
SENATE BILL 5252

State of Washington

62nd Legislature

2011 Regular Session

By Senator Haugen

Read first time 01/19/11. Referred to Committee on Transportation.

1 AN ACT Relating to streamlining the process applicable to reducing
2 speed limits on state highways; and amending RCW 46.61.405.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 46.61.405 and 1987 c 397 s 3 are each amended to read
5 as follows:

6 Whenever the secretary of transportation shall determine, upon the
7 basis of an engineering and traffic investigation which must be
8 completed within thirty days, that any maximum speed hereinbefore set
9 forth is greater than is reasonable or safe with respect to a state
10 highway under the conditions found to exist at any intersection or upon
11 any other part of the state highway system or at state ferry terminals,
12 or that a general reduction of any maximum speed set forth in RCW
13 46.61.400 is necessary in order to comply with a national maximum speed
14 limit, the secretary may determine and declare a reasonable and safe
15 lower maximum limit or a lower maximum limit which will comply with a
16 national maximum speed limit, for any state highway, the entire state
17 highway system, or any portion thereof, which shall be effective when
18 appropriate signs giving notice thereof are erected. The secretary may
19 also fix and regulate the speed of vehicles on any state highway within

1 the maximum speed limit allowed by this chapter for special occasions
2 including, but not limited to, local parades and other special events.
3 Any such maximum speed limit may be declared to be effective at all
4 times or at such times as are indicated upon the said signs; and
5 differing limits may be established for different times of day,
6 different types of vehicles, varying weather conditions, and other
7 factors bearing on safe speeds, which shall be effective (~~((a)–{(1)}~~)
8 (1) when posted upon appropriate fixed or variable signs or (~~((b)~~
9 ~~{(2)}~~) (2) if a maximum limit is established for auto stages which is
10 lower than the limit for automobiles, the auto stage speed limit shall
11 become effective thirty days after written notice thereof is mailed in
12 the manner provided in subsection (4) of RCW 46.61.410, as now or
13 hereafter amended.
