirements of RCW 13.50.100, 68.50.105, 74.13.500 through
36 74.13.525, chapter 42.56 RCW, and other applicable state and federal
37 laws.

1 ~~((3))~~ (e) The department shall develop and implement procedures
2 to carry out the requirements of ~~((subsections (1) and (2) of))~~ this
3 section.

4 ~~((4) In the event a child fatality is the result of apparent abuse

6 ensure that the fatality review team is comprised of individuals who
7 had no previous involvement in the case and whose professional
8 expertise is pertinent to the dynamics of the case.~~

9 (5)) (2) In the event of a near~~((-))~~ fatality of a child who is in
10 the care of or receiving services described in this chapter from the
11 department or a supervising agency or who has been in the care of or
12 received services described in this chapter from the department or a
13 supervising agency within one year preceding the near~~((-))~~ fatality,
14 the department shall promptly notify the office of the family and
15 children's ombudsman. The department may conduct a review of the near

17 family and children's ombudsman.

18 (3) In any review of a child fatality or near fatality in which the
19 child was placed with or received services from a supervising agency
20 pursuant to a contract with the department, the department and the

22 regarding the child or otherwise relevant to the review that have been
23 produced or retained by the supervising agency.

24 (4)(a) A child fatality or near fatality review completed pursuant
25 to this section is subject to discovery in a civil or administrative
26 proceeding, but may not be admitted into evidence or otherwise used in
27 a civil or administrative proceeding except pursuant to this section.

28 (b) A department employee responsible for conducting a child
29 fatality or near fatality review, or member of a child fatality or near
30 fatality review team, may not be examined in a civil or administrative
31 proceeding regarding (i) the work of the child fatality or near
32 fatality review team, (ii) the incident under review, (iii) his or her
33 statements, deliberations, thoughts, analyses, or impressions relating
34 to the work of the child fatality or near fatality review team or the

2 of the child fatality or near fatality review team or the incident
3 under review.

4 (c) Documents prepared by or for a child fatality or near fatality
5 review team are inadmissible and may not be used in a civil or
6 administrative proceeding, except that any document that exists before
7 its use or consideration in a child fatality or near fatality review,
8 or that is created independently of such review, does not become
9 inadmissible merely because it is reviewed or used by a child fatality
10 or near fatality review team. A person is not unavailable as a witness
11 merely because the person has been interviewed by or has provided a
12 statement for a child fatality or near fatality review, but if called
13 as a witness, a person may not be examined regarding the person's
14 interactions with the child fatality or near fatality review including,
15 without limitation, whether the person was interviewed during such
16 review, the questions that were asked during such review, and the
17 answers that the person provided during such review. This section may
18 not be construed as restricting the person from testifying fully in any
19 proceeding regarding his or her knowledge of the incident under review.

20 (d) The restrictions set forth in this section do not apply in a
21 licensing or disciplinary proceeding arising from an agency's effort to
22 revoke or suspend the license of any licensed professional based in
23 whole or in part upon allegations of wrongdoing in connection with a
24 minor's death or near fatality reviewed by a child fatality or near
25 fatality review team.
