20 (a) At the request of the board of directors of a financially  
21 insolvent district;

22 (b) When the superintendent of public instruction determines a  
23 district is financially insolvent, after first consulting with the  
24 educational service district where the district is located and  
25 notifying the district the committee will be convened; or

26 (c) When a district has been on binding conditions pursuant to RCW  
27 28A.505.110 for two consecutive years and does not have a satisfactory  
28 financial plan.

29 (2) The financial oversight committee comprises two representatives  
30 from the office of the superintendent of public instruction, one  
31 representative from an educational service district where a financially  
32 insolvent school district is not located, and one nonvoting  
33 representative from the educational service district where the  
34 financially insolvent school district is located.

35 (3) The financial oversight committee shall review the financial  
36 condition of a financially insolvent school district. In conducting  
37 its review, the committee shall hold a public hearing in the

1 financially insolvent school district or educational service district  
2 in order to receive public comment on any proposed financial plans. If  
3 the financial oversight committee feels that dissolution of the  
4 financially insolvent school district is a valid option, it shall  
5 receive input at the public hearing on options for dissolving said  
6 school district.

7 (4) After holding a public hearing as provided in subsection (3) of  
8 this section, the financial oversight committee must make a  
9 recommendation to the superintendent of public instruction to either  
10 dissolve a financially insolvent school district or to place a district  
11 under enhanced financial monitoring to reduce the risk of dissolution  
12 due to insolvency. The superintendent of public instruction must  
13 implement financial oversight committee recommendations via enhanced  
14 financial oversight, which will be monitored by the educational service  
15 district.

16 (5) Enhanced financial oversight may include, but is not limited  
17 to, the following types of actions, which the superintendent of public  
18 instruction is expressly authorized to implement and enforce:

19 (a) Appointment of a special administrator to oversee and carry out  
20 financial conditions imposed on the district as recommended by the  
21 financial oversight committee;

22 (b) Review, approval, and limitations on a school district's  
23 authority to enter into contracts;

24 (c) Review, approval, and limitations on hiring and personnel  
25 actions; and

26 (d) Liquidation or disposition of fixed assets and contractual  
27 liabilities by any reasonable and documented method provided the  
28 liquidation or disposition of fixed assets and contractual liabilities  
29 is reasonably necessary before filing a dissolution petition.

30 (6) Any new, amended, or renewed contract entered into by a school  
31 district that is subject to enhanced financial monitoring that has not  
32 been approved by the educational service district or special  
33 administrator, or that is inconsistent with conditions imposed on the  
34 district pursuant to this section, is null and void.

35 (7) Any action taken by a school district subject to enhanced  
36 financial monitoring that is likely to affect the district's finances  
37 is null and void if the action was not approved by the educational

1 service district or special administrator or if the action is  
2 inconsistent with conditions imposed on the district pursuant to this  
3 section.

4 (8) The superintendent of public instruction shall adopt rules to  
5 carry out the provisions in this section, which may include, but are  
6 not limited to, identifying the responsibilities and authority of the  
7 financial oversight committee, the educational service district, the  
8 special administrator, and the school district and the implementation  
9 of enhanced financial oversight.

10 **Sec. 9.** RCW 28A.315.225 and 1999 c 315 s 501 are each amended to  
11 read as follows:

12 (1) In case any school district has an average enrollment of fewer  
13 than five kindergarten through eighth grade pupils during the preceding  
14 school year or has not made a reasonable effort to maintain, during the  
15 preceding school year at least the minimum term of school required by  
16 law, the educational service district superintendent shall report that  
17 fact to the regional committee, which committee shall dissolve the  
18 school district and annex the territory thereof to some other district  
19 or districts. For the purposes of this section, in addition to any  
20 other finding, "reasonable effort" shall be deemed to mean the attempt  
21 to make up whatever days are short of the legal requirement by  
22 conducting of school classes on any days to include available holidays,  
23 though not to include Saturdays and Sundays, prior to June 15th of that  
24 year. School districts operating an extended school year program, most  
25 commonly implemented as a 45-15 plan, shall be deemed to be making a  
26 reasonable effort. In the event any school district has suffered any  
27 interruption in its normal school calendar due to a strike or other  
28 work stoppage or slowdown by any of its employees that district shall  
29 not be subject to this section.

30 (2) A financially insolvent school district may be dissolved and  
31 annexed to one or more contiguous districts, in accordance with an  
32 agreement between the insolvent district and at least one other  
33 contiguous district, that has been approved by the financial oversight  
34 committee, or in accordance with the decision of the regional  
35 committee. A financially insolvent district may file bankruptcy only  
36 if it is recommended by the financial oversight committee.

1       (3)(a) A petition to dissolve a financially insolvent school  
2 district may be filed with the educational service district  
3 superintendent by the superintendent of public instruction if, before  
4 signing and filing the petition, the financial oversight committee was  
5 convened and recommended that the district be dissolved.

6       (b) A petition for dissolution under this subsection (3) must  
7 include the name of the financially insolvent district, the legal  
8 boundaries of the district, the names of contiguous school districts,  
9 the basis for concluding the district is financially insolvent, a map  
10 with legal description of the proposed annexation of the financially  
11 insolvent school district to one or more contiguous school districts,  
12 and any proposed equitable adjustments of assets and liabilities for  
13 the affected districts. The proposed annexation and equitable  
14 adjustment of assets and liabilities must be based on the factors in  
15 RCW 28A.315.015(2), 28A.315.205(4), and 28A.315.245.

16       (c) The superintendent of public instruction, at the recommendation  
17 of the financial oversight committee, may take the following actions  
18 upon filing a petition to dissolve a financially insolvent school  
19 district: Authorize liquidation or disposition of fixed assets and  
20 contractual liabilities by any reasonable and documented method.

21       (d) A petition to dissolve a financially insolvent school district  
22 shall be processed in accordance with section 5 of this act and RCW  
23 28A.315.205.

24       (4) The superintendent of public instruction may request an  
25 appropriation to address matters associated with the dissolution of a  
26 financially insolvent school district.

27       (5) The superintendent of public instruction may adopt rules  
28 governing actions that may be taken to prevent a school district from  
29 being dissolved and to assist in the orderly and timely dissolution and  
30 annexation of school districts that are unable to avoid financial  
31 insolvency.

32       (6) In case any territory is not a part of any school district, the  
33 educational service district superintendent shall present to the  
34 regional committee a proposal for the annexation of the territory to  
35 some contiguous district or districts.

36       NEW SECTION. Sec. 10. A new section is added to chapter 28A.315  
37 RCW to read as follows:

1 (1) As of the effective date of dissolution of a financially  
2 insolvent district, all existing employment contracts and collective  
3 bargaining agreements of the financially insolvent district shall be  
4 extinguished.

5 (2) School districts that annex or receive territory from a  
6 financially insolvent district have full authority to constitute their  
7 workforces, and have no duty to bargain with, or observe the former  
8 wages and working conditions of, any former employees of a financially  
9 insolvent district who may be hired; rather, any employees hired from  
10 a financially insolvent district become part of the appropriate  
11 bargaining units, if any, of the annexing or receiving district, and  
12 their wages and working conditions are defined by the terms of the  
13 annexing or receiving district's bargaining agreements or other  
14 policies or conditions of employment.

15 (3) Certificated employees of a district that is dissolved due to  
16 financial insolvency have no continuing contract or appeal rights under  
17 RCW 28A.405.210 through 28A.405.380 or other law, nor do certificated  
18 or classified employees of a district dissolved due to financial  
19 insolvency have any resort to grievance or arbitration under a  
20 collective bargaining agreement, and any inconsistent provision of any  
21 individual contract or collective bargaining agreement is null and  
22 void. Sufficient cause for nonrenewal or discharge of such  
23 certificated and classified personnel is deemed to exist by sole virtue  
24 of the employer district's dissolution for financial insolvency.  
25 Notice of nonrenewal or discharge under such circumstances may be given  
26 by the educational service district superintendent without regard to  
27 date. Any appeal must be addressed to the educational service district  
28 board on an expedited basis according to rules established by the  
29 superintendent of public instruction, and must be confined to the issue  
30 of whether the employer district is dissolved for reasons of financial  
31 insolvency. There is no judicial review for the educational service  
32 district board's decisions in these matters.

33 **Sec. 11.** RCW 28A.315.265 and 1999 c 315 s 703 are each amended to  
34 read as follows:

35 If adjustments of bonded indebtedness are made between or among  
36 school districts in connection with the alteration of the boundaries of

1 the school districts under this chapter, the order of the educational  
2 service district superintendent establishing the terms of adjustment of  
3 bonded indebtedness shall provide and specify:

4 (1) In every case where bonded indebtedness is transferred from one  
5 school district to another school district:

6 (a) That such bonded indebtedness is assumed by the school district  
7 to which it is transferred;

8 (b) That thereafter such bonded indebtedness shall be the  
9 obligation of the school district to which it is transferred;

10 (c) That, if the terms of adjustment so provide, any bonded  
11 indebtedness thereafter incurred by such transferee school district  
12 through the sale of bonds authorized before the date its boundaries  
13 were altered shall be the obligation of such school district including  
14 the territory added thereto; and

15 (d) That taxes shall be levied thereafter against the taxable  
16 property located within such school district as it is constituted after  
17 its boundaries were altered, the taxes to be levied at the times and in  
18 the amounts required to pay the principal of and the interest on the  
19 bonded indebtedness assumed or incurred, as the same become due and  
20 payable.

21 (2) In computing the debt limitation of any school district from  
22 which or to which bonded indebtedness has been transferred, the amount  
23 of transferred bonded indebtedness at any time outstanding:

24 (a) Shall be an offset against and deducted from the total bonded  
25 indebtedness, if any, of the school district from which the bonded  
26 indebtedness was transferred; and

27 (b) Shall be deemed to be bonded indebtedness solely of the  
28 transferee school district that assumed the indebtedness.

29 (3) In every case where adjustments of bonded indebtedness do not  
30 provide for transfer of bonded indebtedness from one school district to  
31 another school district:

32 (a) That the existing bonded indebtedness of each school district,  
33 the boundaries of which are altered and any bonded indebtedness  
34 incurred by each such school district through the sale of bonds  
35 authorized before the date its boundaries were altered is the  
36 obligation of the school district in its reduced or enlarged form, as  
37 the case may be; and

1 (b) That taxes shall be levied thereafter against the taxable  
2 property located within each such school district in its reduced or  
3 enlarged form, as the case may be, at the times and in the amounts  
4 required to pay the principal of and interest on such bonded  
5 indebtedness as the same become due and payable.

6 (4) If a change in school district organization approved by the  
7 regional committee concerns a proposal to form a new school district or  
8 if a change in school district organization includes a proposal for  
9 adjustment of voted general obligation bonded indebtedness (~~(involving~~  
10 ~~an established school district and one or more former school districts~~  
11 ~~now included therein pursuant to a vote of the people concerned)~~), a  
12 special election of the voters residing within the territory of the  
13 proposed new district, or of the (~~established~~) school district  
14 involved in a proposal for adjustment of bonded indebtedness as the  
15 case may be, shall be held for the purpose of affording those voters an  
16 opportunity to approve or reject such proposals as concern or affect  
17 them.

18 (5) In a case involving both the question of the formation of a new  
19 school district and the question of adjustment of bonded indebtedness,  
20 the questions may be submitted to the voters either in the form of a  
21 single proposition or as separate propositions, whichever seems  
22 expedient to the educational service district superintendent. When the  
23 regional committee has passed appropriate resolutions for the questions  
24 to be submitted and the educational service district superintendent has  
25 given notice thereof to the county auditor, the special election shall  
26 be called and conducted, and the returns canvassed as in regular school  
27 district elections.

28 **Sec. 12.** RCW 28A.315.285 and 1999 c 315 s 705 are each amended to  
29 read as follows:

30 (1) If a special election is held to vote on a proposal or  
31 alternate proposals to form a new school district, the votes cast by  
32 the registered voters in each component district shall be tabulated  
33 separately. Any such proposition shall be considered approved only if  
34 it receives a majority of the votes cast in each separate district  
35 voting thereon.

36 (2) If a special election is held to vote on a proposal for  
37 adjustment of bonded indebtedness, the entire vote cast by the

1 registered voters of the proposed new district or of the established  
2 district as the case may be shall be tabulated. Any such proposition  
3 shall be considered approved if (~~sixty percent~~) three-fifths or more  
4 of all votes cast thereon are in the affirmative and forty percent of  
5 the voters who voted at the last preceding general election cast a  
6 ballot.

7 (3) In the event of approval of a proposition or propositions voted  
8 on at a special election, the educational service district  
9 superintendent shall:

10 (a) Make an order establishing such new school district or such  
11 terms of adjustment of bonded indebtedness or both, as were approved by  
12 the registered voters and shall also order such other terms of  
13 adjustment, if there are any, of property and other assets and of  
14 liabilities other than bonded indebtedness as have been approved by the  
15 state council; and

16 (b) Certify his or her action to the county and school district  
17 officials specified in RCW 28A.315.215. The educational service  
18 district superintendent may designate, with the approval of the  
19 superintendent of public instruction, a name and number different from  
20 that of any component thereof, but must designate the new district by  
21 name and number different from any other district in existence in the  
22 county.

23 (4) The educational service district superintendent shall fix as  
24 the effective date of any order or orders he or she is required to make  
25 by this chapter, the date specified in the order of final approval of  
26 any change in the organization and extent of school districts or of any  
27 terms of adjustment of the assets and liabilities of school districts  
28 subject, for taxing purposes, to the redrawing of taxing district  
29 boundaries under RCW 84.09.030, by the regional committee.

30 (5) Upon receipt of certification under this section, the  
31 superintendent of each school district that is included in the new  
32 district shall deliver to the superintendent of the new school district  
33 those books, papers, documents, records, and other materials pertaining  
34 to the territory transferred.

35 **Sec. 13.** RCW 28A.315.305 and 1999 c 315 s 707 are each amended to  
36 read as follows:

37 (1) Each school district involved in or affected by any change made

1 in the organization and extent of school districts under this chapter  
2 retains its corporate existence insofar as is necessary for the  
3 purpose, until the bonded indebtedness outstanding against it on and  
4 after the effective date of the change has been paid in full. This  
5 section may not be construed to prevent, after the effective date of  
6 the change, such adjustments of bonded indebtedness as are provided for  
7 in this chapter.

8 (2) The county legislative authority shall provide, by appropriate  
9 levies on the taxable property of each school district, for the payment  
10 of the bonded indebtedness outstanding against it after any of the  
11 changes or adjustments under this chapter have been effected.

12 (3) In case any such changes or adjustments involve a joint school  
13 district, the tax levy for the payment of any bonded indebtedness  
14 outstanding against the joint district, after the changes or  
15 adjustments are effected, shall be made and the proceeds thereof shall  
16 be transmitted, credited, and paid out in conformity with the  
17 provisions of law applicable to the payment of the bonded indebtedness  
18 of joint school districts.

19 (4) In case any such changes or adjustments involve the dissolution  
20 or annexation of a financially insolvent school district pursuant to  
21 RCW 28A.315.225:

22 (a) The board of directors of a receiving or annexing school  
23 district, or the educational service district superintendent as  
24 identified in RCW 84.52.020 must certify a tax levy by November 30th in  
25 each calendar year that there is outstanding voted bonded indebtedness  
26 to pay the principal of and interest on such outstanding voted bonded  
27 indebtedness for the following calendar year;

28 (b) The county treasurer in the county in which the financially  
29 insolvent school district is located must collect the levy, the  
30 proceeds of which must be deposited into a debt service fund  
31 established and overseen by the annexing school district as determined  
32 by the financial oversight committee or regional committee to pay the  
33 principal of and interest on the dissolved district's outstanding  
34 bonded indebtedness as it becomes due;

35 (c) For outstanding voted bonded indebtedness of the financially  
36 insolvent school district, the board of directors of the receiving or  
37 annexing school district may determine that all or any portion of the  
38 voted bonded indebtedness be refunded pursuant to chapter 39.53 RCW, in

1 which case the board of directors of the annexing or receiving district  
2 shall act as the governing body of the financially insolvent school  
3 district and is expressly empowered to take all action it deems  
4 necessary to accomplish such refunding; and

5 (d) Any balance in the debt service fund of the financially  
6 insolvent school district remaining after all such voted bonded  
7 indebtedness is paid must be transferred to the general fund of the  
8 receiving or annexing school district.

9 NEW SECTION. **Sec. 14.** A new section is added to chapter 28A.315  
10 RCW to read as follows:

11 All proceedings that have been taken by any school district,  
12 educational service district governing body, or commission, or any  
13 officers thereof, for the purpose of effecting a dissolution,  
14 annexation, consolidation, or transfer of territory from one or more  
15 school districts to one or more other school districts, including but  
16 not limited to reorganizing boundaries and making an equitable  
17 adjustment of the property and other assets and of the liabilities,  
18 including bonded indebtedness and excess tax levies, are hereby  
19 validated, ratified, approved, and confirmed, notwithstanding any lack  
20 of power, other than constitutional, of the school district,  
21 educational service district, or the governing body or commission or  
22 officers thereof to effect such changes in organization of school  
23 districts.

24 **Sec. 15.** RCW 28A.315.315 and 1990 c 33 s 305 are each amended to  
25 read as follows:

26 (1) An appeal may be taken, as provided for in RCW 28A.645.010, to  
27 the superior court of the county in which a school district or any part  
28 thereof is situated on any question of adjustment of property and other  
29 assets and of liabilities provided for in this chapter. Judicial  
30 appeal must be expedited. If the court finds the terms of the  
31 adjustment in question not equitable, the court shall make an  
32 adjustment that is equitable.

33 (2) In the case of any financially insolvent school district that  
34 is required to transfer territory pursuant to RCW 28A.315.225, no  
35 lawsuit may be maintained challenging the imposition of excess tax  
36 levies on the territory transferred or annexed pursuant to an order of

1 the superintendent of the educational service district under RCW  
2 28A.315.215 unless that lawsuit is served and filed no later than  
3 thirty days after the date of the order.

4 **Sec. 16.** RCW 28A.343.040 and 1991 c 288 s 1 are each amended to  
5 read as follows:

6 (1) It is the responsibility of each school district board of  
7 directors to prepare for the division or redivision of the district  
8 into director districts no later than eight months after any of the  
9 following:

10 ~~((1))~~ (a) Receipt of federal decennial census data from the  
11 redistricting commission established in RCW 44.05.030;

12 ~~((2))~~ (b) Consolidation of two or more districts into one  
13 district under RCW ~~((28A.315.270))~~ 28A.315.195;

14 ~~((3))~~ (c) Transfer of territory to or from the district or  
15 dissolution and annexation of a district under RCW ~~((28A.315.280))~~  
16 28A.315.215; or

17 ~~((4) Annexation of territory to or from the district under RCW~~  
18 ~~28A.315.290 or 28A.315.320; or~~

19 ~~(5))~~ (d) Approval by a majority of the registered voters voting on  
20 a proposition authorizing the division of the district into director  
21 districts pursuant to RCW ~~((28A.315.590))~~ 28A.343.030.

22 (2) The districting or redistricting plan shall be consistent with  
23 the criteria and adopted according to the procedure established under  
24 RCW ~~((29.70.100))~~ 29A.76.010.

25 **Sec. 17.** RCW 84.09.030 and 2008 c 86 s 501 are each amended to  
26 read as follows:

27 (1)(a) Except as provided in (b) and (c) of this subsection (1),  
28 for the purposes of property taxation and the levy of property taxes,  
29 the boundaries of counties, cities, and all other taxing districts  
30 shall be the established official boundaries of such districts existing  
31 on the first day of August of the year in which the property tax levy  
32 is made.

33 (b) The boundaries for a newly incorporated port district or  
34 regional fire protection service authority shall be established on the  
35 first day of October if the boundaries of the newly incorporated port

1 district or regional fire protection service authority are coterminous  
2 with the boundaries of another taxing district or districts, as they  
3 existed on the first day of August of that year.

4 (c) The boundaries of a school district that is required to receive  
5 or annex territory due to the dissolution of a financially insolvent  
6 school district under RCW 28A.315.225 must be the established official  
7 boundaries of such districts existing on the first day of September of  
8 the year in which the property tax levy is made.

9 (2) In any case where any instrument setting forth the official  
10 boundaries of any newly established taxing district, or setting forth  
11 any change in the boundaries, is required by law to be filed in the  
12 office of the county auditor or other county official, the instrument  
13 shall be filed in triplicate. The officer with whom the instrument is  
14 filed shall transmit two copies of the instrument to the county  
15 assessor.

16 (3) No property tax levy shall be made for any taxing district  
17 whose boundaries are not established as of the dates provided in this  
18 section.

19 **Sec. 18.** RCW 84.52.053 and 2010 c 237 s 4 are each amended to read  
20 as follows:

21 (1) The limitations imposed by RCW 84.52.050 through 84.52.056, and  
22 84.52.043 shall not prevent the levy of taxes by school districts, when  
23 authorized so to do by the voters of such school district in the manner  
24 and for the purposes and number of years allowable under Article VII,  
25 section 2(a) of the Constitution of this state. Elections for such  
26 taxes shall be held in the year in which the levy is made or, in the  
27 case of propositions authorizing two-year through four-year levies for  
28 maintenance and operation support of a school district, authorizing  
29 two-year levies for transportation vehicle funds established in RCW  
30 28A.160.130, or authorizing two-year through six-year levies to support  
31 the construction, modernization, or remodeling of school facilities,  
32 which includes the purposes of RCW 28A.320.330(2) (f) and (g), in the  
33 year in which the first annual levy is made.

34 (2)(a) Once additional tax levies have been authorized for  
35 maintenance and operation support of a school district for a two-year  
36 through four-year period as provided under subsection (1) of this  
37 section, no further additional tax levies for maintenance and operation

1 support of the district for that period may be authorized, except for  
2 additional levies to provide for subsequently enacted increases  
3 affecting the district's levy base or maximum levy percentage.

4 (b) Notwithstanding (a) of this subsection, any school district  
5 that is required to annex or receive territory pursuant to a  
6 dissolution of a financially insolvent school district pursuant to RCW  
7 28A.315.225 may call either a replacement or supplemental levy election  
8 within the school district, including the territory annexed or  
9 transferred, as follows:

10 (i) An election for a proposition authorizing two-year through  
11 four-year levies for maintenance and operation support of a school  
12 district may be called and held before the effective date of  
13 dissolution to replace existing maintenance and operation levies and to  
14 provide for increases due to the dissolution.

15 (ii) An election for a proposition authorizing additional tax  
16 levies may be called and held before the effective date of dissolution  
17 to provide for increases due to the dissolution.

18 (iii) In the event a replacement levy election under (b)(i) of this  
19 subsection is held but does not pass, the affected school district may  
20 subsequently hold a supplemental levy election pursuant to (b)(ii) of
