1 AN ACT Relating to guaranteed issue health insurance for persons
2 under age nineteen; amending RCW 48.43.012 and 48.41.100; reenacting
3 and amending RCW 48.43.005 and 48.41.110; adding a new section to
4 chapter 48.43 RCW; creating a new section; and declaring an emergency.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The federal patient protection and
7 affordable care act (P.L. 111-148) prohibits insurance carriers from
8 applying preexisting condition limitations for persons under age
9 nineteen, beginning on or after September 23, 2010. The guidance from
10 the United States department of health and human services provides some
11 direction for the implementation of the new policy requirement, and the
12 office of the insurance commissioner further clarified open enrollment
13 requirements to help prevent disruption in the individual health
14 insurance marketplace. It is the intent of this act to:

15 (1) Maintain access to individual plan options for persons under
16 age nineteen; and

17 (2) Provide clarity for the establishment of open enrollment and
18 special open enrollment periods that balance access to guaranteed issue
19 coverage with efforts that protect market stability.

1 **Sec. 2.** RCW 48.43.005 and 2010 c 292 s 1 are each reenacted and

26 absence of the condition for which prescribed;

29 facial bones; excisions of mandibular joints, lesions of the mouth,
30 lip, or tongue, tumors, or cysts excluding treatment for
31 temporomandibular joints; incision of accessory sinuses, mouth salivary
32 glands or ducts; dislocations of the jaw; plastic reconstruction or
33 repair of traumatic injuries occurring while covered under the pool;
34 and excision of impacted wisdom teeth;

36 (o) Services of a physical therapist and services of a speech
37 therapist;

38 (p) Hospice services;

1 (q) Professional ambulance service to the nearest health care
2 facility qualified to treat the illness or injury;

3 (r) Mental health services pursuant to RCW 48.41.220; and

4 (s) Other medical equipment, services, or supplies required by
5 physician's orders and medically necessary and consistent with the
6 diagnosis, treatment, and condition.

7 (5) The board shall design and employ cost containment measures and
8 requirements such as, but not limited to, care coordination, provider
9 network limitations, preadmission certification, and concurrent
10 inpatient review which may make the pool more cost-effective.

11 (6) The pool benefit policy may contain benefit limitations,
12 exceptions, and cost shares such as copayments, coinsurance, and
13 deductibles that are consistent with managed care products, except that
14 differential cost shares may be adopted by the board for nonnetwork
15 providers under point of service plans. No limitation, exception, or
16 reduction may be used that would exclude coverage for any disease,
17 illness, or injury.

18 (7)(a) The pool may not reject an individual for health plan
19 coverage based upon preexisting conditions of the individual or deny,
20 exclude, or otherwise limit coverage for an individual's preexisting
21 health conditions; except that it shall impose a six-month benefit
22 waiting period for preexisting conditions for which medical advice was
23 given, for which a health care provider recommended or provided
24 treatment, or for which a prudent layperson would have sought advice or
25 treatment, within six months before the effective date of coverage.
26 The preexisting condition waiting period shall not apply to prenatal
27 care services. The pool may not avoid the requirements of this section
28 through the creation of a new rate classification or the modification
29 of an existing rate classification. Credit against the waiting period
30 shall be as provided in subsection (8) of this section.

31 (b) The pool shall not impose any preexisting condition waiting
32 period for any person under the age of nineteen.

33 (8)(a) Except as provided in (b) of this subsection, the pool shall
34 credit any preexisting condition waiting period in its plans for a
35 person who was enrolled at any time during the sixty-three day period
36 immediately preceding the date of application for the new pool plan.
37 For the person previously enrolled in a group health benefit plan, the
38 pool must credit the aggregate of all periods of preceding coverage not

1 separated by more than sixty-three days toward the waiting period of
2 the new health plan. For the person previously enrolled in an
3 individual health benefit plan other than a catastrophic health plan,
4 the pool must credit the period of coverage the person was continuously
5 covered under the immediately preceding health plan toward the waiting
6 period of the new health plan. For the purposes of this subsection, a
7 preceding health plan includes an employer-provided self-funded health
8 plan.

9 (b) The pool shall waive any preexisting condition waiting period
10 for a person who is an eligible individual as defined in section
11 2741(b) of the federal health insurance portability and accountability
12 act of 1996 (42 U.S.C. 300gg-41(b)).

13 (9) If an application is made for the pool policy as a result of
14 rejection by a carrier, then the date of application to the carrier,
15 rather than to the pool, should govern for purposes of determining
16 preexisting condition credit.

17 (10) The pool shall contract with organizations that provide care
18 management that has been demonstrated to be effective and shall
19 encourage enrollees who are eligible for care management services to
20 participate. The pool may encourage the use of shared decision making
21 and certified decision aids for preference-sensitive care areas.

22 NEW SECTION. **Sec. 7.** This act is necessary for the immediate
23 preservation of the public peace, health, or safety, or support of the
24 state government and its existing public institutions, and takes effect
25 immediately.
