25 The governor of this state is hereby authorized to execute a
26 compact on behalf of the state of Washington with any of the United
27 States legally joining therein in the form substantially as follows:

28 A compact entered into by and among the contracting states,
29 signatories hereto, with the consent of the congress of the United
30 States of America, granted by an act entitled "An Act granting the
31 consent of congress to any two or more states to enter into agreements
32 or compacts for cooperative effort and mutual assistance in the
33 prevention of crime and for other purposes."

34 The contracting states solemnly agree:

35 (1) That it shall be competent for the duly constituted judicial
36 and administrative authorities of a state, party to this compact,
37 (herein called "sending state"), to permit any person convicted of an

1 offense within such state and placed on probation or released on parole
2 to reside in any other state party to this compact, (herein called
3 "receiving state"), while on probation or parole, if

4 (a) Such person is in fact a resident of or has his or her family
5 residing within the receiving state and can obtain employment there;

6 (b) Though not a resident of the receiving state and not having his
7 or her family residing there, the receiving state consents to such
8 person being sent there.

9 Before granting such permission, opportunity shall be granted to
10 the receiving state to investigate the home and prospective employment
11 of such person.

12 A resident of the receiving state, within the meaning of this
13 section, is one who has been an actual inhabitant of such state
14 continuously for more than one year prior to his or her coming to the
15 sending state and has not resided within the sending state more than
16 six continuous months immediately preceding the commission of the
17 offense for which he or she has been convicted.

18 (2) That each receiving state will assume the duties of visitation
19 of and supervision over probationers or parolees of any sending state
20 and in the exercise of those duties will be governed by the same
21 standards that prevail for its own probationers and parolees.

22 (3) That duly accredited officers of a sending state may at all
23 times enter a receiving state and there apprehend and retake any person
24 on probation or parole. For that purpose no formalities will be
25 required other than establishing the authority of the officer and the
26 identity of the person to be retaken. All legal requirements to obtain
27 extradition of fugitives from justice are hereby expressly waived on
28 the part of states party hereto, as to such persons. The decision of
29 the sending state to retake a person on probation or parole shall be
30 conclusive upon and not reviewable within the receiving state:
31 PROVIDED, HOWEVER, That if at the time when a state seeks to retake a
32 probationer or parolee there should be pending against him or her
33 within the receiving state any criminal charge, or he or she should be
34 suspected of having committed within such state a criminal offense, he
35 or she shall not be retaken without the consent of the receiving state
36 until discharged from prosecution or from imprisonment for such
37 offense.

1 (4) That the duly accredited officers of the sending state will be
2 permitted to transport prisoners being retaken through any and all
3 states parties to this compact, without interference.

4 (5) That the governor of each state may designate an officer who,
5 acting jointly with like officers of other contracting states, if and
6 when appointed, shall promulgate such rules and regulations as may be
7 deemed necessary to more effectively carry out the terms of this
8 compact.

9 (6) That this compact shall become operative immediately upon its
10 execution by any state as between it and any other state or states so
11 executing. When executed it shall have the full force and effect of
12 law within such state, the form of execution to be in accordance with
13 the laws of the executing state.

14 (7) That this compact shall continue in force and remain binding
15 upon each executing state until renounced by it. The duties and
16 obligations hereunder of a renouncing state shall continue as to
17 parolees or probationers residing therein at the time of withdrawal
18 until retaken or finally discharged by the sending state. Renunciation
19 of this compact shall be by the same authority which executed it, by
20 sending six months' notice in writing of its intention to withdraw from
21 the compact to the other states, party hereto.

22 **Sec. 4.** RCW 9.96.020 and 2011 c 336 s 343 are each amended to read
23 as follows:

24 Whenever the governor shall determine to restore his or her civil
25 rights to any person convicted of an infamous crime in any superior
26 court of this state, he or she shall execute and file in the office of
27 the secretary of state an instrument in writing in substantially the
28 following form:

29 "To the People of the State of Washington
30 Greeting:

1 I, the undersigned Governor of the State of
2 Washington, by virtue of the power vested in my office by
3 the constitution and laws of the State of Washington, do by
4 these presents restore to his or her civil rights
5 forfeited by him (or her) by reason of his (or her)
6 conviction of the crime of (naming it) in the
7 Superior Court for the County of, on to-wit:
8 The day of, 19...
9 Dated the day of, 19...
10 (Signed)
11 Governor of Washington."

12 **Sec. 5.** RCW 41.04.120 and 1957 c 164 s 1 are each amended to read
13 as follows:

14 Any civil service employee of the state of Washington or of any
15 political subdivision thereof who is on leave of absence by reason of
16 having been elected or appointed to an elective office shall be
17 preserved in his or her civil service status, his or her seniority,
18 rank and retirement rights so long as he or she regularly continues to
19 make the usual contribution incident to the retention of such
20 beneficial rights as if he or she were not on leave of absence:
21 PROVIDED, That such contributions being made shall be based on the rank
22 at the time of taking such leave of absence.

23 **Sec. 6.** RCW 41.04.233 and 1975 1st ex.s. c 290 s 20 are each
24 amended to read as follows:

25 Any employee or retired employee of the state or its departments,
26 agencies, or subdivisions and any employee or retired employee of a
27 county, public or municipal corporation, school district, or tax
28 supported institution may authorize the deduction from his or her
29 salary or wages of the amount of his or her capitation payments to any
30 health maintenance organization receiving a certificate of authority
31 under this chapter. Upon the filing of an authorization with the
32 auditor or fiscal officer of the employer, such auditor or fiscal
33 officer shall make payments in favor of the health maintenance
34 organizations referred to in the authorization for the amounts of the
35 deductions authorized, RCW 41.04.230(7) notwithstanding.

1 **Sec. 7.** RCW 41.04.510 and 1989 c 21 s 1 are each amended to read
2 as follows:

3 The disability leave supplement shall be paid as follows:

4 (1) The disability leave supplement shall begin on the sixth
5 calendar day from the date of the injury or illness which entitles the
6 employee to benefits under RCW 51.32.090. For the purposes of this
7 section, the day of injury shall constitute the first calendar day.

8 (2) One-half of the amount of the supplement as defined in RCW
9 41.04.505 shall be charged against the accrued paid leave of the
10 employee. In computing such charge, the employer shall convert
11 accumulated days, or other time units as the case may be, to a money
12 equivalent based on the base monthly salary of the employee at the time
13 of the injury or illness. "Base monthly salary" for the purposes of
14 this section means the amount earned by the employee before any
15 voluntary or involuntary payroll deductions, and not including overtime
16 pay.

17 (3) One-half of the amount of the supplement as defined in RCW
18 41.04.505 shall be paid by the employer.

19 If an employee has no accrued paid leave at the time of an injury
20 or illness which entitles him or her to benefits under RCW 51.32.090,
21 or if accrued paid leave is exhausted during the period of disability,
22 the employee shall receive only that portion of the disability leave
23 supplement prescribed by subsection (3) of this section.

24 **Sec. 8.** RCW 41.06.073 and 1970 ex.s. c 62 s 11 are each amended to
25 read as follows:

26 In addition to the exemptions set forth in RCW 41.06.070, the
27 provisions of this chapter shall not apply in the department of ecology
28 to the director, his or her confidential secretary, his or her deputy
29 director, and not to exceed six assistant directors.

30 **Sec. 9.** RCW 41.06.075 and 1979 c 151 s 56 are each amended to read
31 as follows:

32 In addition to the exemptions set forth in RCW 41.06.070, the
33 provisions of this chapter shall not apply in the office of financial
34 management to the director, his or her confidential secretary, not to
35 exceed two deputy directors and not to exceed seven assistant
36 directors.

1 **Sec. 10.** RCW 41.06.120 and 2011 1st sp.s. c 43 s 406 are each
2 amended to read as follows:

3 (1) In the necessary conduct of its work, the board shall meet
4 monthly unless there is no pending business requiring board action and
5 may hold hearings, such hearings to be called by (a) the ((~~chairman~~))
6 chair of the board, or (b) a majority of the members of the board. An
7 official notice of the calling of the hearing shall be filed with the
8 secretary, and all members shall be notified of the hearing within a
9 reasonable period of time prior to its convening.

10 (2) No release of material or statement of findings shall be made
11 except with the approval of a majority of the board;

12 (3) In the conduct of hearings or investigations, a member of the
13 board or the director, or the hearing officer, may administer oaths.

14 **Sec. 11.** RCW 41.14.030 and 2009 c 112 s 2 are each amended to read
15 as follows:

16 (1) There is created in each county and in each combination of
17 counties, combined pursuant to RCW 41.14.040 to carry out the
18 provisions of this chapter, a civil service commission which shall be
19 composed of three persons, or five persons under subsection (2) of this
20 section. The commission members shall be appointed by the board of
21 county commissioners, or boards of county commissioners of each
22 combination of counties, within sixty days after December 4, 1958. No
23 person shall be appointed to the commission who is not a citizen of the
24 United States, a resident of the county, or one of the counties
25 combined, for at least two years immediately preceding his or her
26 appointment, and an elector of the county wherein he or she resides.
27 The term of office of the commissioners shall be six years, except that
28 the first three members of the commission shall be appointed for
29 different terms, as follows: One to serve for a period of two years,
30 one to serve for a period of four years, and one to serve for a period
31 of six years. Any member of the commission may be removed from office
32 for incompetency, incompatibility, or dereliction of duty, or
33 malfeasance in office, or other good cause: PROVIDED, That no member
34 of the commission shall be removed until charges have been preferred,
35 in writing, due notice, and a full hearing had. Any vacancy in the
36 commission shall be filled by the county commissioners for the
37 unexpired term. Two members of the commission shall constitute a

1 quorum and the votes of any two members concurring shall be sufficient
2 for the decision of all matters and the transaction of all business to
3 be decided or transacted by the commission. Confirmation of the
4 appointment of commissioners by any legislative body shall not be
5 required. At the time of appointment not more than two commissioners
6 shall be adherents of the same political party. No member after
7 appointment shall hold any salaried public office or engage in county
8 employment, other than his or her commission duties. The members of
9 the commission shall serve without compensation.

10 (2)(a) Each county and each combination of counties under RCW
11 41.14.040 may, by ordinance, increase the number of members serving on
12 a commission from three to five members. If a commission is increased
13 to five members, the terms of the three commissioners serving at the
14 time of the increase are not affected. The initial term of office for
15 the two additional commissioners is six years.

16 (b) Three commissioners constitute a quorum for a five-member
17 commission and the votes of three commissioners concurring are
18 sufficient for the decision of all matters and the transaction of all
19 business decided or transacted by a five-member commission.

20 (c) At the time of appointment of the two additional commissioners,
21 no more than three commissioners may be adherents of the same political
22 party.

23 (d) Except as provided otherwise in this subsection (2), subsection
24 (1) of this section applies to five-member commissions.

25 **Sec. 12.** RCW 41.14.060 and 2001 c 232 s 1 are each amended to read
26 as follows:

27 It shall be the duty of the civil service commission:

28 (1) To make suitable rules and regulations not inconsistent with
29 the provisions hereof. Such rules and regulations shall provide in
30 detail the manner in which examinations may be held, and appointments,
31 promotions, reallocations, transfers, reinstatements, demotions,
32 suspensions, and discharges shall be made, and may also provide for any
33 other matters connected with the general subject of personnel
34 administration, and which may be considered desirable to further carry
35 out the general purposes of this chapter, or which may be found to be
36 in the interest of good personnel administration. The rules and

1 regulations and any amendments thereof shall be printed, mimeographed,
2 or multigraphed for free public distribution. Such rules and
3 regulations may be changed from time to time.

4 (2) To give practical tests which shall consist only of subjects
5 which will fairly determine the capacity of persons examined to perform
6 duties of the position to which appointment is to be made. Such tests
7 may include tests of physical fitness or manual skill or both.

8 (3) To make investigations concerning and report upon all matters
9 touching the enforcement and effect of the provisions of this chapter,
10 and the rules and regulations prescribed hereunder; to inspect all
11 departments, offices, places, positions, and employments affected by
12 this chapter, and ascertain whether this chapter and all such rules and
13 regulations are being obeyed. Such investigations may be made by the
14 commission or by any commissioner designated by the commission for that
15 purpose. Not only must these investigations be made by the commission
16 as aforesaid, but the commission must make like investigation on
17 petition of a citizen, duly verified, stating that irregularities or
18 abuses exist, or setting forth in concise language, in writing, the
19 necessity for such investigation. In the course of such investigation
20 the commission or designated commissioner, or chief examiner, may
21 administer oaths, subpoena and require the attendance of witnesses and
22 the production by them of books, papers, documents, and accounts
23 appertaining to the investigation and also cause the deposition of
24 witnesses residing within or without the state to be taken in the
25 manner prescribed by law for like depositions in civil actions in the
26 superior court; and the oaths administered and the subpoenas issued
27 hereunder shall have the same force and effect as the oaths
28 administered and subpoenas issued by a superior court judge in his or
29 her judicial capacity; and the failure of any person so subpoenaed to
30 comply with the provisions of this section shall be deemed a violation
31 of this chapter, and punishable as such.

32 (4) To conduct hearings and investigations in accordance with this
33 chapter and by the rules of practice and procedure adopted by the
34 commission, and in the conduct thereof neither the commission, nor
35 designated commissioner shall be bound by technical rules of evidence.
36 No informality in any proceedings or hearing, or in the manner of
37 taking testimony before the commission or designated commissioner,
38 shall invalidate any order, decision, rule, or regulation made,

1 approved, or confirmed by the commission: PROVIDED, That no order,
2 decision, rule, or regulation made by any designated commissioner
3 conducting any hearing or investigation alone shall be of any force or
4 effect whatsoever unless and until concurred in by at least one of the
5 other two members.

6 (5) To hear and determine appeals or complaints respecting the
7 allocation of positions, the rejection of an examinee, and such other
8 matters as may be referred to the commission.

9 (6) To provide for, formulate, and hold competitive tests to
10 determine the relative qualifications of persons who seek employment in
11 any class or position and as a result thereof establish eligible lists
12 for the various classes of positions, and provide that persons laid
13 off, or who have accepted voluntary demotion in lieu of layoff, because
14 of curtailment of expenditures, reduction in force, and for like
15 causes, head the list in the order of their seniority, to the end that
16 they shall be the first to be reemployed or reinstated in their former
17 job class.

18 (7) To certify to the appointing authority, when a vacant position
19 is to be filled, on written request, the names of the three persons
20 highest on the eligible list for the class. If there is no such list,
21 to authorize a provisional or temporary appointment list for such
22 class. A temporary appointment expires after four months. However,
23 the appointing authority may extend the temporary appointment beyond
24 the four-month period up to one year if the commission continues to
25 advertise and test for the position. If, after one year from the date
26 the initial temporary appointment was first made, there are less than
27 three persons on the eligible list for the class, then the appointing
28 authority may fill the position with any person or persons on the
29 eligible list.

30 (8) To keep such records as may be necessary for the proper
31 administration of this chapter.

32 **Sec. 13.** RCW 41.14.090 and 1959 c 1 s 9 are each amended to read
33 as follows:

34 For the benefit of the public service and to prevent delay, injury,
35 or interruption therein by reason of the enactment hereof, all persons
36 holding a position which is deemed classified by RCW 41.14.070 for a
37 continuous period of six months prior to December 4, 1958, are eligible

1 for permanent appointment under civil service to the offices, places,
2 positions, or employments which they then held without examination or
3 other act on their part, and not on probation; and every such person is
4 automatically adopted and inducted permanently into civil service, into
5 the office, place, position, or employment which he or she then held as
6 completely and effectually to all intents and purposes as if such
7 person had been permanently appointed thereto under civil service after
8 examination and investigation.

9 **Sec. 14.** RCW 41.14.110 and 1959 c 1 s 11 are each amended to read
10 as follows:

11 The tenure of every person holding an office, place, position, or
12 employment under the provisions of this chapter shall be only during
13 good behavior, and any such person may be removed or discharged,
14 suspended without pay, demoted, or reduced in rank, or deprived of
15 vacation privileges or other special privileges for any of the
16 following reasons:

17 (1) Incompetency, inefficiency, or inattention to, or dereliction
18 of duty;

19 (2) Dishonesty, intemperance, immoral conduct, insubordination,
20 discourteous treatment of the public, or a fellow employee, or any
21 other act of omission or commission tending to injure the public
22 service; or any other (~~wilful~~) willful failure on the part of the
23 employee to properly conduct himself or herself; or any (~~wilful~~)
24 willful violation of the provisions of this chapter or the rules and
25 regulations to be adopted hereunder;

26 (3) Mental or physical unfitness for the position which the
27 employee holds;

28 (4) Dishonest, disgraceful, or prejudicial conduct;

29 (5) Drunkenness or use of intoxicating liquors, narcotics, or any
30 other habit forming drug, liquid, or preparation to such extent that
31 the use thereof interferes with the efficiency or mental or physical
32 fitness of the employee, or which precludes the employee from properly
33 performing the function and duties of any position under civil service;

34 (6) Conviction of a felony, or a misdemeanor involving moral
35 turpitude;

36 (7) Any other act or failure to act which in the judgment of the

1 civil service commission is sufficient to show the offender to be an
2 unsuitable and unfit person to be employed in the public service.

3 **Sec. 15.** RCW 41.14.120 and 1984 c 199 s 1 are each amended to read
4 as follows:

5 No person in the classified civil service who has been permanently
6 appointed or inducted into civil service under provisions of this
7 chapter, shall be removed, suspended, demoted, or discharged except for
8 cause, and only upon written accusation of the appointing power or any
9 citizen or taxpayer; a written statement of which accusation, in
10 general terms, shall be served upon the accused, and a duplicate filed
11 with the commission. Any person so removed, suspended, discharged, or
12 demoted may within ten days from the time of his or her removal,
13 suspension, discharge, or demotion file with the commission a written
14 demand for an investigation, whereupon the commission shall conduct
15 such investigation. Upon receipt of the written demand for an
16 investigation, the commission shall within ten days set a date for a
17 public hearing which will be held within thirty days from the date of
18 receipt. The investigation shall be confined to the determination of
19 the question of whether the removal, suspension, demotion, or discharge
20 was made in good faith for cause. After such investigation the
21 commission shall render a written decision within ten days and may
22 affirm the removal, suspension, demotion, or discharge, or if it finds
23 that removal, suspension, demotion, or discharge was not made in good
24 faith for cause, shall order the immediate reinstatement or
25 reemployment of such person in the office, place, position, or
26 employment from which he or she was removed, suspended, demoted, or
27 discharged, which reinstatement shall, if the commission so provides,
28 be retroactive, and entitle such person to pay or compensation from the
29 time of the removal, suspension, demotion, or discharge. The
30 commission upon such investigation, in lieu of affirming a removal,
31 suspension, demotion, or discharge, may modify the order by directing
32 the removal, suspension, demotion, or discharge without pay, for a
33 given period, and subsequent restoration to duty, or demotion in
34 classification, grade, or pay. The findings of the commission shall be
35 certified, in writing to the appointing power, and shall be forthwith
36 enforced by such officer.

1 All investigations made by the commission pursuant to this section
2 shall be by public hearing, after reasonable notice to the accused of
3 the time and place thereof, at which hearing the accused shall be
4 afforded an opportunity of appearing in person and by counsel, and
5 presenting his or her defense. If order of removal, suspension,
6 demotion, or discharge is concurred in by the commission or a majority
7 thereof, the accused may appeal therefrom to the superior court of the
8 county wherein he or she resides. Such appeal shall be taken by
9 serving the commission, within thirty days after the entry of its
10 order, a written notice of appeal, stating the grounds thereof, and
11 demanding that a certified transcript of the record and of all papers
12 on file in the office of the commission affecting or relating to its
13 order, be filed by the commission with the court. The commission
14 shall, within ten days after the filing of the notice, make, certify,
15 and file such transcript with the court. The court shall thereupon
16 proceed to hear and determine the appeal in a summary manner. Such
17 hearing shall be confined to the determination of whether the order of
18 removal, suspension, demotion, or discharge made by the commission, was
19 or was not made in good faith for cause, and no appeal shall be taken
20 except upon such ground or grounds. The decision of the superior court
21 may be appealed to the supreme court or the court of appeals.

22 **Sec. 16.** RCW 41.14.180 and 1959 c 1 s 18 are each amended to read
23 as follows:

24 No commissioner or any other person, shall, by himself or herself
25 or in cooperation with others, defeat, deceive, or obstruct any person
26 in respect of his or her right of examination or registration according
27 to the rules and regulations, or falsely mark, grade, estimate, or
28 report upon the examination or proper standing of any person examined,
29 registered, or certified pursuant to this chapter, or aid in so doing,
30 or make any false representation concerning the same, or concerning the
31 person examined, or furnish any person any special or secret
32 information for the purpose of improving or injuring the prospects or
33 chances of any person so examined, registered or certified, or to be
34 examined, registered, or certified, or persuade any other person, or
35 permit or aid in any manner any other person to personate him or her,
36 in connection with any examination or registration of application or
37 request to be examined or registered.

1 The right of any person to an appointment or promotion to any
2 position in a sheriff's office shall not be withheld because of his or
3 her race, color, creed, national origin, political affiliation or
4 belief, nor shall any person be dismissed, demoted, or reduced in grade
5 for such reason.

6 **Sec. 17.** RCW 41.14.250 and 1972 ex.s. c 48 s 1 are each amended to
7 read as follows:

8 When any city or town shall contract with the county sheriff's
9 office to obtain law enforcement services to the city or town, any
10 employee of the police department of such city or town who (1) was at
11 the time such contract was entered into employed exclusively or
12 principally in performing the powers, duties, and functions which are
13 to be performed by the county sheriff's office under such contract (2)
14 will, as a direct consequence of such contract, be separated from the
15 employ of the city or town, and (3) meets the minimum standards and
16 qualifications of the county sheriff's office, then such employee may
17 transfer his or her employment to the county sheriff's office as
18 provided for in RCW 41.14.260 and 41.14.270.

19 **Sec. 18.** RCW 41.14.260 and 1972 ex.s. c 48 s 2 are each amended to
20 read as follows:

21 (1) An eligible employee may transfer into the county civil service
22 system for the sheriff's office by filing a written request with the
23 county civil service commission and by giving written notice thereof to
24 the legislative authority of the city or town. Upon receipt of such
25 request by the civil service commission the transfer of employment
26 shall be made. The employee so transferring will (1) be on probation
27 for the same period as are new employees of the sheriff's office, (2)
28 be eligible for promotion after completion of the probationary period
29 as completed, (3) receive a salary at least equal to that of other new
30 employees of the sheriff's office, and (4) in all other matters, such
31 as retirement, vacation, etc., have, within the county civil service
32 system, all the rights, benefits, and privileges that he or she would
33 have been entitled to had he or she been a member of the county
34 sheriff's office from the beginning of his or her employment with the
35 city or town police department. The city or town shall, upon receipt
36 of such notice, transmit to the county civil service commission a

1 record of the employee's service with the city or town which shall be
2 credited to such member as a part of his or her period of employment in
3 the county sheriff's office. The sheriff may appoint the transferring
4 employee to whatever duties he or she feels are in the best interest of
5 the department and the individual.

6 (2) If in the process of contracting for law enforcement services
7 economies or efficiencies are achieved or if the city or town intends
8 by such contract to curtail expenditures and the level of services to
9 the city or town, then only so many of the transferring employees shall
10 be placed upon the payroll of the sheriff's office as the sheriff
11 determines are needed to provide the contracted services. These needed
12 employees shall be taken in order of seniority and the remaining
13 employees who transfer as provided in RCW 41.14.250, 41.14.260, and
14 41.14.270 shall head the list of their respective class or job listing
15 in the civil service system in order of their seniority, to the end
16 that they shall be the first to be reemployed in the county sheriff's

20 created by chapters 41.16 or 41.18 RCW, and (2) is now employed within
21 the police department of such city, will be regarded as having received
22 membership service credit for such service to the fire department in
23 the city's police and relief pension system at the time he or she
24 recovers such service credit by paying withdrawn contributions to the
25 Washington law enforcement officers' and firefighters' retirement
26 system pursuant to RCW 41.26.030(~~(+14)~~) (28).

27 **Sec. 37.** RCW 41.24.100 and 1945 c 261 s 10 are each amended to
28 read as follows:

29 The board of trustees herein, in addition to other powers herein
30 granted, shall have power to compel the attendance of witnesses to
31 testify before it on all matters connected with the operation of this
32 chapter, and its (~~chairman~~) chair or any member of said board may
33 administer oaths to such witnesses; to make all necessary rules and
34 regulations for its guidance in conformity with the provisions of this
35 chapter: PROVIDED, HOWEVER, That no compensation or emoluments shall

1 be paid to any member of said board of trustees for any duties
2 performed under this chapter as such trustees.

4 as follows:

5 The state board shall hold regular semiannual meetings in April and
6 October of each year, and special meetings not more than once monthly
7 at such times and places as may be called by the (~~(chairman)~~) chair or
8 by two of its members. No action shall be taken by the state board
9 without the approval of two members.

10 **Sec. 39.** RCW 41.26.040 and 1991 c 35 s 15 are each amended to read
11 as follows:

12 The Washington law enforcement officers' and firefighters'
13 retirement system is hereby created for firefighters and law
14 enforcement officers.

15 (1) Notwithstanding RCW 41.26.030(~~((+8+))~~) (20), all firefighters and
16 law enforcement officers employed as such on or after March 1, 1970, on
17 a full time fully compensated basis in this state shall be members of
18 the retirement system established by this chapter with respect to all
19 periods of service as such, to the exclusion of any pension system
20 existing under any prior act.

21 (2) Any employee serving as a law enforcement officer or
22 firefighter on March 1, 1970, who is then making retirement
23 contributions under any prior act shall have his or her membership
24 transferred to the system established by this chapter as of such date.
25 Upon retirement for service or for disability, or death, of any such
26 employee, his or her retirement benefits earned under this chapter
27 shall be computed and paid. In addition, his or her benefits under the
28 prior retirement act to which he or she was making contributions at the
29 time of this transfer shall be computed as if he or she had not
30 transferred. For the purpose of such computations, the employee's
31 creditability of service and eligibility for service or disability
32 retirement and survivor and all other benefits shall continue to be as
33 provided in such prior retirement act, as if transfer of membership had
34 not occurred. The excess, if any, of the benefits so computed, giving
35 full value to survivor benefits, over the benefits payable under this
36 chapter shall be paid whether or not the employee has made application

1 under the prior act. If the employee's prior retirement system was the
2 Washington public employees' retirement system, payment of such excess
3 shall be made by that system; if the employee's prior retirement system
4 was the statewide city employees' retirement system, payment of such
5 excess shall be made by the employer which was the member's employer
6 when his or her transfer of membership occurred: PROVIDED, That any
7 death in line of duty lump sum benefit payment shall continue to be the
8 obligation of that system as provided in RCW 41.44.210; in the case of
9 all other prior retirement systems, payment of such excess shall be
10 made by the employer which was the member's employer when his or her
11 transfer of membership occurred.

12 (3) All funds held by any (~~firemen's~~) firefighters' or
13 (~~police~~) police officers' relief and pension fund shall remain
14 in that fund for the purpose of paying the obligations of the fund.
15 The municipality shall continue to levy the dollar rate as provided in
16 RCW 41.16.060, and this dollar rate shall be used for the purpose of
17 paying the benefits provided in chapters 41.16 and 41.18 RCW. The
18 obligations of chapter 41.20 RCW shall continue to be paid from
19 whatever financial sources the city has been using for this purpose.

20 **Sec. 40.** RCW 41.26.045 and 1979 ex.s. c 249 s 3 are each amended
21 to read as follows:

22 (1) Notwithstanding any other provision of law after February 19,
23 1974 no law enforcement officer or firefighter, may become eligible for
24 coverage in the pension system established by this chapter, until the
25 individual has met and has been certified as having met minimum medical
26 and health standards: PROVIDED, That an elected sheriff or an
27 appointed chief of police or fire chief, shall not be required to meet
28 the age standard: PROVIDED FURTHER, That in cities and towns having
29 not more than two law enforcement officers and/or not more than two
30 firefighters and if one or more of such persons do not meet the minimum
31 medical and health standards as required by the provisions of this
32 chapter, then such person or persons may join any other pension system
33 that the city has available for its other employees: AND PROVIDED
34 FURTHER, That for one year after February 19, 1974 any such medical or
35 health standard now existing or hereinafter adopted, insofar as it
36 establishes a maximum age beyond which an applicant is to be deemed
37 ineligible for coverage, shall be waived as to any applicant for

1 employment or reemployment who is otherwise eligible except for his or
2 her age, who has been a member of any one or more of the retirement
3 systems created by chapter 41.20 of the Revised Code of Washington and
4 who has restored all contributions which he or she has previously
5 withdrawn from any such system or systems.

6 (2) This section shall not apply to persons who initially establish
7 membership in the retirement system on or after July 1, 1979.

8 **Sec. 41.** RCW 41.26.046 and 1987 c 418 s 2 are each amended to read
9 as follows:

10 By July 31, 1971, the retirement board shall adopt minimum medical
11 and health standards for membership coverage into the Washington law
12 enforcement officers' and firefighters' retirement system act. In
13 adopting such standards the retirement board shall consider existing
14 standards recommended by the international association of chiefs of
15 police and the international association of firefighters, and shall
16 adopt equal or higher standards, together with appropriate standards
17 and procedures to insure uniform compliance with this chapter. The
18 standards when adopted shall be published and distributed to each
19 employer, and each employer shall adopt certification procedures and
20 such other procedures as are required to insure that no law enforcement
21 officer or firefighter receives membership coverage unless and until he
22 or she has actually met minimum medical and health standards:
23 PROVIDED, That an elected sheriff or an appointed chief of police, fire
24 chief, or director of public safety shall not be required to meet the
25 age standard. The retirement board may amend the minimum medical and
26 health standards as experience indicates, even if the standards as so
27 amended are lower or less rigid than those recommended by the
28 international associations mentioned above. The cost of the medical
29 examination contemplated by this section is to be paid by the employer.

30 **Sec. 42.** RCW 41.26.047 and 1972 ex.s. c 131 s 3 are each amended
31 to read as follows:

32 Nothing in RCW 41.26.035, 41.26.045 and 41.26.046 shall apply to
33 any firefighters or law enforcement officers who are employed as such
34 on or before August 1, 1971, as long as they continue in such
35 employment; nor to promotional appointments after becoming a member in
36 the police or fire department of any employer nor to the reemployment

1 of a law enforcement officer or firefighter by the same or a different
2 employer within six months after the termination of his or her
3 employment, nor to the reinstatement of a law enforcement officer or
4 firefighter who has been on military or disability leave, disability
5 retirement status, or leave of absence status. Nothing in this chapter
6 shall be deemed to prevent any employer from adopting higher medical
7 and health standards than those which are adopted by the retirement
8 board.

9 as follows:

10 (1) The normal rate of contribution of members shall be those

2 with regular interest to an individual account of the member for whom
3 the contribution was made.

4 Every member shall be deemed to consent and agree to the
5 contribution made and provided for herein, and shall receipt in full
6 for his or her salary or compensation. Payment less said contribution
7 shall be a full and complete discharge of all claims and demands
8 whatsoever for the service rendered by such person during the period

10 which he or she may be entitled under the provisions of this chapter.

11 (3) At the end of each payroll period, the board shall determine
12 the aggregate amount of the normal contributions for such period, and
13 shall certify such aggregate to the city comptroller, who shall

17 the period received from members.

18 (4) Any member may elect to contribute at rates in excess of those
19 provided for in subdivision (1) of this section, for the purpose of
20 providing additional benefits, but the exercise of this privilege by a
21 member shall not place on the city any additional financial obligation.

33 be allowed in computing service: PROVIDED, HOWEVER, That any member
34 shall be given credit for any period served by him or her in the
35 national guard, or in the United States army, navy, or marine corps,
36 upon the call of the president, if at the time of such service such
37 member was a regular employee under leave of absence. Certificate of

1 honorable discharge from and/or documentary evidence of such service
2 shall be submitted to the board in order to obtain credit for such
3 service.

4 Each member shall file with the board such information affecting
5 his or her status as a member of the retirement system as the board may
6 require.

7 (2) The board shall grant credit for prior service to each member
8 entering the retirement system on July 1, 1939, and to each member
9 entering after that date, if such entry is within one year after
10 rendering service prior to July 1, 1939: PROVIDED, HOWEVER, That the
11 board may grant credit for prior service to those entering the
12 retirement system after July 1, 1939, where the employee, because of
13 sickness or other disability, has been on leave of absence, regularly
14 granted, since discontinuance of city service, regardless of the length
15 of such leave. No prior service credit shall be used as a basis for
16 retirement or other benefit unless the membership continues until
17 retirement on a retirement allowance or until the granting of other
18 benefits.

19 **Sec. 47.** RCW 41.28.080 and 1983 c 3 s 93 are each amended to read
20 as follows:

21 (1) There is hereby created and established a board of
22 administration in each city coming under this chapter, which shall,
23 under the provisions of this chapter and the direction of the city
24 council or city commission, administer the retirement system and the
25 retirement fund created by this chapter. Under and pursuant to the
26 direction of the city council or city commission, the board shall
27 provide for the proper investment of the moneys in the said retirement
28 fund.

29 (2) The board of administration shall consist of seven members, as
30 follows: Three members appointed by the regular appointing authority
31 of the city, and three employees who are eligible to membership in the
32 retirement system, to be elected by the employees. The above six
33 members shall appoint the seventh member.

34 (3) The investment of all or any part of the retirement fund shall
35 be subject to chapter 35.39 RCW.

36 (4) Subject to such provisions as may be prescribed by law for the
37 deposit of municipal funds in banks, cash belonging to the retirement

1 fund may be deposited in any licensed national bank or in any bank,
2 banks or corporations authorized or licensed to do a banking business
3 and organized under the laws of the state of Washington.

4 (5) The city treasurer shall be the custodian of the retirement
5 fund. All payments from said fund shall be made by the city treasurer
6 but only upon warrant duly executed by the city comptroller.

7 (6) Except as herein provided, no member and no employee of the
8 board of administration shall have any interest, direct or indirect, in
9 the making of any investments from the retirement fund, or in the gains
10 or profits accruing therefrom. And no member or employee of said
11 board, directly or indirectly, for himself or herself or as an agent or
12 partner of others, shall borrow any of its funds or deposits or in any
13 manner use the same except to make such current and necessary payments
14 as are authorized by said board; nor shall any member or employee of
15 said board become an endorser or surety or become in any manner an
16 obligor for moneys invested by the board.

17 **Sec. 48.** RCW 41.28.110 and 1939 c 207 s 12 are each amended to
18 read as follows:

19 (1) Should the service of a member be discontinued, except by death
20 or retirement, he or she shall be paid not later than six months after
21 the day of discontinuance such part of his or her accumulated
22 contributions as he or she shall demand: PROVIDED, HOWEVER, That a
23 member may appeal to the board and by unanimous vote, the board may
24 grant a request for immediate withdrawal of contributions. If in the
25 opinion of the board said member is permanently separated from service
26 by reason of such discontinuance he or she shall be paid forthwith all
27 of his or her accumulated contributions with interest: AND PROVIDED
28 ALSO, That the board may, in its discretion, withhold for not more than
29 one year after a member last rendered service all or part of his or her
30 accumulated normal contributions if after a previous discontinuance of
31 service he or she withdrew all or part of his or her accumulated normal
32 contributions and failed to redeposit such withdrawn amount in the
33 retirement fund as provided in this section: PROVIDED FURTHER, That
34 the city shall receive credit for the full amount deposited by the city
35 in the retirement fund for such member's benefit plus interest. Any
36 member may redeposit in the retirement fund an amount equal to that
37 which he or she previously withdrew therefrom at the last termination

1 of his or her membership, such redeposit to be paid into the retirement
2 fund in accordance with rules established by the board. If a member
3 upon reentering the retirement system after a termination of his or her
4 membership shall not make such a redeposit as hereinabove provided, the
5 rate of his or her contributions for future years shall be the normal
6 rate provided for in RCW 41.28.040(1) at his or her age of reentrance;
7 otherwise his or her rate of contribution for future years shall be the
8 same as his or her rate prior to the termination of his or her
9 membership. In the event such redeposit is made by a member, an amount
10 equal to the accumulated normal contributions so redeposited shall
11 again be held for the benefit of said member, and shall no longer be
12 included in the amounts available to meet the obligations of the city
13 on account of benefits that have been granted or liabilities that have
14 been assumed on account of prior service of members, and the city shall
15 reinstate the prior service credit for such member.

16 **Sec. 49.** RCW 41.28.120 and 1967 c 185 s 3 are each amended to read
17 as follows:

18 Retirement of member for service shall be made by the board of
19 administration as follows:

20 (1) Each member in the city service on June 8, 1967, who, on or
21 before such effective date, has attained the age of sixty-five years or
22 over, shall be forthwith retired on the first day of the calendar month
23 next succeeding the month in which the employee shall have attained the
24 age of sixty-five: PROVIDED, That none of such members shall be
25 subject to compulsory retirement for a period of five years following
26 said effective date, but during such period any member having attained
27 the age of sixty-five may voluntarily retire after attaining such age.
28 Members attaining the age of sixty-five after June 8, 1967 shall be
29 retired on the first day of the calendar month next succeeding the
30 month in which the member shall have attained the age of sixty-five,
31 but none of such members shall be subject to compulsory retirement
32 until five years after said effective date: PROVIDED, FURTHER, That
33 any member attaining the age of seventy years during said five year
34 period shall be forthwith retired on the first day of the calendar
35 month next succeeding the month in which the employee shall have
36 attained the age of seventy years, except as otherwise provided in this
37 chapter. The board shall extend the time of retirement for any member

1 hired prior to June 8, 1967 so as to enable said member to qualify for
2 retirement benefits under this chapter, but in no event should such
3 extension extend beyond the age of seventy years.

4 (2) Any member in the city service may retire by filing with the
5 board a written application, stating when he or she desires to be
6 retired, such application to be made at least thirty days prior to date
7 of retirement: PROVIDED, HOWEVER, That said member, at the time
8 specified for his or her retirement, shall have completed ten years of
9 city service as defined in this chapter, and shall have attained the
10 age of fifty-seven years, or shall have completed thirty years of city
11 service as defined in this chapter. Permanent discontinuance of city
12 service after age of fifty-seven shall entitle the member to his or her
13 retirement allowance: PROVIDED, That such employee has had at least
14 ten years of city service to his or her credit: AND PROVIDED FURTHER,
15 That permanent discontinuance of city service after the completion of
16 thirty years of city service shall entitle the member to his or her
17 retirement allowance.

19 as follows:

15 (2) If the retirement allowance of the member as provided in this
16 section, exclusive of any annuity purchased by his or her accumulated
17 additional contributions, is in excess of two-thirds of his or her
18 final salary, the pension of the member, purchased by the contributions
19 of the city, shall be reduced to such an amount as shall make the
20 member's retirement allowance, exclusive of any annuity purchased by
21 his or her accumulated additional contributions, equal to two-thirds of
22 his or her final salary, and the actuarial equivalent of such reduction
23 shall remain in the retirement fund to the credit of the city:
24 PROVIDED, That the retired member will be granted a cost of living

32 (3) Any member, who enters the retirement system on July 1, 1939,

10 **Sec. 51.** RCW 41.28.140 and 1939 c 207 s 15 are each amended to
11 read as follows:

12 Any member while in city service may be retired by the board of
13 administration for permanent and total disability, either ordinary or
14 accidental, upon examination, as follows:

15 (1) Any member who has not attained the age of sixty-five years and
16 who has at least ten years of city service as defined in this chapter,
17 to his or her credit: PROVIDED, That the required ten years of city
18 service shall have been credited to the member over a period of not to
19 exceed fifteen years immediately preceding retirement, within three
20 months after the discontinuance of city service, or while physically or
21 mentally incapacitated for the performance of duty, if such incapacity
22 has been continuous from discontinuance of city service, shall be
23 examined by a physician or surgeon, appointed by the board of
24 administration upon the application of the head of the office or
25 department in which said member is employed, or upon application of
26 said member, or a person acting in his or her behalf, stating that said
27 member is permanently and totally incapacitated, either physically or
28 mentally, for the performance of duty and ought to be retired. If such
29 medical examination shows, to the satisfaction of the board, that the
30 said member is permanently and totally incapacitated either physically
31 or mentally for the performance of duty and ought to be retired, the
32 board shall retire the said member for disability forthwith.

33 (2) The board shall secure such medical services and advice as it
34 may deem necessary to carry out the purpose of this section and of RCW
35 41.28.160, and shall pay for such medical services and advice such
36 compensation as the board shall deem reasonable.

1 **Sec. 52.** RCW 41.28.150 and 1963 c 91 s 2 are each amended to read
2 as follows:

3 (1) Upon retirement for disability, as hereinabove provided:
4 PROVIDED, The disability is not due to intemperance, (~~wilful~~) willful
5 misconduct or violation of law, of which the board shall be the judge,
6 a member shall receive a retirement allowance which shall consist of:

7 (a) An annuity which shall be the actuarial equivalent of his or
8 her accumulated contributions at the time of his or her retirement.

9 (b) A pension purchased by the contributions of the city, which,
10 together with his or her annuity provided by his or her accumulated
11 normal contributions, shall make the retirement allowance, exclusive of
12 the annuity provided by his or her additional contributions equal to
13 (i) one and one-fourth percent of his or her final compensation
14 multiplied by the number of years of service which would be creditable
15 to him or her were his or her services to continue until attainment by
16 him or her of age sixty-two. The minimum disability retirement
17 allowance shall be nine hundred sixty dollars per year.

18 (2) If disability is due to intemperance, (~~wilful~~) willful
19 misconduct or violation of law on the part of the member, the board of
20 administration in its discretion may pay to said member in one lump
21 sum, his or her accumulated contributions, in lieu of a retirement
22 allowance, and such payment shall constitute full satisfaction of all
23 obligations of the city to such member, and upon receipt of such
24 payment he or she shall cease to be a member of the retirement system.

25 (3) Upon the death of a member while in receipt of a disability
26 retirement allowance, his or her accumulated contributions, as they
27 were at the date of his or her retirement, less any annuity payments
28 made to him or her, shall be paid to his or her estate, or to such
29 persons having an insurable interest in his or her life as he or she
30 shall have nominated by written designation duly executed and filed
31 with the board.

32 **Sec. 53.** RCW 41.28.160 and 1939 c 207 s 17 are each amended to
33 read as follows:

34 (1) The board of administration may at its pleasure require any
35 disability beneficiary under age sixty-two years to undergo medical
36 examination to be made by a physician or surgeon appointed by the
37 board, at a place to be designated by the board. Upon the basis of

1 such examination the board shall determine whether such disability
2 beneficiary is still totally and permanently incapacitated either
3 mentally or physically for service in the office or department of the
4 city where he or she was employed or in any other city service for
5 which he or she is qualified. If the board of administration shall
6 determine that said beneficiary is not so incapacitated, his or her
7 retirement allowance shall be canceled and he or she shall be
8 reinstated forthwith in the city service.

9 (2) Should a disability beneficiary reenter the city service and be
10 eligible for membership in the retirement system in accordance with RCW
11 41.28.030(1), his or her retirement allowance shall be canceled and he
12 or she shall immediately become a member of the retirement system, his
13 or her rate of contribution for future years being that established for
14 his or her age at the time of reentry. His or her individual account
15 shall be credited with his or her accumulated contributions less the
16 annuity payments made to him or her. An amount equal to the
17 accumulated normal contributions so credited to him or her shall again
18 be held for the benefit of said member and shall no longer be included
19 in the amounts available to meet the obligations of the city on account
20 of benefits that have been granted and on account of prior service of
21 members. Such member shall receive credit for prior service in the
22 same manner as if he or she had never been retired for disability.

23 (3) Should any disability beneficiary under age sixty-two years
24 refuse to submit to medical examination, his or her pension may be
25 discontinued until his or her withdrawal of such refusal, and should
26 refusal continue for one year, his or her retirement allowance may be
27 canceled. Should said disability beneficiary, prior to attaining age
28 sixty-two years, engage in a gainful occupation not in city service, or
29 should he or she reenter the city service and be ineligible for
30 membership in the retirement system in accordance with RCW
31 41.28.030(2), the board of administration shall reduce the amount of
32 his or her retirement allowance to an amount, which when added to the
33 compensation earned by him or her in such occupation shall not exceed
34 the amount of the final compensation on the basis of which his or her
35 retirement allowance was determined. Should the earning capacity of
36 such beneficiary be further altered, the board may further alter his or
37 her retirement allowance to an amount which shall not exceed the amount
38 upon which he or she was originally retired, but which, subject to such

1 limitation shall equal, when added to the compensation earned by him or
2 her, the amount of his or her final compensation on the basis of which
3 his or her retirement allowance was determined. When said disability
4 beneficiary reaches the age of sixty-two years, his or her retirement
5 allowance shall be made equal to the amount upon which he or she was
6 originally retired, and shall not again be modified for any cause
7 except as provided in RCW 41.28.220.

8 (4) Should the retirement allowance of any disability beneficiary
9 be canceled for any cause other than reentrance into the city service
10 he or she shall be paid his or her accumulated contributions, less
11 annuity payments made to him or her.

12 **Sec. 54.** RCW 41.28.170 and 1967 c 185 s 5 are each amended to read
13 as follows:

29 interest in his or her life as he or she shall nominate by written
30 designation duly executed and filed with the board.

31 Option B. The lesser retirement allowance shall be payable to a

4 equal the amount of his or her accumulated contributions as it was at
5 the date of his or her retirement.

6 Option C. The member shall elect a "guaranteed period" of any
7 number of years. If he or she dies before the lesser retirement
8 allowance has been paid to him or her for the number of years elected
9 by him or her as the "guaranteed period", the lesser retirement
10 allowance shall be continued to the end of the "guaranteed period", and
11 during such continuation shall be paid to his or her estate or to such
12 person having an insurable interest in his or her life as he or she
13 shall nominate by written designation duly executed and filed with the
14 board.

15 Option D. The lesser retirement allowance shall be payable to the
16 member throughout life, and after the death of the member, one-half of
17 the lesser retirement allowance shall be continued throughout the life
18 of and paid to the wife or husband of the member.

19 Option E. The lesser retirement allowance shall be payable to the
20 member throughout life, and after death of the member it shall be
21 continued throughout the life of and paid to the wife or husband of the
22 member.

34 of Washington may elect to again become a member of the retirement
35 system: PROVIDED, That if such a retired teacher elects to be restored

1 before he or she will be eligible to retire under the provision of a
2 formula other than the one in effect at the time of his or her previous
3 retirement: PROVIDED FURTHER, That where any such right to again
4 retire is exercised to become effective before a member has established
5 two full years of service credit he or she may elect to retire only
6 under the provisions of the formula in effect at the time of his or her
7 previous retirement: AND PROVIDED FURTHER, That this section shall not
8 apply to any individual who has returned to service and is presently in

31 in the teachers' retirement system shall in no way be altered or
32 impaired by this plan or by the additional and supplementary OASI

35 subsection (10) of this section or this subsection in order to assure
36 the correctness and verification thereof.

37 (12) The governing body of each political subdivision shall
38 designate an officer of the subdivision to administer such accounting,

25 entirety with respect to any political subdivision, in his or her
26 discretion, if he or she finds that the subdivision has failed to
27 comply substantially with any requirement or provision of this plan.

29 opportunity for hearing thereon have been given to the subdivision
30 under such conditions, consistent with the provisions of the social
31 security act, as shall have been established in regulations by the
32 governor.

14 state employees' retirement system until this plan has been approved by

30 contribution ((~~fund~~)) account not later than the twentieth calendar day

9 per annum by action in a court of competent jurisdiction against the
10 political subdivision; or such delinquent contributions may at the
11 request of the governor be deducted from any moneys payable to such
12 subdivision by the state.

13 (10) Each political subdivision shall be charged with a share of
14 the cost of administration of this plan by the state, to be computed as
15 that proportion of the overall cost of administration which its total
16 annual contributions bear to the total annual contributions paid by all
17 subdivisions on behalf of employees covered by the plan. The state
18 shall compute the share of cost allocable to each subdivision and bill
19 the subdivision therefor at the end of each fiscal year. The
20 subdivision shall within ninety days thereafter remit its share of the
21 cost to the state for deposit in the general fund of the state.

22 (11) Each political subdivision shall submit to the state, through
23 the employment security department, P.O. Box 367, Olympia, Washington,

9 thereof.

10 (13) The governing body of each political subdivision shall
11 designate an officer of the subdivision to administer such accounting,

34 comply substantially with any requirement or provision of this plan.
35 The plan shall not be so terminated until reasonable notice and
36 opportunity for hearing thereon have been given to the subdivision
37 under such conditions, consistent with the provisions of the social

1 security act, as shall have been established in regulations by the
2 governor.

5 (4) If sickness, injury, or service in the armed forces of the
6 United States during the national emergency identified with World War
7 I or World War II and/or service in the armed forces of the United
8 States of America for extended active duty by any employee who shall
9 have been regularly granted a leave of absence from the city service by
10 reason thereof, prevents any regular employee from being in service on
11 the effective date, the board shall grant prior service credit to such
12 person when he or she is again employed. The legislative authority in
13 each participating city shall specify the amount of prior service to be
14 granted or current service credit to be made available to such
15 employees: PROVIDED, That in no case shall such service credit exceed
16 five years. Certificate of honorable discharge from or documentary
17 evidence of such service shall be submitted to the board before any
18 such credit may be granted or made available. Prior or current service
19 rates, or both, for such employees shall not exceed the rates
20 established for fellow employees.

21 (5) There shall be granted to any person who was an employee of a
22 private enterprise or a portion thereof which shall be hereafter
23 acquired by a city as a matter of public convenience or necessity,
24 where it is in the public interest to retain the trained personnel of
25 such enterprise or portion thereof, credit for prior service for the
26 period such person was actually employed by such private enterprise,
27 except that this shall apply only to those persons who shall be
28 employees of such enterprise or portion thereof at the time of its
29 acquisition by the city and who remain in the service of such city
30 until the effective date of membership of such person under this
31 chapter.

32 There shall be granted to any person who was an employee of any
33 state association of cities and towns, which association elects to
34 participate in the retirement system established by this chapter,
35 credit for prior service for the period such person was actually
36 employed by such association, except that this shall apply only to

1 those persons who shall be employees of such association on May 21,
2 1971.

3 Credit for such prior service shall be given only if payment for
4 the additional cost of including such service has been made or if
5 payment of such additional cost or reimbursement therefor has been
6 otherwise provided for to the satisfaction of the board or if such
7 person be entitled to any private pension or retirement benefits as a
8 result of such service with such private enterprise, credit will be
9 given only if he or she agrees at the time of his or her employment by
10 the municipality to accept a reduction in the payment of any benefits
11 payable under this chapter that are based in whole or in part on such
12 added and accredited service by the amount of these private pension or
13 retirement benefits received. The conditions and limitations provided
14 for in this subsection (5) shall be embodied in any certificate of
15 prior service issued or granted by the board where any portion of the
16 prior service credited under this subsection is included therein.

17 The city may receive payments for these purposes from a third party
18 and shall make from such payments contributions with respect to such
19 prior service as may be necessary to enable the fund to assume its
20 obligations.

21 **Sec. 66.** RCW 41.44.130 and 1965 ex.s. c 99 s 3 are each amended to
22 read as follows:

23 (1) The normal rates of contribution of members shall be based on
24 sex and age at time of entry into the system, which age shall be the
25 age at the birthday nearest the date of such entry.

26 (2) The normal rates of contribution for miscellaneous personnel
27 shall be so fixed as to provide an annuity which, together with the
28 pension provided by the city, shall produce as nearly as may be, a
29 retirement allowance at the age of sixty-two years, of one and one-
30 third percent of the final compensation multiplied by the number of
31 years of service of the retiring employee. The normal rate established
32 for age sixty shall be the rate for any member who has attained a
33 greater age before entrance into the retirement system and the normal
34 contribution established for age twenty-four shall be the rate for any
35 member who enters the system at an earlier age.

36 (3) The normal rates of contribution for uniformed personnel shall
37 be so fixed as to provide an annuity which, together with the pension

1 that would be derived from equal contributions by the city, shall
2 produce as nearly as may be for members who enter service at age
3 thirty-seven or below, a retirement allowance, at age fifty-five with
4 twenty-five or more years of service, or at an age greater than fifty-
5 five after twenty-five years of service, equal to fifty percent of
6 final compensation; and for members entering service at ages over
7 thirty-seven, a retirement allowance at age sixty-two which shall be
8 the same proportion of fifty percent of final compensation as the
9 member's actual years credited bear to twenty-five years. The normal
10 rate established for age fifty shall be the rate for any member who has
11 attained a greater age before entrance into the retirement system.

12 (4) Subject to the provisions of this chapter, the board shall
13 adopt rules and regulations governing the making of deductions from the
14 compensation of employees and shall certify to the proper officials in
15 each city the normal rate of contribution for each member provided for
16 in subsections (2) and (3) of this section. The proper officials in
17 each city shall apply such rate of contribution to the full
18 compensation of uniformed personnel and to so much of the compensation
19 of miscellaneous personnel as does not exceed three hundred dollars per
20 month, or four hundred dollars per month, or to any increased amount of
21 such compensation as to members whose member cities have duly elected
22 to increase the limitation provided for in subsection (12) of RCW
23 41.44.030 and shall certify to the board on each and every payroll the
24 total amount to be contributed and shall furnish immediately to the
25 board a copy of each and every payroll; and each of said amounts shall
26 be forwarded immediately to the board and the board shall credit the
27 deduction shown on such payroll to individual accounts of the members
28 represented on such payrolls.

29 (5) Every member shall be deemed to consent and agree to the
30 contribution made and provided for herein, and shall receipt in full
31 for his or her salary or compensation. Payment less said contributions
32 shall be a full and complete discharge of all claims and demands
33 whatsoever for the service rendered by such person during the period
34 covered by such payment, except his or her claim to the benefits to
35 which he or she may be entitled under the provisions of this chapter.

36 (6) Any member may elect to contribute in excess of the
37 contributions provided for in this section in accordance with rules to
38 be established by the board for the purpose of providing additional

1 benefits, but the exercise of this privilege shall not place on the
2 member city or cities any additional financial obligation. The board
3 shall have authority to fix the rate of interest to be paid or allowed
4 upon the additional contributions and from time to time make any
5 necessary changes in said rate. Refunds of additional contributions
6 shall be governed by the same rules as those covering normal
7 contributions unless the board shall establish separate rules therefor.

31 (5) After the retirement of any employee, any member city, by
32 unanimous vote of its legislative body and with the consent of the
33 board, may reemploy or retain such employee in its service to fill a
34 supervisory or key position.

35 **Sec. 68.** RCW 41.44.150 and 1965 ex.s. c 99 s 5 are each amended to
36 read as follows:

1 (1) A member upon retirement for service, shall receive a
2 retirement allowance subject to the provisions of subsection (2) of
3 this section, which shall consist of:

4 (a) An annuity which shall be the actuarial equivalent of his or
5 her accumulated normal contributions at the time of his or her
6 retirement; and

8 the annuity purchased by the accumulated normal contributions of the
9 member;

10 (c) For any member having credit for prior service an additional
11 pension, provided by the contributions of the city, as set forth in RCW
12 41.44.120 at the rate selected by the city employing the member;

13 (d) Any member, excepting a part time employee, who has ten or more
14 years of creditable service and who is retired by reason of attaining
15 the age of sixty-five or over if included in the miscellaneous
16 personnel or the age of fifty-five or over if included in the uniformed
17 personnel, and whose retirement allowance is calculated to be less than
18 sixty dollars per month, shall receive such additional pension,
19 provided by the contributions of the city, as will make his or her

21 annuity purchased by accumulated additional contributions in such case
22 shall be paid in addition to the minimum guaranteed as herein provided.
23 A part time employee having ten or more years of creditable service,

25 and whose retirement allowance is calculated to be less than forty
26 dollars per month, shall receive such additional pension, provided by
27 the contributions of the city, as will make the total retirement
28 allowance equal to forty dollars per month, together with an annuity
29 purchased by his or her accumulated additional contributions, if any,
30 in addition to the minimum guaranteed.

31 Nothing herein contained shall be construed in a manner to increase
32 or to decrease any pension being paid or to be paid to a member retired
33 prior to June 11, 1953.

34 (e) Any member, excepting a part time employee, who has been or is
35 retired by reason of attaining the age of sixty-five or over if
36 included in the miscellaneous personnel or the age of fifty-five or
37 over if included in the uniformed personnel, and whose retirement
38 allowance is calculated to be less than sixty dollars per month, shall

1 receive such additional pension, provided by the contributions of the
2 city, as will make his or her total retirement allowance equal to six
3 dollars per month for each year of his or her creditable service:
4 PROVIDED, That the total additional retirement allowance shall be
5 limited to an amount equal to such amount as will make his or her total
6 retirement allowance not more than sixty dollars per month. An annuity
7 purchased by accumulated additional contributions, if any, in such case
8 shall be paid in addition to the minimum guaranteed, as herein
9 provided.

10 Nothing herein contained shall be construed in a manner to increase
11 or to decrease any pension being paid or to be paid to a member retired
12 prior to June 11, 1953.

13 (f) The normal retirement age for uniformed personnel shall be age
14 fifty-five with twenty-five years of creditable service, or shall be at
15 an age greater than age fifty-five upon the completion of twenty-five
16 years or more of creditable service. Upon retirement at the normal
17 age, the retirement allowance shall be equal to fifty percent of final

19 age, the retirement allowance shall be the same proportion of fifty
20 percent of final compensation as the member's actual years of service
21 bears to the years of service that were or would have been served up to
22 the normal retirement age: PROVIDED, That if retirement occurs prior
23 to the normal age of retirement, said allowance shall be the actuarial
24 equivalent of said allowance at the normal age of retirement.

25 Nothing herein contained shall be construed in a manner to increase
26 or to decrease any pension being paid or to be paid to a member retired
27 prior to August 6, 1965.

29 section, is in excess of three-fourths of his or her final
30 compensation, the pension of the member, purchased by the contributions
31 of the city, shall be reduced to such an amount as shall make the
32 member's retirement allowance equal to three-fourths of his or her
33 final compensation, except as provided in subdivision (3) of this
34 section.

35 (3) A member, upon retirement from service, shall receive in
36 addition to the retirement allowance provided in this section, an
37 additional annuity which shall be the actuarial equivalent of any

1 accumulated additional contributions which he or she has to his or her
2 credit at the time of his or her retirement.

3 **Sec. 69.** RCW 41.44.160 and 1965 ex.s. c 99 s 6 are each amended to
4 read as follows:

5 Any member who has at least ten years of creditable service within
6 the fifteen years immediately preceding retirement and has not attained
7 the age of sixty-five years, or who attains or has attained the age of
8 sixty-five years prior to two years after the effective date, may be
9 retired by the board for permanent and total disability, either
10 ordinary or accidental not incurred in line of duty, and any member,
11 regardless of his or her age or years of service, may be retired by the
12 board for any permanent and total disability incurred in line of duty,
13 upon examination as follows:

14 Any member while in service, or while physically or mentally
15 incapacitated for the performance of duty, if such incapacity has been
16 continuous from discontinuance of city service, shall be examined by
17 such medical authority as the board shall employ, upon the application
18 of the head of the office or department in which the member is employed
19 with approval of the legislative body, or upon application of said
20 member, or a person acting in his or her behalf, stating that said
21 member is permanently and totally incapacitated, either physically or
22 mentally, for the performance of duty and ought to be retired. If
23 examination shows, to the satisfaction of the board, that the member
24 should be retired, he or she shall be retired forthwith: PROVIDED,
25 That no such application shall be considered or granted upon the
26 application of a member unless said member or someone in his or her
27 behalf, in case of the incapacity of a member, shall have filed the
28 application within a period of one year from and after the
29 discontinuance of service of said member: PROVIDED, The board shall
30 retire the said member for disability forthwith: PROVIDED, That the
31 disability retirement allowance shall be effective on the first of the
32 month following that in which the member last received salary or wages
33 in city service.

34 The board shall secure such medical services and advice as it may
35 deem necessary to carry out the purpose of this section and RCW
36 41.44.180.

1 **Sec. 70.** RCW 41.44.170 and 1973 1st ex.s. c 154 s 78 are each
2 amended to read as follows:

3 On retirement for permanent and total disability not incurred in
4 line of duty a member shall receive a retirement allowance which shall
5 consist of:

6 (1) An annuity which shall be the actuarial equivalent of his or
7 her accumulated normal contributions; and

8 (2) A pension provided by the contributions of the city which,
9 together with his or her annuity provided by his or her accumulated
10 normal contributions, shall make his or her retirement allowance equal
11 to thirty percent of his or her final compensation for the first ten
12 years of service, which allowance shall be increased by one and one-
13 half percent for each year of service in excess of ten years to a
14 maximum of fifty percent of his or her final compensation; otherwise he
15 or she shall receive a retirement allowance of forty dollars per month
16 or, except as to a part time employee, such sum, monthly, not in excess
17 of sixty dollars per month, as is equal to six dollars per month for
18 each year of his or her creditable service, whichever is greater. If
19 the retirement allowance of a part time employee, based upon the
20 pension hereinabove provided, does not exceed forty dollars per month,
21 then such part time employee shall receive a retirement allowance of
22 forty dollars per month and no more.

23 Nothing herein contained shall be construed in a manner to increase
24 or to decrease any pension being paid or to be paid to a member retired
25 prior to August 6, 1965.

26 (3) If it appears to the satisfaction of the board that permanent
27 and total disability was incurred in line of duty, a member shall
28 receive in lieu of the retirement allowance provided under subdivisions
29 (1) and (2) of this section full pay from, and be furnished all
30 hospital and medical care by, the city for a period of six months from
31 the date of his or her disability, and commencing at the expiration of
32 such six month period, shall receive a retirement allowance, regardless
33 of his or her age or years of service, equal to fifty percent of his or
34 her final compensation exclusive of any other benefit he or she may
35 receive.

36 (4) No disability retirement allowance shall exceed seventy-five
37 percent of final compensation, anything herein to the contrary
38 notwithstanding, except as provided in subdivision (7) of this section.

1 (5) Upon the death of a member while in receipt of a disability
2 retirement allowance, his or her accumulated contributions, as they
3 were at the date of his or her retirement, less any annuity payments
4 made to him or her, shall be paid to his or her estate, or to such
5 persons having an insurable interest in his or her life as he or she
6 shall have nominated by written designation duly executed and filed
7 with the board. In the alternative, if there be a surviving spouse, or
8 if no surviving spouse, there are surviving a child or children under
9 the age of eighteen years, upon written notice to the board by such
10 spouse, or if there be no such spouse, by the duly appointed, qualified
11 and acting guardian of such child or children, within sixty days of the
12 date of such member's death, there shall be paid to such spouse during
13 his or her lifetime, or, if there be no such spouse, to such child or
14 children, until they shall reach the age of eighteen years, a monthly
15 pension equal to one-half of the monthly final compensation of such
16 deceased member. If any such spouse or child or children shall marry,
17 then such person so marrying shall thereafter receive no further
18 pension herein provided.

19 (6) If disability is due to intemperance, (~~willful~~) willful
20 misconduct, or violation of law, on the part of the member, the board,
21 in its discretion, may pay to said member, in one lump sum his or her
22 accumulated contribution, in lieu of a retirement allowance, and such
23 payment shall constitute full satisfaction of all obligations of the
24 city to such member.

25 (7) In addition to the annuity and pension provided for in
26 subdivisions (1) and (2) of this section, a member shall receive an
27 annuity which shall be the actuarial equivalent of his or her
28 accumulated additional contributions.

29 **Sec. 71.** RCW 41.44.180 and 1961 c 227 s 8 are each amended to read
30 as follows:

31 (1) The board may, at its pleasure, require any disability
32 beneficiary under age sixty-two in the miscellaneous personnel and
33 under age fifty-five in the uniformed personnel to undergo medical
34 examination by medical authority designated by the board. Upon the
35 basis of such examination the board shall determine whether such
36 disability beneficiary is still totally and permanently incapacitated,
37 either physically or mentally, for service in the office or department

1 of the city where he or she was employed or in any other position in
2 that city, the duties of which he or she might reasonably be expected
3 to carry out.

4 (2) If the board shall determine that the beneficiary is not so
5 incapacitated his or her retirement allowance shall be canceled and he
6 or she shall be reinstated forthwith in city service. If the city is
7 unable to find employment for a disability beneficiary found to be no
8 longer totally and permanently disabled, the board shall continue the
9 disability retirement allowance of the beneficiary until such time as
10 employment is available, except as provided in paragraph (4) of this
11 section.

12 (3) Should a disability beneficiary reenter city service and be
13 eligible for membership in the retirement system, his or her retirement
14 allowance shall be canceled and he or she shall immediately become a
15 member of the retirement system, his or her rate of contribution for
16 future years being that established for his or her age at the time of
17 such reentry. His or her individual account shall be credited with his
18 or her accumulated contributions less the annuity payments made to him
19 or her. An amount equal to the accumulated normal contributions so
20 credited to him or her shall again be held for the benefit of said
21 member and shall no longer be included in the amounts available to meet
22 the obligations of the city on account of benefits that have been
23 granted. Such member shall receive credit for prior service in the
24 same manner as if he or she had never been retired for disability.

25 (4) Should any disability beneficiary under age sixty-two in the
26 miscellaneous personnel or under age fifty-five in the uniformed
27 personnel, refuse to submit to medical examination, his or her
28 retirement allowance may be discontinued until his or her withdrawal of
29 such refusal, and should refusal continue for one year, his or her
30 retirement allowance may be canceled. Should said disability
31 beneficiary, prior to attaining age sixty-two or age fifty-five, as the
32 case may be, engage in a gainful occupation the board shall reduce the
33 amount of his or her retirement allowance to an amount, which when
34 added to the compensation earned by him or her in such occupation,
35 shall not exceed the amount of the final compensation on the basis of
36 which his or her retirement allowance was determined. Should the
37 earning capacity of such beneficiary be further altered, the board may
38 further alter his or her retirement allowance as indicated above. When

1 said disability beneficiary reaches age sixty-two, if included in the
2 miscellaneous personnel, or age fifty-five, in the uniformed personnel,
3 his or her retirement allowance shall be made equal to the amount upon
4 which he or she was originally retired, and shall not again be modified
5 for any cause except as provided in RCW 41.44.250.

6 (5) Should the retirement allowance of any disability beneficiary
7 be canceled for any cause other than reentrance into city service, he
8 or she shall be paid his or her accumulated contributions, less annuity
9 payments made to him or her.

10 **Sec. 72.** RCW 41.44.190 and 1967 ex.s. c 28 s 5 are each amended to
11 read as follows:

12 (1) Should service of a member of the miscellaneous personnel be
13 discontinued except by death or retirement, he or she shall be paid six
14 months after the day of discontinuance such part of his or her
15 accumulated contributions as he or she shall demand. Six months after
16 the date of such discontinuance, unless on leave of absence regularly
17 granted, or unless he or she has exercised the option hereinafter
18 provided, his or her rights to all benefits as a member shall cease,
19 without notice, and his or her accumulated contributions shall be
20 returned to him or her in any event or held for his or her account if
21 for any reason the return of the same is prevented. Should service of
22 a member of the uniformed personnel be discontinued except by death or
23 retirement, he or she shall be paid six months after the day of
24 discontinuance such part of his or her accumulated contributions as he
25 or she shall demand, and six months after the date of such
26 discontinuance, unless on leave of absence regularly granted, his or
27 her rights to all benefits as a member shall cease, without notice, and
28 his or her accumulated contributions shall be returned to him or her in
29 any event, or held for his or her account if for any reason the same is
30 prevented: PROVIDED, That the board may in its discretion, grant the
31 privilege of withdrawal in the amounts above specified at any time
32 following such discontinuance. Any member whose service is
33 discontinued except by death or retirement, and who has five or more
34 years of creditable service when such discontinuance occurs, may, at
35 his or her option, leave his or her accumulated contributions in the
36 fund and thereby be entitled to receive a deferred retirement allowance
37 commencing at retirement age sixty for miscellaneous personnel and at

1 age fifty-five for uniformed personnel, such retirement allowance to be
2 computed in the same manner provided in subsection (1) of RCW
3 41.44.150: PROVIDED, That this option may be revoked at any time prior
4 to commencement of annuity payments by filing a written notice of such
5 intention with the board together with a written application for a
6 refund of such accumulated contributions. The board may establish
7 rules and regulations to govern withdrawal and redeposit of
8 contributions.

9 (2) Should a former member, within five years after discontinuance
10 of service, return to service in the same city in which he or she was
11 employed he or she may restore to the fund in such manner as may be
12 agreed upon by such person and the board, his or her withdrawn normal
13 accumulated contributions as they were at the time of his or her
14 separation from service and upon completion of such redeposit all his
15 or her rights and privileges existing at the time of discontinuance of
16 service shall be restored and his or her obligations as a member shall
17 begin again. The rate of contribution of such returning member shall
18 be the same as it was at the time he or she separated from service.

19 (3) Upon the death of any person who has not been retired, pursuant
20 to the provisions hereof, there shall be paid to his or her estate, or
21 to such persons having an insurable interest in his or her life as he
22 or she shall have nominated by written designation duly executed and
23 filed with the board, his or her accumulated contributions less any
24 payments therefrom already made to him or her. Such payment may be
25 made in one lump sum or may be paid in installments over a period of
26 not to exceed five years, as may be designated by the member or his or
27 her beneficiary, with such rate of interest as may be determined by the
28 board.

29 (4) In lieu of the death benefit otherwise payable under subsection
30 (3) of this section, there shall be paid a total allowance equal to
31 one-fourth average final compensation per month to the surviving spouse
32 of a member with at least twenty years service as such, at the time of
33 death and who has not been retired and who, by reason of membership in
34 the system, is covered by the Old Age and Survivors Insurance
35 provisions of the Federal Social Security Act, but not at the time of
36 death qualified to receive the benefits thereof. Said allowance shall
37 become payable upon the death of said member or upon the date the
38 surviving spouse becomes ineligible for any benefit payment from the

1 Federal OASI, if later, and shall cease upon death or remarriage, or
2 upon the date the surviving spouse would become entitled, upon
3 application therefor; to any insurance benefit from the Federal OASI
4 system, whichever event shall first occur: PROVIDED, That said benefit
5 shall cease upon the beneficiary becoming employed by any member city
6 of said system: PROVIDED FURTHER, That this allowance shall consist
7 of:

8 (a) An amount which shall be the actuarial equivalent of the normal
9 contributions at the time specified for retirement;

10 (b) An amount provided by the contributions of the city, equal to
11 the annuity purchased by the accumulated normal contributions of the
12 member;

13 (c) Such additional amount, provided by the contributions of the
14 city, as will make the total allowance equal to one-fourth average
15 final compensation per month;

16 (d) An annuity purchased by the accumulated additional
17 contributions, if any, in addition to the minimum guaranteed.

18 (5) In lieu of the death benefit otherwise payable under subsection
19 (3) of this section, the surviving spouse of a member who dies after
20 having attained the minimum requirements for his or her service
21 retirement as required by RCW 41.44.140 may elect to receive the
22 allowance which would have been paid to such surviving spouse had the
23 member been retired on the date of his or her death and had he or she
24 elected to receive the lesser retirement allowances provided for in
25 option C of RCW 41.44.220.

26 (6) If a former member shall, within one year from date of
27 discontinuance of service, be employed by another city participating in
28 this retirement system he or she shall have the privilege of
29 redepositing and the matching contributions deposited by the city or
30 cities in which he or she was formerly employed shall again be held for
31 the benefit of such member. If such redepositing member possessed a
32 prior service certificate the city employing him or her at time of
33 retirement shall accept the liability evidenced by such certificate.

34 Reinstatement of a prior service certificate shall be effective
35 only upon a showing that normal contributions are on deposit in the
36 retirement fund, to the credit of the member, covering all current
37 service.

1 **Sec. 73.** RCW 41.44.200 and 1953 c 228 s 8 are each amended to read
2 as follows:

3 Whenever a member withdraws his or her accumulated normal
4 contributions the matching contributions of the city so released shall
5 be transferred to a reserve account created for the purpose of showing
6 the amount of credits due each city through such operation. Such
7 credits may be used by the city to apply on any charges made against
8 the city but only so much thereof as will insure leaving in such
9 account an amount estimated to be sufficient to again match
10 contributions redeposited by employees returning to service as
11 contemplated in RCW 41.44.190. The board may credit such reserve
12 accounts with interest at such rate as the board deems equitable:
13 PROVIDED, That as to any member city which has elected to and is making
14 contributions in lieu of those required in RCW 41.44.090(1)(a), there
15 shall be no release of the city's matching contributions after the date
16 of its commencement to make such lieu contributions: PROVIDED FURTHER,
17 That any released contributions of any such city which have been
18 credited to its reserve account prior to the date of such commencement,
19 shall be available to it for the purposes hereinabove specified, unless
20 the board shall determine that their immediate use for such purposes
21 would result in a harmful effect upon the assets of the system, in
22 which event the board shall have the right to defer their use for a
23 reasonable time in which to permit it to make adjustments in the
24 current assets of the system to prevent the same.

25 **Sec. 74.** RCW 41.44.210 and 1973 1st ex.s. c 154 s 79 are each
26 amended to read as follows:

27 Upon the death of any member who dies from injuries or disease
28 arising out of or incurred in the performance of his or her duty or
29 duties, of which the board of trustees shall be the judge, if death
30 occurs within one year from date of discontinuance of city service
31 caused by such injury, there shall be paid to his or her estate or to
32 such person or persons having an insurable interest in his or her life,
33 as he or she shall have nominated by written designation duly executed
34 and filed with the board, the sum of one thousand dollars, purchased by
35 the contributions of the cities participating in the retirement system;
36 and in addition thereto there shall be paid to the surviving spouse
37 during such spouse's lifetime, or if there be no surviving spouse, then

1 to his or her minor child or children until they shall have reached the
2 age of eighteen years, a monthly pension equal to one-half the monthly
3 final compensation of such deceased member. If any such spouse, or
4 child or children shall marry, then such person so marrying shall
5 thereafter receive no further pension herein provided. Cost of the
6 lump sum benefit above provided shall be determined by actuarial
7 calculation and prorated equitably to each city. The benefits provided
8 in this section shall be exclusive of any other benefits due the member
9 under this chapter.

10 **Sec. 75.** RCW 41.44.220 and 1965 ex.s. c 99 s 9 are each amended to
11 read as follows:

12 A member may elect to receive in lieu of the retirement allowance
13 provided for in RCW 41.44.150, its actuarial equivalent in the form of
14 a lesser retirement allowance, payable in accordance with the terms and
15 conditions of one of the options set forth below in this section.
16 Election of any option must be made by written application filed with
17 the board at least thirty days in advance of retirement, or may be made
18 by any member after he or she has attained the minimum requirements for
19 his or her service retirement as required by RCW 41.44.140, and shall
20 not be effective unless approved by the board prior to retirement of
21 the member.

22 Option A. The lesser retirement allowance shall be payable to the
23 member throughout his or her life: PROVIDED, That if he or she die
24 before he or she receives in annuity payments referred to in paragraph
25 (a) of subsection (1) of RCW 41.44.150 a total amount equal to the
26 amount of his or her accumulated contributions as it was at date of his
27 or her retirement, the balance of such accumulated contributions shall
28 be paid in one sum to his or her estate or to such person having an
29 insurable interest in his or her life as he or she shall nominate by
30 written designation duly executed and filed with the board.

31 Option B. The lesser retirement allowance shall be payable to the
32 member throughout life, and after death of the member, one-half of the
33 lesser retirement allowance shall be continued throughout the life of
34 and paid to the wife or husband of this member.

35 Option C. The lesser retirement allowance shall be payable to the
36 member throughout life, and after death of the member it shall be

1 continued throughout the life of and paid to the wife or husband of the
2 member.

3 A member may apply for some other benefit or benefits and the board
4 may grant such application provided such other benefit or benefits,
5 together with the reduced retirement allowance, shall be certified by
6 the actuary to be of equivalent value to his or her retirement
7 allowance.

8 The surviving spouse may elect to receive a cash refund of the
9 member's accumulated contributions in lieu of the monthly benefit under
10 either Option B or Option C.

11 **Sec. 76.** RCW 41.44.250 and 1951 c 275 s 15 are each amended to
12 read as follows:

13 The payment of any retirement allowance to a member who has been
14 retired from service shall be suspended during the time that the
15 beneficiary is in receipt of compensation for service to any city or
16 town that is a member of the statewide city employees' retirement
17 system, except as to the amount by which such retirement allowance may
18 exceed such compensation for the same period. It is the intent of this
19 section to prevent any retired person from being able to receive both
20 his or her retirement allowance and compensation for service to any
21 city or town that is a member of the statewide city employees'
22 retirement system: PROVIDED, That nothing in this section shall
23 prevent county or state welfare departments from furnishing to any
24 retired employee under the terms of this chapter the hospital, medical,
25 dental, and other benefits granted to pensioners under the provisions
26 of Title 74 RCW.

27 **Sec. 77.** RCW 41.48.020 and 1955 ex.s. c 4 s 2 are each amended to
28 read as follows:

29 For the purposes of this chapter:

30 (1) "Wages" means all remuneration for employment as defined
31 herein, including the cash value of all remuneration paid in any medium
32 other than cash, except that such term shall not include that part of
33 such remuneration which, even if it were for "employment" within the
34 meaning of the federal insurance contributions act, would not
35 constitute "wages" within the meaning of that act;

1 (2) "Employment" means any service performed by an employee in the
2 employ of the state, or any political subdivision thereof, for such
3 employer, except (a) service which in the absence of an agreement
4 entered into under this chapter would constitute "employment" as
5 defined in the social security act; or (b) service which under the
6 social security act may not be included in an agreement between the
7 state and the secretary of health, education, and welfare entered into
8 under this chapter;

9 (3) "Employee" includes all officers and employees of the state or
10 its political subdivisions except officials compensated on a fee basis;

11 (4) "Secretary of health, education, and welfare" includes any
12 individual to whom the secretary of health, education, and welfare has
13 delegated any of his or her functions under the social security act
14 with respect to coverage under such act of employees of states and
15 their political subdivisions, and with respect to any action taken
16 prior to April 11, 1953, includes the federal security administrator
17 and any individual to whom such administrator has delegated any such
18 function;

19 (5) "Political subdivision" includes an instrumentality of the
20 state, of one or more of its political subdivisions, or of the state
21 and one or more of its political subdivisions. Such term also includes
22 a proprietary enterprise acquired, purchased, or originated by the
23 state or any of its political subdivisions subsequent to December,
24 1950. Such a subdivision may elect to accept federal OASI coverage
25 under this chapter.

26 (6) "Federal insurance contributions act" means subchapter A of
27 chapter 9 of the federal internal revenue code of 1939 and subchapters
28 A and B of chapter 21 of the federal internal revenue code of 1954, as
29 such codes have been and may from time to time be amended; and the term
30 "employee tax" means the tax imposed by section 1400 of such code of
31 1939 and section 3101 of such code of 1954.

32 **Sec. 78.** RCW 41.48.040 and 1955 ex.s. c 4 s 4 are each amended to
33 read as follows:

34 (1) Every employee of the state whose services are covered by an
35 agreement entered into under RCW 41.48.030 shall be required to pay for
36 the period of such coverage, into the contribution (~~fund~~) account
37 established by RCW 41.48.060, contributions, with respect to wages (as

1 defined in RCW 41.48.020), equal to the amount of employee tax which
2 would be imposed by the federal insurance contributions act if such
3 services constituted employment within the meaning of that act. Such
4 liability shall arise in consideration of the employees' retention in
5 the service of the state, or his or her entry upon such service, after
6 the enactment of this chapter.

7 (2) The contribution imposed by this section shall be collected by
8 deducting the amount of the contribution from wages as and when paid,
9 but failure to make such deduction shall not relieve the employee from
10 liability for such contribution.

11 (3) If more or less than the correct amount of the contribution
12 imposed by this section is paid or deducted with respect to any
13 remuneration, proper adjustments, or refund if adjustment is
14 impracticable, shall be made, without interest, in such manner and at
15 such times as the state agency shall prescribe.

16 **Sec. 79.** RCW 41.48.050 and 1981 c 119 s 1 are each amended to read
17 as follows:

18 (1) Each political subdivision of the state is hereby authorized to
19 submit for approval by the governor a plan for extending the benefits
20 of title II of the social security act, in conformity with the
21 applicable provisions of such act, to those employees of such political
22 subdivisions who are not covered by an existing pension or retirement
23 system. Each pension or retirement system established by the state or
24 a political subdivision thereof is hereby authorized to submit for
25 approval by the governor a plan for extending the benefits of title II
26 of the social security act, in conformity with applicable provisions of
27 such act, to members of such pension or retirement system. Each such
28 plan and any amendment thereof shall be approved by the governor if he
29 or she finds that such plan, or such plan as amended, is in conformity
30 with such requirements as are provided in regulations of the governor,
31 except that no such plan shall be approved unless--

32 (a) It is in conformity with the requirements of the social
33 security act and with the agreement entered into under RCW 41.48.030;

34 (b) It provides that all services which constitute employment as
35 defined in RCW 41.48.020 and are performed in the employ of the
36 political subdivision by employees thereof, shall be covered by the
37 plan;

1 (c) It specifies the source or sources from which the funds
2 necessary to make the payments required by paragraph (a) of subsection
3 (3) and by subsection (4) of this section are expected to be derived
4 and contains reasonable assurance that such sources will be adequate
5 for such purposes;

6 (d) It provides that in the plan of coverage for members of the
7 state teachers' retirement system or for state employee members of the
8 state employees' retirement system, there shall be no additional cost
9 to or involvement of the state until such plan has received prior
10 approval by the legislature;

11 (e) It provides for such methods of administration of the plan by
12 the political subdivision as are found by the governor to be necessary
13 for the proper and efficient administration of the plan;

14 (f) It provides that the political subdivision will make such
15 reports, in such form and containing such information, as the governor
16 may from time to time require and comply with such provisions as the
17 governor or the secretary of health, education, and welfare may from
18 time to time find necessary to assure the correctness and verification
19 of such reports; and

20 (g) It authorizes the governor to terminate the plan in its
21 entirety, in his or her discretion, if he or she finds that there has
22 been a failure to comply substantially with any provision contained in
23 such plan, such termination to take effect at the expiration of such
24 notice and on such conditions as may be provided by regulations of the
25 governor and may be consistent with the provisions of the social
26 security act.

27 (h) It provides that law enforcement officers and firefighters of
28 each political subdivision of this state who are covered by the
29 Washington Law Enforcement Officers' and Firefighters' Retirement
30 System Act (chapter 209, Laws of 1969 ex. sess.) as now in existence or
31 hereafter amended shall constitute a separate "coverage group" for
32 purposes of the plan or agreement entered into under this section and
33 for purposes of section 216 of the social security act. To the extent
34 that the plan or agreement entered into between the state and any
35 political subdivision of this state is inconsistent with this
36 subsection, the governor shall seek to modify the inconsistency.

37 (i) It provides that the plan or agreement may be terminated by any
38 political subdivision as to any such coverage group upon giving at

1 least two years advance notice in writing to the governor, effective at
2 the end of the calendar quarter specified in the notice. It shall
3 specify that before notice of such termination is given, a referendum
4 shall be held among the members of the coverage group under the
5 following conditions:

6 (i) The referendum shall be conducted under the supervision of the
7 legislative body of the political subdivision.

8 (ii) Not less than sixty days' notice of such referendum shall be
9 given to members of the coverage group.

10 (iii) An opportunity to vote by secret ballot in such referendum
11 shall be given and shall be limited to all members of the coverage
12 group.

13 (iv) The proposal for termination shall be approved only if a
14 majority of the coverage group vote in favor of termination.

15 (v) If a majority of the coverage group vote in favor of
16 termination, the legislative body of the political subdivision shall
17 certify the results of the referendum to the governor and give notice
18 of termination of such coverage group.

19 (2) The governor shall not finally refuse to approve a plan
20 submitted by a political subdivision under subsection (1), and shall
21 not terminate an approved plan, without reasonable notice and
22 opportunity for hearing to the political subdivision affected thereby.

23 (3)(a) Each political subdivision as to which a plan has been
24 approved under this section shall pay into the contribution (~~(fund)~~)
25 account, with respect to wages (as defined in RCW 41.48.020), at such
26 time or times as the governor may by regulation prescribe,
27 contributions in the amounts and at the rates specified in the
28 applicable agreement entered into by the governor under RCW 41.48.030.

29 (b) Each political subdivision required to make payments under
30 paragraph (a) of this subsection is authorized, in consideration of the
31 employee's retention in, or entry upon, employment after enactment of
32 this chapter, to impose upon each of its employees, as to services
33 which are covered by an approved plan, a contribution with respect to
34 his or her wages (as defined in RCW 41.48.020), not exceeding the
35 amount of employee tax which is imposed by the federal insurance
36 contributions act, and to deduct the amount of such contribution from
37 his or her wages as and when paid. Contributions so collected shall be
38 paid into the OASI contribution (~~(fund)~~) account in partial discharge

1 of the liability of such political subdivision or instrumentality under
2 paragraph (a) of this subsection. Failure to deduct such contribution
3 shall not relieve the employee or employer of liability therefor.

4 (4) Delinquent reports and payments due under paragraph (f) of
5 subsection (1) and paragraph (a) of subsection (3) of this section will
6 be subject to an added interest charge of six percent per year or, if
7 higher, the rate chargeable to the state by the secretary by virtue of
8 federal law, if the late report or payment contributes to any federal
9 penalty for late filing of reports or for late deposit of
10 contributions. Delinquent contributions, interest, and penalties may
11 be recovered by civil action or may, at the request of the governor, be
12 deducted from any other moneys payable to the political subdivision by
13 any department or agency of the state.

14 **Sec. 80.** RCW 41.48.090 and 1951 c 184 s 10 are each amended to
15 read as follows:

16 The governor shall make and publish such rules and regulations, not
17 inconsistent with the provisions of this chapter, as he or she finds
18 necessary or appropriate to the efficient administration of the
19 functions with which he or she is charged under this chapter.

20 **Sec. 81.** RCW 41.48.100 and 1951 c 184 s 11 are each amended to
21 read as follows:

22 Any authority conferred upon the governor by this chapter may be
23 exercised by an official or state agency designated by him or her.

24 **Sec. 82.** RCW 41.50.020 and 1975-'76 2nd ex.s. c 105 s 4 are each
25 amended to read as follows:

26 There is created a department of state government to be known as
27 the department of retirement systems. The executive and administrative
28 head of the department shall be the director, who shall be appointed by
29 the governor with the consent of the senate. The director shall serve
30 at the pleasure of the governor and may be removed upon written
31 notification by the governor to the respective retirement boards.

32 The director shall have complete charge of and supervisory powers
33 over the department and shall be paid a salary fixed by the governor in
34 accordance with the provisions of RCW 43.03.040. If a vacancy occurs
35 in the position of director while the senate is not in session, the

1 governor shall make a temporary appointment until the next meeting of
2 the senate at which time he or she shall present to that body the name
3 of the person appointed to the position of director.

4 **Sec. 83.** RCW 41.56.070 and 2007 c 75 s 2 and 2007 c 75 s 1 are
5 each reenacted and amended to read as follows:

6 In the event the commission elects to conduct an election to
7 ascertain the exclusive bargaining representative, and upon the request
8 of a prospective bargaining representative showing written proof of at
9 least thirty percent representation of the public employees within the
10 unit, the commission shall hold an election by secret ballot to
11 determine the issue. The ballot shall contain the name of such
12 bargaining representative and of any other bargaining representative
13 showing written proof of at least ten percent representation of the
14 public employees within the unit, together with a choice for any public
15 employee to designate that he or she does not desire to be represented
16 by any bargaining agent. Where more than one organization is on the
17 ballot and neither of the three or more choices receives a majority
18 vote of the public employees within the bargaining unit, a run-off
19 election shall be held. The run-off ballot shall contain the two
20 choices which received the largest and second-largest number of votes.
21 No question concerning representation may be raised within one year of
22 a certification or attempted certification. Where there is a valid
23 collective bargaining agreement in effect, no question of
24 representation may be raised except during the period not more than
25 ninety nor less than sixty days prior to the expiration date of the
26 agreement. Any agreement which contains a provision for automatic
27 renewal or extension of the agreement shall not be a valid agreement;
28 nor shall any agreement be valid if it provides for a term of existence
29 for more than three years, except that any agreement entered into
30 between school districts, cities, counties, or municipal corporations,
31 and their respective employees, may provide for a term of existence of
32 up to six years.

33 **Sec. 84.** RCW 41.56.080 and 1975 1st ex.s. c 296 s 19 are each
34 amended to read as follows:

35 The bargaining representative which has been determined to
36 represent a majority of the employees in a bargaining unit shall be

1 certified by the commission as the exclusive bargaining representative
2 of, and shall be required to represent, all the public employees within
3 the unit without regard to membership in said bargaining
4 representative: PROVIDED, That any public employee at any time may
5 present his or her grievance to the public employer and have such
6 grievance adjusted without the intervention of the exclusive bargaining
7 representative, if the adjustment is not inconsistent with the terms of
8 a collective bargaining agreement then in effect, and if the exclusive
9 bargaining representative has been given reasonable opportunity to be
10 present at any initial meeting called for the resolution of such
11 grievance.

12 **Sec. 85.** RCW 41.56.120 and 1967 ex.s. c 108 s 12 are each amended
13 to read as follows:

14 Nothing contained in this chapter shall permit or grant any public
15 employee the right to strike or refuse to perform his or her official
16 duties.

17 **Sec. 86.** RCW 41.56.220 and 1980 c 87 s 17 are each amended to read
18 as follows:

19 Any public employee who represents fifty percent or more of a
20 bargaining unit or who represents on a statewide basis a group of five
21 or more bargaining units shall have the right to absent himself or
22 herself from his or her employment without pay and without suffering
23 any discrimination in his or her future employment and without losing
24 benefits incident to his or her employment while representing his or
25 her bargaining unit at the legislature of the state of Washington
26 during any regular or special session thereof: PROVIDED, That such
27 employee is replaced by his or her bargaining unit with an employee who
28 shall be paid by the employer and who shall be qualified to perform the
29 duties and obligations of the absent member in accordance with the
30 rules of the civil service or other standards established by his or her
31 employer for such absent employee.

32 **Sec. 87.** RCW 41.56.450 and 1983 c 287 s 2 are each amended to read
33 as follows:

34 If an agreement has not been reached following a reasonable period
35 of negotiations and mediation, and the executive director, upon the

1 recommendation of the assigned mediator, finds that the parties remain
2 at impasse, then an interest arbitration panel shall be created to
3 resolve the dispute. The issues for determination by the arbitration
4 panel shall be limited to the issues certified by the executive
5 director. Within seven days following the issuance of the
6 determination of the executive director, each party shall name one
7 person to serve as its arbitrator on the arbitration panel. The two
8 members so appointed shall meet within seven days following the
9 appointment of the later appointed member to attempt to choose a third
10 member to act as the neutral ((~~chairman~~)) chair of the arbitration
11 panel. Upon the failure of the arbitrators to select a neutral
12 ((~~chairman~~)) chair within seven days, the two appointed members shall
13 use one of the two following options in the appointment of the third
14 member, who shall act as ((~~chairman~~)) chair of the panel: (1) By
15 mutual consent, the two appointed members may jointly request the
16 commission to, and the commission shall l appoint a third member within
17 two days of such request. Costs of each party's appointee shall be
18 borne by each party respectively; other costs of the arbitration
19 proceedings shall be borne by the commission; or (2) either party may
20 apply to the commission, the federal mediation and conciliation
21 service, or the American Arbitration Association to provide a list of
22 five qualified arbitrators from which the neutral ((~~chairman~~)) chair
23 shall be chosen. Each party shall pay the fees and expenses of its
24 arbitrator, and the fees and expenses of the neutral ((~~chairman~~)) chair
25 shall be shared equally between the parties.

26 The arbitration panel so constituted shall promptly establish a
27 date, time, and place for a hearing and shall provide reasonable notice
28 thereof to the parties to the dispute. A hearing, which shall be
29 informal, shall be held, and each party shall have the opportunity to
30 present evidence and make argument. No member of the arbitration panel
31 may present the case for a party to the proceedings. The rules of
32 evidence prevailing in judicial proceedings may be considered, but are
33 not binding, and any oral testimony or documentary evidence or other
34 data deemed relevant by the ((~~chairman~~)) chair of the arbitration panel
35 may be received in evidence. A recording of the proceedings shall be
36 taken. The arbitration panel has the power to administer oaths,
37 require the attendance of witnesses, and require the production of such
38 books, papers, contracts, agreements, and documents as may be deemed by

1 the panel to be material to a just determination of the issues in
2 dispute. If any person refuses to obey a subpoena issued by the
3 arbitration panel, or refuses to be sworn or to make an affirmation to
4 testify, or any witness, party, or attorney for a party is guilty of
5 any contempt while in attendance at any hearing held hereunder, the
6 arbitration panel may invoke the jurisdiction of the superior court in
7 the county where the labor dispute exists, and the court has
8 jurisdiction to issue an appropriate order. Any failure to obey the
9 order may be punished by the court as a contempt thereof. The hearing
10 conducted by the arbitration panel shall be concluded within twenty-
11 five days following the selection or designation of the neutral
12 ((~~chairman~~)) chair of the arbitration panel, unless the parties agree
13 to a longer period.

14 The neutral ((~~chairman~~)) chair shall consult with the other members
15 of the arbitration panel, and, within thirty days following the
16 conclusion of the hearing, the neutral ((~~chairman~~)) chair shall make
17 written findings of fact and a written determination of the issues in
18 dispute, based on the evidence presented. A copy thereof shall be
19 served on the commission, on each of the other members of the
20 arbitration panel, and on each of the parties to the dispute. That
21 determination shall be final and binding upon both parties, subject to
22 review by the superior court upon the application of either party
23 solely upon the question of whether the decision of the panel was
24 arbitrary or capricious.

25 **Sec. 88.** RCW 41.56.470 and 1973 c 131 s 6 are each amended to read
26 as follows:

27 During the pendency of the proceedings before the arbitration
28 panel, existing wages, hours, and other conditions of employment shall
29 not be changed by action of either party without the consent of the
30 other but a party may so consent without prejudice to his or her rights
31 or position under chapter 131, Laws of 1973.

32 **Sec. 89.** RCW 41.58.010 and 1981 c 338 s 21 are each amended to
33 read as follows:

34 (1) There is hereby created the public employment relations
35 commission (hereafter called the "commission") to administer the
36 provisions of this chapter. The commission shall consist of three

1 members who shall be citizens appointed by the governor by and with the
2 advice and consent of the senate. One of the original members shall be
3 appointed for a term of three years, one for a term of four years, and
4 one for a term of five years. Their successors shall be appointed for
5 terms of five years each, except that any person chosen to fill a
6 vacancy shall be appointed only for the unexpired term of the member
7 whom he or she succeeds. Commission members shall be eligible for
8 reappointment. The governor shall designate one member to serve as
9 (~~chairman~~) chair of the commission. Any member of the commission may
10 be removed by the governor, upon notice and hearing, for neglect of
11 duty or malfeasance in office, but for no other cause. Commission
12 members shall not be eligible for state retirement under chapter 41.40
13 RCW by virtue of their service on the commission.

14 (2) In making citizen member appointments initially, and
15 subsequently thereafter, the governor shall be cognizant of the
16 desirability of appointing persons knowledgeable in the area of labor
17 relations in the state.

18 (3) A vacancy in the commission shall not impair the right of the
19 remaining members to exercise all of the powers of the commission, and
20 two members of the commission shall, at all times, constitute a quorum
21 of the commission.

22 (4) The commission shall at the close of each fiscal year make a
23 report in writing to the legislature and to the governor stating the
24 cases it has heard, the decisions it has rendered, the names, salaries,
25 and duties of all employees and officers in the employ or under the
26 supervision of the commission, and an account of all moneys it has
27 disbursed.

28 **Sec. 90.** RCW 41.58.801 and 1979 c 151 s 66 are each amended to
29 read as follows:

30 All reports, documents, surveys, books, records, files, papers, or
31 other writings in the possession of the marine employee commission, the
32 office of the superintendent of public instruction, the state board for
33 community (~~college—education~~) and technical colleges, and the
34 department of labor and industries and pertaining to the functions
35 transferred to the commission by chapter 296, Laws of 1975 1st ex.
36 sess. shall by January 1, 1976, be delivered to the custody of the
37 commission. All cabinets, furniture, office equipment, motor vehicles,

1 and other tangible property employed in carrying out the functions
2 transferred by chapter 296, Laws of 1975 1st ex. sess. shall by January
3 1, 1976, be transferred to the commission.

4 Any appropriation or portion thereof remaining as of January 1,
5 1976, and which is made to an agency for the purpose of carrying out
6 functions transferred from such agency pursuant to chapter 296, Laws of
7 1975 1st ex. sess., shall, by January 1, 1976, be transferred and
8 credited to the commission for the purpose of carrying out such
9 functions. This paragraph shall not affect the transfer of moneys
10 prior to January 1, 1976, pursuant to section 67, chapter 269, Laws of
11 1975 1st ex. sess.

12 Whenever any question arises as to the transfer of any funds,
13 including unexpended balances within any accounts, books, documents,
14 records, papers, files, equipment, or any other tangible property used
15 or held in the exercise of the performance of the functions transferred
16 under chapter 296, Laws of 1975 1st ex. sess., the director of
17 financial management or his or her successor shall make a determination
18 as to the proper allocation and certify the same to the state agencies
19 concerned.

20 **Sec. 91.** RCW 41.59.090 and 1975 1st ex.s. c 288 s 10 are each
21 amended to read as follows:

22 The employee organization which has been determined to represent a
23 majority of the employees in a bargaining unit shall be certified by
24 the commission as the exclusive bargaining representative of, and shall
25 be required to represent all the employees within the unit without
26 regard to membership in that bargaining representative: PROVIDED, That
27 any employee at any time may present his or her grievance to the
28 employer and have such grievance adjusted without the intervention of
29 the exclusive bargaining representative, as long as such representative
30 has been given an opportunity to be present at that adjustment and to
31 make its views known, and as long as the adjustment is not inconsistent
32 with the terms of a collective bargaining agreement then in effect.

33 **Sec. 92.** RCW 41.59.120 and 2010 c 235 s 804 are each amended to
34 read as follows:

35 (1) Either an employer or an exclusive bargaining representative
36 may declare that an impasse has been reached between them in collective

1 bargaining and may request the commission to appoint a mediator for the
2 purpose of assisting them in reconciling their differences and
3 resolving the controversy on terms which are mutually acceptable. If
4 the commission determines that its assistance is needed, not later than
5 five days after the receipt of a request therefor, it shall appoint a
6 mediator in accordance with rules and regulations for such appointment
7 prescribed by the commission. The mediator shall meet with the parties
8 or their representatives, or both, forthwith, either jointly or
9 separately, and shall take such other steps as he or she may deem
10 appropriate in order to persuade the parties to resolve their
11 differences and effect a mutually acceptable agreement. The mediator,
12 without the consent of both parties, shall not make findings of fact or
13 recommend terms of settlement. The services of the mediator,
14 including, if any, per diem expenses, shall be provided by the
15 commission without cost to the parties. Nothing in this subsection (1)
16 shall be construed to prevent the parties from mutually agreeing upon
17 their own mediation procedure, and in the event of such agreement, the
18 commission shall not appoint its own mediator unless failure to do so
19 would be inconsistent with the effectuation of the purposes and policy
20 of this chapter.

21 (2) If the mediator is unable to effect settlement of the
22 controversy within ten days after his or her appointment, either party,
23 by written notification to the other, may request that their
24 differences be submitted to fact-finding with recommendations, except
25 that the time for mediation may be extended by mutual agreement between
26 the parties. Within five days after receipt of the aforesaid written
27 request for fact-finding, the parties shall select a person to serve as
28 fact finder and obtain a commitment from that person to serve. If they
29 are unable to agree upon a fact finder or to obtain such a commitment
30 within that time, either party may request the commission to designate
31 a fact finder. The commission, within five days after receipt of such
32 request, shall designate a fact finder in accordance with rules and
33 regulations for such designation prescribed by the commission. The
34 fact finder so designated shall not be the same person who was
35 appointed mediator pursuant to subsection (1) of this section without
36 the consent of both parties.

37 The fact finder, within five days after his or her appointment,
38 shall meet with the parties or their representatives, or both, either

1 jointly or separately, and make inquiries and investigations, hold
2 hearings, and take such other steps as he or she may deem appropriate.
3 For the purpose of such hearings, investigations and inquiries, the
4 fact finder shall have the power to issue subpoenas requiring the
5 attendance and testimony of witnesses and the production of evidence.
6 If the dispute is not settled within ten days after his or her
7 appointment, the fact finder shall make findings of fact and recommend
8 terms of settlement within thirty days after his or her appointment,
9 which recommendations shall be advisory only.

10 (3) Such recommendations, together with the findings of fact, shall
11 be submitted in writing to the parties and the commission privately
12 before they are made public. Either the commission, the fact finder,
13 the employer, or the exclusive bargaining representative may make such
14 findings and recommendations public if the dispute is not settled
15 within five days after their receipt from the fact finder.

16 (4) The costs for the services of the fact finder, including, if
17 any, per diem expenses and actual and necessary travel and subsistence
18 expenses, and any other incurred costs, shall be borne by the
19 commission without cost to the parties.

20 (5) Nothing in this section shall be construed to prohibit an
21 employer and an exclusive bargaining representative from agreeing to
22 substitute, at their own expense, their own procedure for resolving
23 impasses in collective bargaining for that provided in this section or
24 from agreeing to utilize for the purposes of this section any other
25 governmental or other agency or person in lieu of the commission.

26 (6) Any fact finder designated by an employer and an exclusive
27 representative or the commission for the purposes of this section shall
28 be deemed an agent of the state.

29 (7) This section does not apply to negotiations and mediations
30 conducted under RCW 28A.657.050.

31 **Sec. 93.** RCW 41.59.140 and 1975 1st ex.s. c 288 s 15 are each
32 amended to read as follows:

33 (1) It shall be an unfair labor practice for an employer:

34 (a) To interfere with, restrain, or coerce employees in the
35 exercise of the rights guaranteed in RCW 41.59.060.

36 (b) To dominate or interfere with the formation or administration
37 of any employee organization or contribute financial or other support

1 to it: PROVIDED, That subject to rules and regulations made by the
2 commission pursuant to RCW 41.59.110, an employer shall not be
3 prohibited from permitting employees to confer with it or its
4 representatives or agents during working hours without loss of time or
5 pay;

6 (c) To encourage or discourage membership in any employee
7 organization by discrimination in regard to hire, tenure of employment
8 or any term or condition of employment, but nothing contained in this
9 subsection shall prevent an employer from requiring, as a condition of
10 continued employment, payment of periodic dues and fees uniformly
11 required to an exclusive bargaining representative pursuant to RCW
12 41.59.100;

13 (d) To discharge or otherwise discriminate against an employee
14 because he or she has filed charges or given testimony under this
15 chapter;

16 (e) To refuse to bargain collectively with the representatives of
17 its employees.

18 (2) It shall be an unfair labor practice for an employee
19 organization:

20 (a) To restrain or coerce (i) employees in the exercise of the
21 rights guaranteed in RCW 41.59.060: PROVIDED, That this paragraph
22 shall not impair the right of an employee organization to prescribe its
23 own rules with respect to the acquisition or retention of membership
24 therein; or (ii) an employer in the selection of his or her
25 representatives for the purposes of collective bargaining or the
26 adjustment of grievances;

27 (b) To cause or attempt to cause an employer to discriminate
28 against an employee in violation of subsection (1)(c) of this section;

29 (c) To refuse to bargain collectively with an employer, provided it
30 is the representative of its employees subject to RCW 41.59.090.

31 (3) The expressing of any views, argument, or opinion, or the
32 dissemination thereof to the public, whether in written, printed,
33 graphic, or visual form, shall not constitute or be evidence of an
34 unfair labor practice under any of the provisions of this chapter, if
35 such expression contains no threat of reprisal or force or promise of
36 benefit.

1 **Sec. 94.** RCW 42.04.020 and 1919 c 139 s 1 are each amended to read

16 maintain an action at law thereon in his or her own name against the
17 officer and his or her sureties to recover the amount to which he or
18 she may by reason thereof be entitled.

19 **Sec. 96.** RCW 42.08.030 and Code 1881 s 654 are each amended to
20 read as follows:

23 shall be obtained of the court or judge thereof where the action is
24 triable. Such leave shall be granted upon the production of a
25 certified copy of the bond and an affidavit of the plaintiff, or some
26 person in his or her behalf, showing the delinquency. But if the
27 matter set forth in his or her affidavit be such that, if true, the
28 party applying would clearly not be entitled to recover in the action,
29 the leave shall not be granted. If it does not appear from the
30 complaint that the leave herein provided for has been granted, the
31 defendant, on motion, shall be entitled to judgment of nonsuit; if it
32 does, the defendant may controvert the allegation, and if the issue be
33 found in his or her favor, judgment shall be given accordingly.

34 **Sec. 97.** RCW 42.08.050 and Code 1881 s 656 are each amended to
35 read as follows:

10 matter or condition or conditions required by law, or there shall be
11 any defect in the approval or filing thereof, such bond shall not be
12 void so as to discharge such officer and his or her sureties, but they
13 shall be bound to the state, or party interested, and the state or such
14 party may, by action instituted in any court of competent jurisdiction,
15 suggest the defect of such bond or such approval or filing, and recover

33 of his or her service as such administrator, but shall be entitled to
34 expenses incurred in connection with his or her duties and
35 responsibilities as such administrator, in the same manner as for

1 expenses incurred in connection with any other duties or
2 responsibilities of his or her office or employment.

3 **Sec. 129.** RCW 46.23.020 and 1982 c 212 s 2 are each amended to
4 read as follows:

5 (1) The Washington state department of licensing is authorized and
6 encouraged to execute a reciprocal agreement with the Canadian province
7 of British Columbia, and with any other state which is not a member of
8 the nonresident violator compact, concerning the rendering of mutual
9 assistance in the disposition of traffic infractions committed by
10 persons licensed in one state or province while in the jurisdiction of
11 the other.

12 (2) Such agreements shall provide that if a person licensed by
13 either state or province is issued a citation by the other state or
14 province for a moving traffic violation covered by the agreement, he or

16 and that if he or she fails to comply with the terms of the citation,
17 his or her license shall be suspended or renewal refused by the state
18 or province that issued the license until the home jurisdiction is
19 notified by the issuing jurisdiction that he or she has complied with
20 the terms of the citation.

21 (3) Such agreement shall also provide such terms and procedures as
22 are necessary and proper to facilitate its administration.

23 **Sec. 130.** RCW 49.32.072 and 1933 ex.s. c 7 s 7 are each amended to
24 read as follows:

25 No court of the state of Washington or any judge or judges thereof
26 shall have jurisdiction to issue a temporary or permanent injunction in
27 any case involving or growing out of a labor dispute, as herein
28 defined, except after hearing the testimony of witnesses in open court
29 (with opportunity for cross-examination) in support of the allegations
30 of a complaint made under oath, and testimony in opposition thereto, if
31 offered, and except after findings of fact by the court, to the
32 effect--

33 (1) That unlawful acts have been threatened and will be committed
34 unless restrained or have been committed and will be continued unless
35 restrained, but no injunction or temporary restraining order shall be
36 issued on account of any threat or unlawful act excepting against the

1 person or persons, association, or organization making the threat or
2 committing the unlawful act or actually authorizing or ratifying the
3 same after actual knowledge thereof;

4 (2) That substantial and irreparable injury to complainant's
5 property will follow;

6 (3) That as to each item of relief granted greater injury will be
7 inflicted upon complainant by the denial of relief than will be
8 inflicted upon defendants by the granting of relief;

9 (4) That complainant has no adequate remedy at law; and

10 (5) That the public officers charged with the duty to protect
11 complainant's property are unable or unwilling to furnish adequate
12 protection.

13 Such hearing shall be held after due and personal notice thereof
14 has been given, in such manner as the court shall direct, to all
15 persons against whom relief is sought, and also to the chief of those
16 public officials of the county and city within which the unlawful acts
17 have been threatened or committed charged with the duty to protect
18 complainant's property: PROVIDED, HOWEVER, That if a complainant shall
19 also allege that, unless a temporary restraining order shall be issued
20 without notice, a substantial and irreparable injury to complainant's
21 property will be unavoidable, such a temporary restraining order may be
22 issued upon testimony under oath, sufficient, if sustained, to justify
23 the court in issuing a temporary injunction upon a hearing after
24 notice. Such a temporary restraining order shall be effective for no
25 longer than five days and shall become void at the expiration of said
26 five days. No temporary restraining order or temporary injunction
27 shall be issued except on condition that complainant shall first file
28 an undertaking with adequate security in an amount to be fixed by the
29 court sufficient to recompense those enjoined for any loss, expense, or
30 damage caused by the improvident or erroneous issuance of such order or
31 injunction, including all reasonable costs (together with a reasonable
32 (~~attorney's~~) attorneys' fee) and expense of defense against the order
33 or against the granting of any injunctive relief sought in the same
34 proceeding and subsequently denied by the court.

35 The undertaking herein mentioned shall be understood to signify an
36 agreement entered into by the complainant and the surety upon which a
37 decree may be rendered in the same suit or proceeding against said
38 complainant and surety, upon a hearing to assess damages of which

1 hearing complainant and surety shall have reasonable notice, the said
2 complainant and surety submitting themselves to the jurisdiction of the
3 court for that purpose. But nothing herein contained shall deprive any
4 party having a claim or cause of action under or upon such undertaking
5 from electing to pursue his or her ordinary remedy by suit at law or in
6 equity.

7 **Sec. 131.** RCW 60.08.020 and 1983 c 33 s 1 are each amended to read
8 as follows:

9 In order to make such lien effectual, the lien claimant shall,
10 within ninety days from the date of delivery of such chattel to the
11 owner, file in the office of the auditor of the county in which such
12 chattel is kept, a lien notice, which notice shall state the name of
13 the claimant, the name of the owner, a description of the chattel upon
14 which the claimant has performed labor or furnished material, the
15 amount for which a lien is claimed, and the date upon which such
16 expenditure of labor or material was completed, which notice shall be
17 signed by the claimant or someone on his or her behalf, and may be in
18 substantially the following form:

19 CHATTEL LIEN NOTICE.

20 Claimant, }
21 against }
22 Owner. }

23 Notice is hereby given that has and claims a
24 lien upon (here insert description of chattel), owned by
25 for the sum of dollars, for and on account of
26 labor, skill and material expended upon said
27 which was completed upon the day of, 19...

28

29 Claimant.

30 **Sec. 132.** RCW 60.08.060 and 1983 c 33 s 2 are each amended to read

35 book or file (but need not record the same). Such book or file shall

1 have herewith an alphabetic index, in which the county auditor shall
2 index such notice by noting the name of the owner, name of lien

7 as follows:

8 As used in this chapter, "commercially reasonable" shall be
9 construed in a manner consistent with the following:

10 The fact that a better price could have been obtained by a sale at
11 a different time or in a different method from that selected by the
12 lien holder is not of itself sufficient to establish that the sale was
13 not made in a commercially reasonable manner. If the lien holder
14 either sells the collateral in the usual manner in any recognized
15 market therefor or if he or she sells at the price current in such
16 market at the time of his or her sale or if he or she has otherwise
17 sold in conformity with reasonable commercial practices among dealers
18 in the type of property sold he or she has sold in a commercially
19 reasonable manner. A disposition which has been approved in any
20 judicial proceeding or by any bona fide creditors' committee or
21 representative of creditors shall conclusively be deemed to be
22 commercially reasonable, but this sentence does not indicate that any
23 such approval must be obtained in any case nor does it indicate that
24 any disposition not so approved is not commercially reasonable.

25 **Sec. 134.** RCW 60.16.010 and 1917 c 110 s 1 are each amended to
26 read as follows:

31 orchard lands for such work and labor so performed.

32 **Sec. 135.** RCW 60.24.020 and 1923 c 10 s 1 are each amended to read
33 as follows:

34 Every person performing labor upon or who shall assist in obtaining
35 or securing saw logs, spars, piles, cord wood, shingle bolts, or other

1 timber, and the owner or owners of any tugboat or towboat, which shall
2 tow or assist in towing, from one place to another within this state,

10 or labor done upon, or in obtaining or securing, or for services
11 rendered in towing, transporting, hauling, or driving, the particular
12 saw logs, spars, cord wood, shingle bolts, or other timber in said
13 claim of lien described whether such work, labor, or services was done,
14 rendered, or performed at the instance of the owner of the same or his
15 or her agent. Scalers, and bull cooks, and cooks, flunkeys and waiters
16 in lumber camps, shall be regarded as persons who assist in obtaining
17 or securing the timber herein mentioned.

23 manufactured, or in the possession or under the control of the
24 manufacturer, whether such work or labor was done at the instance of
25 the owner of such logs or his or her agent or any contractor or
26 subcontractor of such owner. The term "lumber," as used in this
27 chapter, shall be held and be construed to mean all logs or other
28 timber sawed or split for use, including beams, joists, planks, boards,
29 shingles, laths, staves, hoops, and every article of whatsoever nature
30 or description manufactured from saw logs or other timber.

31 **Sec. 137.** RCW 60.24.035 and 1893 c 132 s 3 are each amended to

12 credits and offsets, with the name of the person by whom he or she was
13 employed, with a statement of the terms and conditions of his or her
14 contract, if any, and in case there is no express contract, the claim
15 shall state what such service, work, or labor is reasonably worth; and
16 it shall also contain a description of the property to be charged with
17 the lien sufficient for identification with reasonable certainty, which
18 claim must be verified by the oath of himself or herself or some other
19 person to the effect that the affiant believes the same to be true,
20 which claim shall be substantially in the following form:

20 read as follows:

21 The county auditor must record any claim filed under this chapter
22 in a book kept by him or her for that purpose, which record must be
23 indexed, as deeds and other conveyances are required by law to be

25 allowed to make complaint more definite and certain, if it appear to
26 the court that the defendant or defendants have or should have
27 knowledge of the facts, or that it can be made more certain and
28 definite by facts which will appear necessarily in the testimony; but
29 the case, unless the court sustains the demurrer to the complaint,
30 shall be heard on the merits as speedily as possible, and amendments of
31 the pleadings, if necessary, shall be liberally allowed.

20 It shall be conclusively presumed by the court that a party
21 purchasing the property liened upon within thirty days given herein to
22 claimants wherein to file their liens, is not an innocent third party,
23 nor that he or she has become a bona fide owner of the property liened
24 upon, unless it shall appear that he or she has paid full value for the
25 said property, and has seen that the purchase money of the said
26 property has been applied to the payment of such bona fide claims as
27 are entitled to liens upon the said property under the provisions of
28 this chapter, according to the priorities herein established.

11 damages to the amount secured by his or her lien, and it being shown to
12 the court in the civil action to enforce said lien, it shall be the
13 duty of the court to enter a personal judgment for the amount in such
14 action against the said person, provided he or she be a party to such
15 action, or the damages may be recovered by a civil action against such

3 finds reasonable. If a claimant fails to bring action to foreclose his
4 or her lien within the four months period, the reserve fund shall be
5 discharged from the lien of his or her claim and the funds shall be
6 paid to the contractor. The four months limitation shall not, however,

29 expiration. There shall be a rebuttable presumption that the estimated
30 residual value is unreasonable to the extent that the estimated
31 residual value exceeds the actual residual value by more than three
32 times the average payment allocable to a monthly period under the
33 lease. In addition, where the lessee has such liability on expiration
34 of a consumer lease there shall be a rebuttable presumption that the
35 lessor's estimated residual value is not in good faith to the extent

1 that the estimated residual value exceeds the actual residual value by
2 more than three times the average payment allocable to a monthly period
3 under the lease and such lessor shall not collect from the lessee the
4 amount of such excess liability on expiration of a consumer lease
5 unless the lessor brings a successful action with respect to such
6 excess liability. In all actions, the lessor shall pay the lessee's
7 reasonable attorneys' fees. The presumptions stated in this section
8 shall not apply to the extent the excess of estimated over actual
9 residual value is due to physical damage to the property beyond
10 reasonable wear and use, or to excessive use, and the lease may set
11 standards for such wear and use if such standards are not unreasonable.
12 Nothing in this subsection shall preclude the right of a willing lessee
13 to make any mutually agreeable final adjustment with respect to such
14 excess residual liability, provided such an agreement is reached after
15 termination of the lease.

16 (2) Penalties or other charges for delinquency, default, or early
17 termination may be specified in the lease but only at an amount which
18 is reasonable in the light of the anticipated or actual harm caused by
19 the delinquency, default, or early termination, the difficulties of
20 proof of loss, and the inconvenience or nonfeasibility of otherwise
21 obtaining an adequate remedy.

22 (3) If a lease has a residual value provision at the termination of
23 the lease, the lessee may obtain, at his or her expense, a professional
24 appraisal of the leased property by an independent third party agreed
25 to be both parties. Such appraisal shall be final and binding on the
26 parties.

35 stated as a series of equal scheduled amounts and if the amount of the
36 final installment payment does not substantially exceed the scheduled
37 amount of each preceding installment payment, the maximum number of

1 payments and the amount and due date of each payment need not be
2 separately stated and the amount of the scheduled final installment
3 payment may be stated as the remaining unpaid balance. The due date of
4 the first installment payment may be fixed by a day or date or may be
5 fixed by reference to the date of the contract or to the time of

22 per annum computed monthly.

23 (e) You may cancel this contract if it is solicited in person, and
24 you sign it, at a place other than the seller's business address shown
25 on the contract, by sending notice of such cancellation by certified
26 mail return receipt requested to the seller at his or her address shown
27 on the contract which notice shall be posted not later than midnight of
28 the third day (excluding Sundays and holidays) following your signing
29 this contract. If you choose to cancel this contract, you must return
30 or make available to the seller at the place of delivery any
31 merchandise, in its original condition, received by you under this
32 contract."

33 ((~~Clause~~)) Subsection (2)(e) of this section needs to be included
34 in the notice only if the contract is solicited in person by the seller
35 or his or her representative, and the buyer signs it, at a place other
36 than the seller's business address shown on the contract.

1 **Sec. 168.** RCW 63.14.060 and 1967 c 234 s 4 are each amended to
2 read as follows:

3 Retail installment contracts negotiated and entered into by mail or
4 telephone without solicitation in person by (~~salesmen~~) salespersons
5 or other representatives of the seller and based upon a catalog of the
6 seller, or other printed solicitation of business, if such catalog or
7 other printed solicitation clearly sets forth the cash sale prices and
8 other terms of sales to be made through such medium, may be made as
9 provided in this section. The provisions of this chapter with respect
10 to retail installment contracts shall be applicable to such sales,
11 except that the retail installment contract, when completed by the
12 buyer need not contain the items required by RCW 63.14.040.

13 When the contract is received from the retail buyer, the seller
14 shall prepare a written memorandum containing all of the information
15 required by RCW 63.14.040 to be included in a retail installment
16 contract. In lieu of delivering a copy of the contract to the retail
17 buyer as provided in RCW 63.14.030, the seller shall deliver to the
18 buyer a copy of such memorandum prior to the due date of the first
19 installment payable under the contract: PROVIDED, That if the catalog
20 or other printed solicitation does not set forth all of the other terms
21 of sales in addition to the cash sales prices, such memorandum shall be
22 delivered to the buyer prior to or at the time of delivery of the goods
23 or services.

24 **Sec. 169.** RCW 63.14.080 and 1967 c 234 s 5 are each amended to
25 read as follows:

26 For the purpose of this section, "periodic time balance" means the
27 unpaid portion of the time balance as of the last day of each month, or
28 other uniform time interval established by the regular consecutive
29 payment period scheduled in a retail installment contract.

30 Notwithstanding the provisions of any retail installment contract
31 to the contrary, and if the rights of the purchaser have not been
32 terminated or forfeited under the terms of the contract, any buyer may
33 prepay in full the unpaid portion of the time balance thereof at any
34 time before its final due date and, if he or she does so, he or she
35 shall receive a refund credit of the unearned portion of the service
36 charge for such prepayment. The amount of such refund credit shall be
37 computed according to the "rule of seventy-eighths", that is it shall

1 represent at least as great a portion of the original service charge,
2 as the sum of the periodic time balances not yet due bears to the sum
3 of all the periodic time balances under the schedule of payments in the
4 contract: PROVIDED, That where the earned service charge (total
5 service charge minus refund credit) thus computed is less than the
6 following minimum service charge: Fifteen dollars where the principal
7 balance is not in excess of two hundred and fifty dollars, twenty-five
8 dollars where the principal balance exceeds two hundred and fifty
9 dollars but is not in excess of five hundred dollars, thirty-seven
10 dollars and fifty cents where the principal balance exceeds five
11 hundred dollars but is not in excess of one thousand dollars, and fifty
12 dollars where the principal balance exceeds one thousand dollars; then
13 such minimum service charge shall be deemed to be the earned service
14 charge: AND PROVIDED FURTHER, That where the amount of such refund
15 credit is less than one dollar, no refund credit need be made.

16 **Sec. 170.** RCW 63.14.110 and 1999 c 113 s 3 are each amended to
17 read as follows:

18 (1) If, in a retail installment transaction, a retail buyer makes
19 any subsequent purchases of goods or services from a retail seller from
20 whom he or she has previously purchased goods or services under one or
21 more retail installment contracts, and the amounts under such previous
22 contract or contracts have not been fully paid, the subsequent
23 purchases may, at the seller's option, be included in and consolidated
24 with one or more of the previous contracts. All the provisions of this
25 chapter with respect to retail installment contracts shall be
26 applicable to such subsequent purchases except as hereinafter stated in
27 this subsection. In the event of such consolidation, in lieu of the
28 buyer's executing a retail installment contract respecting each
29 subsequent purchase, as provided in this section, it shall be
30 sufficient if the seller shall prepare a written memorandum of each
31 such subsequent purchase, in which case the provisions of RCW
32 63.14.020, 63.14.030, and 63.14.040 shall not be applicable. Unless
33 previously furnished in writing to the buyer by the seller, by sales
34 slip, memoranda, or otherwise, such memorandum shall set forth with
35 respect to each subsequent purchase items (a) to (h) inclusive of RCW
36 63.14.040(1), and in addition, if the service charge is stated as a
37 dollar amount, the amount of the time balance owed by the buyer to the

1 seller for the subsequent purchase, the outstanding balance of the
2 previous contract or contracts, the consolidated time balance, and the
3 revised installments applicable to the consolidated time balance, if
4 any, in accordance with RCW 63.14.040. If the service charge is not
5 stated in a dollar amount, in addition to the items (a) to (h)
6 inclusive of RCW 63.14.040(1), the memorandum shall set forth the
7 outstanding balance of the previous contract or contracts, the
8 consolidated outstanding balance, and the revised installments
9 applicable to the consolidated outstanding balance, in accordance with
10 RCW 63.14.040.

11 The seller shall deliver to the buyer a copy of such memorandum
12 prior to the due date of the first installment of such consolidated
13 contract.

14 (2) When such subsequent purchases are made, if the seller has
15 retained title or taken a lien or other security interest in any of the
16 goods purchased under any one of the contracts included in the
17 consolidation:

18 (a) The entire amount of all payments made prior to such subsequent
19 purchases shall be deemed to have been applied on the previous
20 purchases;

21 (b) The amount of any down payment on the subsequent purchase shall
22 be allocated in its entirety to such subsequent purchase;

23 (c) Each payment received after the subsequent purchase shall be
24 deemed to be allocated to all of the various time balances in the same
25 proportion or ratio as the original cash sale prices of the various
26 retail installment transactions bear to one another: PROVIDED, That
27 the seller may elect, where the amount of each installment payment is
28 increased in connection with the subsequent purchase, to allocate only
29 the increased amount to the time balance of the subsequent retail
30 installment transaction, and to allocate the amount of each installment
31 payment prior to the increase to the time balance(s) existing at the
32 time of the subsequent purchase.

33 The provisions of this subsection shall not apply to cases where
34 such previous and subsequent purchases involve equipment, parts, or
35 other goods attached or affixed to goods previously purchased and not
36 fully paid, or to services in connection therewith rendered by the
37 seller at the buyer's request.

1 **Sec. 171.** RCW 63.14.140 and 1984 c 280 s 6 are each amended to
2 read as follows:

3 If the cost of any insurance is included in the retail installment
4 contract, retail charge agreement, or lender credit card agreement:

5 (1) The contract or agreement shall state the nature, purpose,
6 term, and amount of such insurance, and in connection with the sale of
7 a motor vehicle, the contract shall state that the insurance coverage
8 ordered under the terms of this contract does not include "bodily
9 injury liability," "public liability," and "property damage liability"
10 coverage, where such coverage is in fact not included;

11 (2) The contract or agreement shall state whether the insurance is
12 to be procured by the buyer or the seller;

13 (3) The amount, included for such insurance, shall not exceed the
14 premiums chargeable in accordance with the rate fixed for such
15 insurance by the insurer, except where the amount is less than one
16 dollar;

17 (4) If the insurance is to be procured by the seller or holder, he
18 or she shall, within forty-five days after delivery of the goods or
19 furnishing of the services under the contract, deliver, mail, or cause
20 to be mailed to the buyer, at his or her address as specified in the
21 contract, a notice thereof or a copy of the policy or policies of
22 insurance or a certificate or certificates of the insurance so
23 procured.

24 **Sec. 172.** RCW 63.14.150 and 1984 c 280 s 7 are each amended to
25 read as follows:

26 No provision of a retail installment contract, retail charge
27 agreement, or lender credit card agreement is valid by which the buyer
28 agrees not to assert against the seller or against an assignee a claim
29 or defense arising out of the sale, or by which the buyer agrees to
30 submit to suit in a county other than the county where the buyer signed
31 the contract or where the buyer resides or has his or her principal
32 place of business.

33 **Sec. 173.** RCW 63.14.152 and 1967 c 234 s 11 are each amended to
34 read as follows:

35 The seller, holder, or buyer may bring an action for declaratory
36 judgment to establish whether service charges contracted for or

1 received in connection with a retail installment transaction are in
2 excess of those allowed by chapter 234, Laws of 1967. Such an action
3 shall be brought against the current holder or against the buyer or his
4 or her successor in interest or, if the entire principal balance has
5 been fully paid, by the buyer or his or her successor in interest
6 against the holder to whom the final payment was made. No such action
7 shall be commenced after six months following the date the final
8 payment becomes due, whether by acceleration or otherwise, nor after
9 six months following the date the principal balance is fully paid,
10 whichever first occurs. If the buyer commences such an action and
11 fails to establish that the service charge is in excess of that allowed
12 by RCW 63.14.130, and if the court finds the action was frivolously
13 commenced, the defendant or defendants may, in the court's discretion,
14 recover reasonable attorneys' fees and costs from the buyer.

15 **Sec. 174.** RCW 63.14.154 and 1989 c 20 s 18 and 1989 c 14 s 8 are
16 each reenacted and amended to read as follows:

17 (1) In addition to any other rights he or she may have, the buyer
18 shall have the right to cancel a retail installment transaction for
19 other than the seller's breach by sending notice of such cancellation
20 to the seller at his or her place of business as set forth in the
21 contract or charge agreement by certified mail, return receipt
22 requested, which shall be posted not later than midnight of the third
23 day (excluding Sundays and holidays) following the date the buyer signs
24 the contract or charge agreement:

25 (a) If the retail installment transaction was entered into by the
26 buyer and solicited in person or by a commercial telephone solicitation
27 as defined by chapter 20, Laws of 1989 by the seller or his or her
28 representative at a place other than the seller's address, which may be
29 his or her main or branch office, shown on the contract; and

30 (b) If the buyer returns goods received or makes them available to
31 the seller as provided in (~~clause (b) of~~) subsection (2)(b) of this
32 section.

33 (2) In the event of cancellation pursuant to this section:

34 (a) The seller shall, without request, refund to the buyer within
35 ten days after such cancellation all deposits, including any down
36 payment, made under the contract or charge agreement and shall return

1 all goods traded in to the seller on account or in contemplation of the
2 contract less any reasonable costs actually incurred in making ready
3 for sale the goods so traded in;

4 (b) The seller shall be entitled to reclaim and the buyer shall
5 return or make available to the seller at the place of delivery in its
6 original condition any goods received by the buyer under the contract
7 or charge agreement;

8 (c) The buyer shall incur no additional liability for such
9 cancellation.

10 **Sec. 175.** RCW 63.14.158 and 1967 c 234 s 14 are each amended to
11 read as follows:

12 The holder of a retail installment contract or contracts may, upon
13 agreement in writing with the buyer, refinance the payment of the
14 unpaid time balance or balances of the contract or contracts by
15 providing for a new schedule of installment payments.

16 The holder may charge and contract for the payment of a refinance
17 charge by the buyer and collect and receive the same but such refinance
18 charge (1) shall be based upon the amount refinanced, plus any
19 additional cost of insurance and of official fees incident to such
20 refinancing, after the deduction of a refund credit in an amount equal
21 to that to which the buyer would have been entitled under RCW 63.14.080
22 if he or she had prepaid in full his or her obligations under the
23 contract or contracts, but in computing such refund credit there shall
24 not be allowed the minimum earned service charge as authorized by
25 (~~clause (d) of~~) subsection (1)(d) of such section, and (2) may not
26 exceed the rate of service charge provided under RCW 63.14.130. Such
27 agreement for refinancing may also provide for the payment by the buyer
28 of the additional cost to the holder of the contract or contracts of
29 premiums for continuing in force, until the maturity of the contract or
30 contracts as refinanced, any insurance coverages provided for therein,
31 subject to the provisions of RCW 63.14.140.

32 The refinancing agreement shall set forth the amount of the unpaid
33 time balance or balances to be refinanced, the amount of any refund
34 credit, the amount to be refinanced after the deduction of the refund
35 credit, the amount or rate of the service charge under the refinancing
36 agreement, any additional cost of insurance and of official fees to the
37 buyer, the new unpaid time balance, if the service charge is stated as

1 a dollar amount, and the new schedule of installment payments. Where
2 there is a consolidation of two or more contracts, then the provisions
3 of RCW 63.14.110 shall apply.

4 **Sec. 176.** RCW 63.14.200 and 1963 c 236 s 20 are each amended to
5 read as follows:

6 In the enforcement of this chapter, the attorney general may accept
7 an assurance of discontinuance of any act or practice deemed in
8 violation of this chapter, from any person engaging in, or who has
9 engaged in, such act or practice. Any such assurance shall be in
10 writing and be filed with and subject to the approval of the superior
11 court of the county in which the alleged violator resides or has his or
12 her principal place of business, or in Thurston county. Failure to
13 perform the terms of any such assurance shall constitute prima facie
14 proof of a violation of this chapter for the purpose of securing any
15 injunction as provided in RCW 63.14.190 and for the purpose of RCW
16 63.14.180 hereof: PROVIDED, That after commencement of any action by
17 a prosecuting attorney, as provided herein, the attorney general may
18 not accept an assurance of discontinuance without the consent of the

29 **Sec. 178.** RCW 63.29.070 and 2003 1st sp.s. c 13 s 4 are each
30 amended to read as follows:

31 (1) Funds held or owing under any life or endowment insurance
32 policy or annuity contract that has matured or terminated are presumed
33 abandoned if unclaimed for more than three years after the funds became
34 due and payable as established from the records of the insurance
35 company holding or owing the funds, but property described in
36 subsection (3)(b) of this section is presumed abandoned if unclaimed
37 for more than two years.

1 (2) If a person other than the insured or annuitant is entitled to
2 the funds and an address of the person is not known to the company or
3 it is not definite and certain from the records of the company who is
4 entitled to the funds, it is presumed that the last known address of
5 the person entitled to the funds is the same as the last known address
6 of the insured or annuitant according to the records of the company.

7 (3) For purposes of this chapter, a life or endowment insurance
8 policy or annuity contract not matured by actual proof of the death of
9 the insured or annuitant according to the records of the company is
10 matured and the proceeds due and payable if:

11 (a) The company knows that the insured or annuitant has died; or

12 (b)(i) The insured has attained, or would have attained if he or
13 she were living, the limiting age under the mortality table on which
14 the reserve is based;

15 (ii) The policy was in force at the time the insured attained, or
16 would have attained, the limiting age specified in ((subparagraph))
17 (b)(i) of this subsection; and

19 interest in the policy within the preceding two years, according to the
20 records of the company, has assigned, readjusted, or paid premiums on
21 the policy, subjected the policy to a loan, corresponded in writing
22 with the company concerning the policy, or otherwise indicated an
23 interest as evidenced by a memorandum or other record on file prepared
24 by an employee of the company.

25 (4) For purposes of this chapter, the application of an automatic
26 premium loan provision or other nonforfeiture provision contained in an
27 insurance policy does not prevent a policy from being matured or
28 terminated under subsection (1) of this section if the insured has died
29 or the insured or the beneficiaries of the policy otherwise have become
30 entitled to the proceeds thereof before the depletion of the cash
31 surrender value of a policy by the application of those provisions.

32 (5) If the laws of this state or the terms of the life insurance
33 policy require the company to give notice to the insured or owner that
34 an automatic premium loan provision or other nonforfeiture provision
35 has been exercised and the notice, given to an insured or owner whose
36 last known address according to the records of the company is in this
37 state, is undeliverable, the company shall make a reasonable search to

1 ascertain the policyholder's correct address to which the notice must
2 be mailed.

3 (6) Notwithstanding any other provision of law, if the company
4 learns of the death of the insured or annuitant and the beneficiary has
5 not communicated with the insurer within four months after the death,
6 the company shall take reasonable steps to pay the proceeds to the
7 beneficiary.

8 (7) Commencing two years after June 30, 1983, every change of

12 (a) The name of each beneficiary, or if a class of beneficiaries is
13 named, the name of each current beneficiary in the class;

17 amended to read as follows:

18 (1) Intangible property and any income or increment derived
19 therefrom held in a fiduciary capacity for the benefit of another
20 person is presumed abandoned unless the owner, within three years after
21 it has become payable or distributable, has increased or decreased the
22 principal, accepted payment of principal or income, communicated
23 concerning the property, or otherwise indicated an interest as
24 evidenced by a memorandum or other record on file prepared by the
25 fiduciary.

26 (2) Funds in an individual retirement account or a retirement plan
27 for self-employed individuals or similar account or plan established
28 pursuant to the internal revenue laws of the United States are not
29 payable or distributable within the meaning of subsection (1) of this
30 section unless, under the terms of the account or plan, distribution of
31 all or part of the funds would then be mandatory.

32 (3) For the purpose of this section, a person who holds property as
33 an agent for a business association is deemed to hold the property in
34 a fiduciary capacity for that business association alone, unless the
35 agreement between him or her and the business association provides
36 otherwise.

1 (4) For the purposes of this chapter, a person who is deemed to
2 hold property in a fiduciary capacity for a business association alone
3 is the holder of the property only insofar as the interest of the
4 business association in the property is concerned, and the business
5 association is the holder of the property insofar as the interest of
6 any other person in the property is concerned.

7 **Sec. 180.** RCW 63.29.200 and 1983 c 179 s 20 are each amended to
8 read as follows:

9 (1) Upon the payment or delivery of property to the department, the
10 state assumes custody and responsibility for the safekeeping of the
11 property. A person who pays or delivers property to the department in
12 good faith is relieved of all liability to the extent of the value of
13 the property paid or delivered for any claim then existing or which
14 thereafter may arise or be made in respect to the property.

15 (2) A holder who has paid money to the department pursuant to this
16 chapter may make payment to any person appearing to the holder to be
17 entitled to payment and, upon filing proof of payment and proof that
18 the payee was entitled thereto, the department shall promptly reimburse
19 the holder for the payment without imposing any fee or other charge.
20 If reimbursement is sought for a payment made on an instrument,
21 including a travelers check or money order, the holder must be
22 reimbursed under this subsection upon filing proof that the instrument
23 was duly presented and that payment was made to a person who appeared
24 to the holder to be entitled to payment. The holder must be reimbursed
25 for payment made under this subsection even if the payment was made to
26 a person whose claim was barred under RCW 63.29.290(1).

27 (3) A holder who has delivered property (including a certificate of
28 any interest in a business association) other than money to the
29 department pursuant to this chapter may reclaim the property if still
30 in the possession of the department, without paying any fee or other
31 charge, upon filing proof that the owner has claimed the property from
32 the holder.

33 (4) The department may accept the holder's affidavit as sufficient
34 proof of the facts that entitle the holder to recover money and
35 property under this section.

36 (5) If the holder pays or delivers property to the department in
37 good faith and thereafter another person claims the property from the

1 holder or another state claims the money or property under its laws
2 relating to escheat or abandoned or unclaimed property, the department,
3 upon written notice of the claim, shall defend the holder against the
4 claim and indemnify the holder against any liability on the claim.

12 **Sec. 199.** RCW 64.32.070 and 1963 c 156 s 7 are each amended to

22 separate parcel of real property subject to individual ownership:
23 PROVIDED, That no labor performed or materials furnished with the
24 consent of or at the request of the owner of any apartment, or such
25 owner's agent, contractor, or subcontractor, shall be the basis for the
26 filing of a lien against any other apartment or any other property of
27 any other apartment owner not expressly consenting to or requesting the

5 by reference to the percentages appearing on the declaration.
6 Subsequent to any such payment, discharge, or satisfaction, the
7 apartment and the percentage of undivided interest in the common areas
8 and facilities appurtenant thereto shall thereafter be free and clear
9 of the liens so paid, satisfied, or discharged. Such partial payment,
10 satisfaction, or discharge shall not prevent the lienor from proceeding

12 of undivided interest in the common areas and facilities appurtenant
13 thereto not so paid, satisfied, or discharged.

34 shall constitute a lien on such apartment prior to all other liens
35 except only (a) tax liens on the apartment in favor of any assessing
36 unit and/or special district, and (b) all sums unpaid on all mortgages

1 of record. Such lien is not subject to the ban against execution or
2 forced sales of homesteads under RCW 6.13.080 and may be foreclosed by
3 suit by the manager or board of directors, acting on behalf of the
4 apartment owners, in like manner as a mortgage of real property. In
5 any such foreclosure the apartment owner shall be required to pay a
6 reasonable rental for the apartment, if so provided in the bylaws, and
7 the plaintiff in such foreclosures shall be entitled to the appointment
8 of a receiver to collect the same. The manager or board of directors,
9 acting on behalf of the apartment owners, shall have power, unless
10 prohibited by the declaration, to bid on the apartment at foreclosure
11 sale, and to acquire and hold, lease, mortgage, and convey the same.
12 Upon an express waiver in the complaint of any right to a deficiency

14 sale. Suit to recover any judgment for any unpaid common expenses
15 shall be maintainable without foreclosing or waiving the liens securing
16 the same.

18 of an apartment obtains possession of the apartment as a result of
19 foreclosure of the mortgage, such possessor, his or her successors and
20 assigns shall not be liable for the share of the common expenses or
21 assessments by the association of apartment owners chargeable to such
22 apartment which became due prior to such possession. Such unpaid share

7 a mortgagee having a mortgage of record covering an apartment, shall
8 obtain insurance for the property against loss or damage by fire and
9 such other hazards under such terms and for such amounts as shall be
10 required or requested. Such insurance coverage shall be written on the
11 property in the name of the manager or of the board of directors of the
12 association of apartment owners, as trustee for each of the apartment
13 owners in the percentages established in the declaration. Premiums
14 shall be common expenses. Provision for such insurance shall be
15 without prejudice to the right of each apartment owner to insure his or
16 her own apartment and/or the personal contents thereof for his or her
17 benefit.

18 **Sec. 204.** RCW 64.32.240 and 1963 c 156 s 24 are each amended to

34 from any apartment and its percentage of undivided interest in the
35 common areas and facilities upon payment by the respective owner of his

1 or her proportionate share thereof based on the percentage of undivided
2 interest owned by such apartment owner.

26 papers constituting the records and files in said office of recorder of
27 deeds, and all such records and files are, and shall be, matters of
28 public information, free of charge to any and all persons demanding to
29 inspect or to examine the same, or to search the same for titles of

11 **Sec. 223.** RCW 65.12.170 and 1907 c 250 s 26 are each amended to
12 read as follows:

13 If, in any case, after hearing, the court finds that the applicant

29 to, or upon the real estate described in the application herein", and
30 such decree shall not be opened by reason of the absence, infancy, or
31 other disability of any person affected thereby, nor by any proceeding

13 person answering or the affidavit of someone in his or her behalf
14 having knowledge of the facts, and PROVIDED, ALSO, that no innocent
15 purchaser for value has acquired an interest. If there is any such
16 purchaser, the decree of registration shall not be opened, but shall
17 remain in full force and effect forever, subject only to the right of
18 appeal hereinbefore provided; but any person aggrieved by such decree
19 in any case may pursue his or her remedy by suit in the nature of an
20 action of tort against the applicant or any other person for fraud in
21 procuring the decree; and may also bring his or her action for
22 indemnity as hereinafter provided. Upon the filing of such answer, and
23 not less than ten days' notice having been given to the applicant, and
24 to such other interested parties as the court may order in such manner
25 as shall be directed by the court, the court shall proceed to review
26 the case, and if the court is satisfied that the order or decree ought
27 to be opened, an order shall be entered to that effect, and the court
28 shall proceed to review the proceedings, and shall make such order in
29 the case as shall be equitable in the premises. An appeal may be
30 allowed in this case, as well as from all other decrees affecting any
31 registered title within a like time, and in a like manner, as in the

10 estate is subject, and shall contain any other matter or information
11 properly to be determined by the court in pursuance of this chapter.
12 The decree shall be stated in a convenient form for transcription upon
13 the certificate of title, to be made as hereinafter provided by the
14 registrar of titles. Immediately upon the filing of the decree of

Sec. 230. RCW 65.12.260 and 1907 c 250 s 36 are each amended to read as follows:

The registrar shall, at the time that he or she enters his or her original certificate of title, make an exact duplicate thereof, but putting on it the words "Owner's duplicate certificate of ownership", and deliver the same to the owner or to his or her attorney duly authorized. For the purpose of preserving evidence of the signature and handwriting of the owner in his or her office, it shall be the duty of the registrar to take from the owner, in every case where it is practicable so to do, his or her receipt for the certificate of title which shall be signed by the owner in person. Such receipt, when signed and delivered in the registrar's office, shall be witnessed by the registrar or deputy registrar. If such receipt is signed elsewhere, it shall be witnessed and acknowledged in the same manner as is now provided for the acknowledgment of deeds. When so signed, such receipt shall be prima facie evidence of the genuineness of such signature.

Sec. 231. RCW 65.12.265 and 1907 c 250 s 37 are each amended to read as follows:

Where two or more persons are registered owners as tenants in common or otherwise, one owner's duplicate certificate can be issued for the entirety, or a separate duplicate owner's certificate may be issued to each owner for his or her undivided share.

Sec. 232. RCW 65.12.290 and 1907 c 250 s 41 are each amended to read as follows:

The original certificate in the registration book, any copy thereof duly certified under the signature of the registrar of titles or his or her deputy, and authenticated by his or her seal and also the owner's duplicate certificate shall be received as evidence in all the courts of this state, and shall be conclusive as to all matters contained therein, except so far as is otherwise provided in this chapter. In case of a variance between the owner's duplicate certificate and the original certificate, the original shall prevail.

1 **Sec. 233.** RCW 65.12.300 and 1907 c 250 s 42 are each amended to
2 read as follows:

3 The registrar of titles, under the direction of the court, shall
4 make and keep indexes of all duplication and of all certified copies
5 and decrees of registration and certificates of titles, and shall also
6 index and file in classified order all papers and instruments filed in
7 his or her office relating to applications and to registered titles.
8 The registrar shall also, under the direction of the court, prepare and
9 keep forms of indexes and entry books. The court shall prepare and
10 adopt convenient forms of certificates of titles, and also general
11 forms of memorials or notations to be used by the registrars of titles
12 in registering the common forms of conveyance and other instruments to
13 express briefly their effect.

14 **Sec. 234.** RCW 65.12.310 and 1907 c 250 s 43 are each amended to
15 read as follows:

16 The registrar of titles shall keep tract indexes, in which shall be
17 entered the lands registered in the numerical order of the townships,
18 ranges, sections, and in cases of subdivisions, the blocks and lots
19 therein, and the names of the owners, with a reference to the volume
20 and page of the register of titles in which the lands are registered.
21 He or she shall also keep alphabetical indexes, in which shall be
22 entered, in alphabetical order, the names of all registered owners, and
23 all other persons interested in, or holding charges upon, or any
24 interest in, the registered land, with a reference to the volume and
25 page of the register of titles in which the land is registered.

26 **Sec. 235.** RCW 65.12.320 and 1907 c 250 s 44 are each amended to
27 read as follows:

28 The owner of registered land may convey, mortgage, lease, charge,
29 or otherwise incumber, dispose of, or deal with the same as fully as if
30 it had not been registered. He or she may use forms of deeds, trust
31 deeds, mortgages and leases or voluntary instruments, like those now in
32 use, and sufficient in law for the purpose intended. But no voluntary
33 instrument of conveyance, except a will and a lease, for a term not
34 exceeding three years, purporting to convey or affect registered land,
35 shall take effect as a conveyance, or bind the land; but shall operate

1 only as a contract between the parties, and as evidence of the
2 authority to the registrar of titles to make registration. The act of
3 registration shall be the operative act to convey or affect the land.

4 **Sec. 236.** RCW 65.12.360 and 1907 c 250 s 48 are each amended to
5 read as follows:

6 No new certificate shall be entered or issued upon any transfer of
7 registered land, which does not divest the title in fee simple of said
8 land or some part thereof, from the owner or some one of the registered
9 owners. All interest in the registered land, less than a freehold
10 estate, shall be registered by filing with the registrar of titles, the
11 instruments creating, transferring, or claiming such interest, and by
12 a brief memorandum or memorial thereof, made by a registrar of titles
13 upon the certificate of title, and signed by him or her. A similar
14 memorandum, or memorial, shall also be made on the owner's duplicate.

15 The cancellation or extinguishment of such interests shall be
16 registered in the same manner. When any party in interest does not
17 agree as to the proper memorial to be made upon the filing of any
18 instrument, (voluntary or involuntary), presented for registration, or
19 where the registrar of titles is in doubt as to the form of such
20 memorial, the question shall be referred to the court for decision,
21 either on the certificate of the registrar of titles, or upon the
22 demand in writing of any party in interest.

23 The registrar of titles shall bring before the court all the papers
24 and evidence which may be necessary for the determination of the
25 question by the court. The court, after notice to all parties in
26 interest and a hearing, shall enter an order prescribing the form of
27 the memorial, and the registrar of titles shall make registration in
28 accordance therewith.

29 **Sec. 237.** RCW 65.12.370 and 1907 c 250 s 49 are each amended to
30 read as follows:

31 No new certificates of titles shall be entered, and no memorial
32 shall be made upon any certificate of title, in pursuance of any deed,
33 or other voluntary instrument, unless the owner's duplicate certificate
34 is presented with such instrument, except in cases provided for in this
35 chapter, or upon the order of the court for cause shown; and whenever
36 such order is made a memorial therefor shall be entered, or a new

1 certificate issued, as directed by said order. The production of the
2 owner's duplicate certificate, whenever any voluntary instrument is
3 presented for registration, shall be conclusive authority from the
4 registered owner to the registrar of titles, to enter a new
5 certificate, or to make a memorial of registration in accordance with
6 such instrument; and a new certificate or memorial shall be binding
7 upon the registered owner and upon all persons claiming under him or

29 other authority exercising such right shall pay all fees on account of
30 any memorial or registration or entry of new certificates, or duplicate
31 thereof, and fees for the filing of instruments required by this

10 outstanding owner's duplicate certificate is not presented, the
11 registrar of titles shall not enter a new certificate or make a
12 memorial, but the person claiming to be entitled thereto may apply by
13 petition to the court. The court may order the registered owner, or
14 any person withholding the duplicate certificate, to present or
15 surrender the same, and direct the entry of a memorial or new
16 certificate upon such presentation or surrender. If, in any case, the
17 person withholding the duplicate certificate is not amenable to the
18 process of the court, or cannot be found, or if, for any reason, the
19 outstanding owner's duplicate certificate cannot be presented or
20 surrendered without delay, the court may, by decree, annul the same,
21 and order a new certificate of title to be entered. Such new
22 certificate, and all duplicates thereof, shall contain a memorial of
23 the annulment of the outstanding duplicate. If in any case of an
24 outstanding mortgagee's or lessee's duplicate certificate shall be
25 withheld or otherwise dealt with, like proceedings may be had to obtain
26 registration as in case of the owner's withholding or refusing to
27 deliver the duplicate receipt.

28 **Sec. 254.** RCW 65.12.635 and 1907 c 250 s 79 are each amended to

3 Every writing and instrument required or permitted by this chapter
4 to be filed for registration, shall contain or have endorsed upon it,
5 the full name, place of residence, and post office address of the
6 grantee or other person requiring or claiming any right, title, or
7 interest under such instrument. Any change in residence or post office
8 address of such person shall be endorsed by the registrar of titles in
9 the original instrument, on receiving a sworn statement of such change.
10 All names and addresses shall also be entered on all certificates. All
11 notices required by, or given in pursuance of the provisions of this
12 chapter by the registrar of titles or by the court, after original
13 registration, shall be served upon the person to be notified; if a
14 resident of the state of Washington, as summons in civil actions are
15 served; and proof of such service shall be made as on the return of a
16 summons. All such notices shall be sent by mail, to the person to be
17 notified, if not a resident of the state of Washington, and his or her
18 residence and post office address, as stated in the certificate of
19 title, or in any registered instrument under which he or she claims an
20 interest. The certificate of the registrar of titles, or clerk of
21 court, that any notice has been served, by mailing the same, as
22 aforesaid, shall be conclusive proof of such notice: PROVIDED,
23 HOWEVER, That the court may, in any case, order different or further
24 service by publication or otherwise.

25 **Sec. 256.** RCW 65.12.650 and 1907 c 250 s 81 are each amended to
26 read as follows:

27 Any person claiming any right or interest in registered land,
28 adverse to the registered owner, arising subsequent to the date of the
29 original registration, may, if no other provision is made in this
30 chapter for registering the same, make a statement in writing, setting
31 forth fully his or her alleged right or interest and how or under whom
32 acquired, and a reference to the volume and page of the certificate of
33 title of the registered owner, and a description of the land to which
34 the right or interest is claimed. The statement shall be signed and
35 sworn to, and shall state the adverse claimant's residence, and
36 designate a place at which all notices may be served upon him or her.
37 This statement shall be entitled to registration, as an adverse claim;

1 and the court, upon the petition of any party in interest, shall grant
2 a speedy hearing upon the question of the validity of such adverse
3 claim, and shall enter such decree thereon as equity and justice may
4 require.

5 If the claim is adjudged to be invalid, its registration shall be
6 canceled. The court may, in any case, award such costs and damages,
7 including reasonable attorneys' fees, as it may deem just in the
8 premises.

9 **Sec. 257.** RCW 65.12.690 and 1907 c 250 s 85 are each amended to
10 read as follows:

11 If such action be for recovery for loss or damage arising only
12 through any omission, mistake, or misfeasance of the registrar of
13 titles or his or her deputies, or of any examiner of titles, or any
14 clerk of court or his or her deputy, in the performance of their
15 respective duties, under the provisions of this chapter, then the
16 county treasurer shall be the sole defendant to such action; but if
17 such action be brought for loss or damage arising only through the
18 fraud or wrongful act of some person or persons other than the
19 registrar or his or her deputies, the examiners of title, the clerk of
20 the court or his or her deputies, or arising jointly through the fraud
21 or wrongful act of such other person or persons, and the omission,
22 mistakes, or misfeasance of the registrar of titles or his or her
23 deputies, the examiners of titles, the clerk of the court or his or her
24 deputies, then such action shall be brought against both the county
25 treasurer and such persons or persons aforesaid. In all such actions,
26 where there are defendants other than the county treasurer, and damages
27 shall have been recovered, no final judgment shall be entered against
28 the county treasurer, until execution against the other defendants
29 shall be returned unsatisfied in whole or in part, and the officer
30 returning the execution shall certify that the amount still due upon
31 the execution cannot be collected except by application to the
32 indemnity (~~(~~assurance~~)~~) assurance fund. Thereupon the court, being
33 satisfied as to the truth of such return, shall order final judgment
34 against the treasurer, for the amount of the execution and costs, or so
35 much thereof as remains unpaid. The county treasurer shall, upon such
36 order of the court and final judgment, pay the amount of such judgment
37 out of the assurance fund. It shall be the duty of the county attorney

1 to appear and defend all such actions. If the funds in the assurance
2 funds at any time are insufficient to pay any judgment in full, the
3 balance unpaid shall draw interest at the legal rate of interest, and
4 be paid with such interest out of the first funds coming into said
5 fund.

7 to read as follows:

8 No action or proceeding for compensation for or by reason of any
9 deprivation, loss, or damage occasioned or sustained as provided in
10 this chapter, shall be made, brought, or taken, except within the
11 period of six years from the time when right to bring or take such
12 action or proceeding first accrued; except that if, at any time, when
13 such right of action first accrues, the person entitled to bring such
14 action, or take such proceeding, is under the age of eighteen years, or
15 insane, imprisoned, or absent from the United States in the service of
16 the United States, or of this state, then such person, or anyone
17 claiming from, by, or under him or her, may bring the action, or take
18 the proceeding, at any time within two years after such disability is
19 removed, notwithstanding the time before limited in that behalf has
20 expired.

25 memorial thereon, and the attestation of the same by the registrar of
26 titles, except by order of the court. Any registered owner, or other
27 person in interest, may at any time apply by petition to the court, on
28 the ground that registered interests of any description, whether
29 vested, contingent, expectant, or inchoate, have determined and ceased;
30 or that new interests have arisen or been created, which do not appear
31 upon the certificate; or that an error, omission, or mistake was made
32 in entering the certificate; or any memorial thereon, or any duplicate
33 certificate; or that the name of any person on the certificate has been
34 changed; or that the registered owner has been married, or if
35 registered, has married, that the marriage has been terminated, or that
36 a corporation which owned registered land has been dissolved, and has

1 not conveyed the same within three years after its dissolution; or upon
2 any other reasonable ground; and the court shall have jurisdiction to
3 hear and determine the petition after such notice as it may order, to
4 all parties in interest, and may order the entry of a new certificate,
5 the entry or cancellation of a memorial upon a certificate, or grant
6 any other relief upon such terms and conditions, requiring security if
7 necessary, as it may deem proper: PROVIDED, HOWEVER, That this section
8 shall not be construed to give the court authority to open the original
9 decree of registration, and that nothing shall be done or ordered by
10 the court which shall impair the title or other interest of the
11 purchaser, holding a certificate for value and in good faith, or his or
12 her heirs or assigns, without his or her or their written consent.

7 holds a permit issued by the director as provided by such regulations.
8 Insofar as practicable, such regulations shall conform with, shall
9 specify the conditions prescribed by, and shall remain in effect only
10 so long as those promulgated under section 404(a) of the federal act.

11 **Sec. 336.** RCW 69.04.390 and 1963 c 198 s 2 are each amended to
12 read as follows:

13 Any poisonous or deleterious substance added to any food, except
14 where such substance is required in the production thereof or cannot be
15 avoided by good manufacturing practice, shall be deemed unsafe for
16 purposes of the application of (~~clause (2)(a) of~~) RCW
17 69.04.210(2)(a); but when such substance is so required or cannot be so
18 avoided, the director shall promulgate regulations limiting the
19 quantity therein or thereon to such extent as he or she finds necessary
20 for the protection of public health, and any quantity exceeding the
21 limits so fixed shall also be deemed unsafe for purposes of the
22 application of (~~clause (2)(a) of~~) RCW 69.04.210(2)(a). While such a
23 regulation is in effect limiting the quantity of any such substance in
24 the case of any food, such food shall not, by reason of bearing or
25 containing any added amount of such substance, be considered to be
26 adulterated within the meaning of (~~clause (1) of~~) RCW 69.04.210(1).
27 In determining the quantity of such added substance to be tolerated in
28 or on different articles of food, the director shall take into account
29 the extent to which the use of such substance is required or cannot be
30 avoided in the production of each such article, and the other ways in
31 which the consumer may be affected by the same or other poisonous or
32 deleterious substances.

33 **Sec. 337.** RCW 69.04.392 and 1975 1st ex.s. c 7 s 26 are each
34 amended to read as follows:

35 (1) Any poisonous or deleterious pesticide chemical, or any
36 pesticide chemical which generally is recognized among experts

1 qualified by scientific training and experience to evaluate the safety
2 of pesticide chemicals as unsafe for use, added to a raw agricultural
3 commodity, shall be deemed unsafe for the purpose of the application of
4 (~~clause (2) of~~) RCW 69.04.210(2)(a) unless:

5 (a) A tolerance for such pesticide chemical in or on the raw
6 agricultural commodity has been prescribed pursuant to subsection (2)
7 (~~hereof~~) of this section and the quantity of such pesticide chemical
8 in or on the raw agricultural commodity is within the limits of the
9 tolerance so prescribed; or

10 (b) With respect to use in or on such raw agricultural commodity,
11 the pesticide chemical has been exempted from the requirement of a
12 tolerance pursuant to subsection (2) (~~hereof~~) of this section.

13 While a tolerance or exemption from tolerance is in effect for a
14 pesticide chemical with respect to any raw agricultural commodity, such
15 raw agricultural commodity shall not, by reason of bearing or
16 containing any added amount of such pesticide chemical, be considered
17 to be adulterated within the meaning of (~~clause (1) of~~) RCW
18 69.04.210(1).

19 (2) The regulations promulgated under section 408 of the federal
20 food, drug and cosmetic act, as of July 1, 1975, setting forth the
21 tolerances for pesticide chemicals in or on any raw agricultural
22 commodity, are hereby adopted as the regulations for tolerances
23 applicable to this chapter: PROVIDED, That the director is hereby
24 authorized to adopt by regulation any new or future amendments to such
25 federal regulations for tolerances, including exemption from tolerance
26 and zero tolerances, to the extent necessary to protect the public
27 health. The director is also authorized to issue regulations in the
28 absence of federal regulations and to prescribe therein tolerances for
29 pesticides, exemptions, and zero tolerances, upon his or her own motion
30 or upon the petition of any interested party requesting that such a
31 regulation be established. It shall be incumbent upon such petitioner
32 to establish, by data submitted to the director, that a necessity
33 exists for such regulation and that the effect of such regulation will
34 not be detrimental to the public health. If the data furnished by the
35 petitioner is not sufficient to allow the director to determine whether
36 such a regulation should be promulgated, the director may require
37 additional data to be submitted and failure to comply with this request

1 shall be sufficient grounds to deny the request of the petitioner for
2 the issuance of such regulation.

3 (3) In adopting any new or amended tolerances by regulation issued
4 pursuant to this section, the director shall give appropriate
5 consideration, among other relevant factors, to the following: (a) The
6 purpose of this chapter being to promote uniformity of state
7 legislation with the federal act; (b) the necessity for the production
8 of an adequate, wholesome, and economical food supply; (c) the other
9 ways in which the consumer may be affected by the same pesticide
10 chemical or by other related substances that are poisonous or
11 deleterious; and (d) the opinion of experts qualified by scientific
12 training and experience to determine the proper tolerance to be allowed
13 for any pesticide chemical.

14 **Sec. 338.** RCW 69.04.570 and 1945 c 257 s 75 are each amended to
15 read as follows:

16 No person shall introduce or deliver for introduction into
17 intrastate commerce any new drug which is subject to section 505 of the
18 federal act unless an application with respect to such drug has become
19 effective thereunder. No person shall introduce or deliver for
20 introduction into intrastate commerce any new drug which is not subject
21 to section 505 of the federal act, unless (1) it has been found, by
22 appropriate tests, that such drug is not unsafe for use under the
23 conditions prescribed, recommended, or suggested in the labeling
24 thereof; and (2) an application has been filed under this section of
25 this chapter with respect to such drug: PROVIDED, That the requirement
26 of (~~clause~~) subsection (2) of this section shall not apply to any
27 drug introduced into intrastate commerce at any time prior to the
28 enactment of this chapter or introduced into interstate commerce at any
29 time prior to the enactment of the federal act: PROVIDED FURTHER, That
30 if the director finds that the requirement of (~~clause~~) subsection (2)
31 of this section as applied to any drug or class of drugs, is not
32 necessary for the protection of the public health, he or she shall
33 promulgate regulations of exemption accordingly.

34 **Sec. 339.** RCW 69.04.600 and 1945 c 257 s 78 are each amended to
35 read as follows:

36 If the director finds, upon the basis of the information before him

1 or her and after due notice and opportunity for hearing to the
2 applicant, that the drug, subject to the application, is not safe for
3 use under the conditions prescribed, recommended, or suggested in the
4 labeling thereof, he or she shall, prior to such effective date, issue
5 an order refusing to permit such application to become effective and
6 stating the findings upon which it is based.

7 **Sec. 340.** RCW 69.04.620 and 1945 c 257 s 80 are each amended to
8 read as follows:

9 Orders of the director issued under RCW 69.04.600 shall be served
10 (1) in person by a duly authorized representative of the director or
11 (2) by mailing the order by registered mail addressed to the applicant
12 or respondent at his or her address last known to the director.

13 **Sec. 341.** RCW 69.04.750 and 1945 c 257 s 93 are each amended to
14 read as follows:

15 Hearings authorized or required by this chapter shall be conducted
16 by the director or his or her duly authorized representative designated
17 for the purpose.

18 **Sec. 342.** RCW 69.04.790 and 1945 c 257 s 97 are each amended to
19 read as follows:

20 Where a sample or specimen of any such article is taken for
21 examination under this chapter, the director shall, upon request,
22 provide a part thereof for examination by any person named on the label
23 of such article, or the owner thereof, or his or her attorney or agent;
24 except that the director is authorized, by regulation, to make such
25 reasonable exceptions from, and to impose such reasonable terms and
26 conditions relating to, the operation of this section as he or she
27 finds necessary for the proper administration of the provisions of this
28 chapter.

29 **Sec. 343.** RCW 69.04.840 and 1945 c 257 s 102 are each amended to
30 read as follows:

31 The director may cause to be disseminated information regarding
32 food, drugs, devices, or cosmetics in situations involving, in the
33 opinion of the director, imminent danger to health or gross deception
34 of, or fraud upon, the consumer. Nothing in this section shall be

1 construed to prohibit the director from collecting, reporting, and
2 illustrating the results of his or her examinations and investigations
3 under this chapter.

4 **Sec. 344.** RCW 69.04.915 and 1989 1st ex.s. c 9 s 225 are each
5 amended to read as follows:

6 The director of the department of agriculture shall by rule and
7 regulation establish uniform standards for pull date labeling, and
8 optimum storage conditions of perishable packaged food goods. In
9 addition to his or her other duties, the director, in consultation with
10 the secretary of the department of health where appropriate, may
11 promulgate such other rules and regulations as may be necessary to
12 carry out the purposes of RCW 69.04.900 through 69.04.920.

13 **Sec. 345.** RCW 69.07.060 and 1991 c 137 s 5 are each amended to
14 read as follows:

15 The director may, subsequent to a hearing thereon, deny, suspend,
16 or revoke any license provided for in this chapter if he or she
17 determines that an applicant has committed any of the following acts:

18 (1) Refused, neglected, or failed to comply with the provisions of
19 this chapter, the rules and regulations adopted hereunder, or any
20 lawful order of the director.

21 (2) Refused, neglected, or failed to keep and maintain records
22 required by this chapter, or to make such records available when
23 requested pursuant to the provisions of this chapter.

24 (3) Refused the department access to any portion or area of the
25 food processing plant for the purpose of carrying out the provisions of
26 this chapter.

27 (4) Refused the department access to any records required to be
28 kept under the provisions of this chapter.

29 (5) Refused, neglected, or failed to comply with any provisions of
30 chapter 69.04 RCW, Washington food, drug, and cosmetic act, or any
31 regulations adopted thereunder.

32 The provisions of this section requiring that a hearing be
33 conducted before an action may be taken against a license do not apply
34 to an action taken under RCW 69.07.065.

1 **Sec. 346.** RCW 69.25.080 and 1975 1st ex.s. c 201 s 9 are each
2 amended to read as follows:

3 (1) For the purpose of preventing the entry into or movement in
4 intrastate commerce of any egg product which is capable of use as human
5 food and is misbranded or adulterated, the director shall, whenever
6 processing operations are being conducted, unless under inspection by
7 the United States department of agriculture, cause continuous
8 inspection to be made, in accordance with the regulations promulgated
9 under this chapter, of the processing of egg products, in each plant
10 processing egg products for commerce, unless exempted under RCW
11 69.25.170. Without restricting the application of the preceding
12 sentence to other kinds of establishments within its provisions, any
13 food manufacturing establishment, institution, or restaurant which uses
14 any eggs that do not meet the requirements of RCW 69.25.170(1)(a) in
15 the preparation of any articles for human food, shall be deemed to be
16 a plant processing egg products, with respect to such operations.

17 (2) The director, at any time, shall cause such retention,
18 segregation, and reinspection as he or she deems necessary of eggs and
19 egg products capable of use as human food in each official plant.

20 (3) Eggs and egg products found to be adulterated at official
21 plants shall be condemned, and if no appeal be taken from such
22 determination or condemnation, such articles shall be destroyed for
23 human food purposes under the supervision of an inspector: PROVIDED,
24 That articles which may by reprocessing be made not adulterated need
25 not be condemned and destroyed if so reprocessed under the supervision
26 of an inspector and thereafter found to be not adulterated. If an
27 appeal be taken from such determination, the eggs or egg products shall
28 be appropriately marked and segregated pending completion of an appeal
29 inspection, which appeal shall be at the cost of the appellant if the
30 director determines that the appeal is frivolous. If the determination
31 of condemnation is sustained, the eggs or egg products shall be
32 destroyed for human food purposes under the supervision of an
33 inspector.

34 (4) The director shall cause such other inspections to be made of
35 the business premises, facilities, inventory, operations, and records
36 of egg handlers, and the records and inventory of other persons
37 required to keep records under RCW 69.25.140, as he or she deems
38 appropriate (and in the case of shell egg packers, packing eggs for the

1 ultimate consumer, at least once each calendar quarter) to assure that
2 only eggs fit for human food are used for such purpose, and otherwise
3 to assure compliance by egg handlers and other persons with the
4 requirements of RCW 69.25.140, except that the director shall cause
5 such inspections to be made as he or she deems appropriate to assure
6 compliance with such requirements at food manufacturing establishments,
7 institutions, and restaurants, other than plants processing egg
8 products. Representatives of the director shall be afforded access to
9 all such places of business for purposes of making the inspections
10 provided for in this chapter.

11 **Sec. 347.** RCW 69.25.100 and 1975 1st ex.s. c 201 s 11 are each
12 amended to read as follows:

13 (1) Egg products inspected at any official plant under the
14 authority of this chapter and found to be not adulterated shall be
15 pasteurized before they leave the official plant, except as otherwise
16 permitted by regulations of the director, and shall at the time they
17 leave the official plant, bear in distinctly legible form on their
18 shipping containers or immediate containers, or both, when required by
19 regulations of the director, the official inspection legend and
20 official plant number, of the plant where the products were processed,
21 and such other information as the director may require by regulations
22 to describe the products adequately and to assure that they will not
23 have false or misleading labeling.

24 (2) No labeling or container shall be used for egg products at
25 official plants if it is false or misleading or has not been approved
26 as required by the regulations of the director. If the director has
27 reason to believe that any labeling or the size or form of any
28 container in use or proposed for use with respect to egg products at
29 any official plant is false or misleading in any particular, he or she
30 may direct that such use be withheld unless the labeling or container
31 is modified in such manner as he or she may prescribe so that it will
32 not be false or misleading. If the person using or proposing to use
33 the labeling or container does not accept the determination of the
34 director, such person may request a hearing, but the use of the
35 labeling or container shall, if the director so directs, be withheld
36 pending hearing and final determination by the director. Any such
37 determination by the director shall be conclusive unless, within thirty

1 days after receipt of notice of such final determination, the person
2 adversely affected thereby appeals to the superior court in the county
3 in which such person has its principal place of business.

4 **Sec. 348.** RCW 69.25.110 and 1975 1st ex.s. c 201 s 12 are each
5 amended to read as follows:

6 (1) No person shall buy, sell, or transport, or offer to buy or
7 sell, or offer or receive for transportation, in any business in
8 intrastate commerce any restricted eggs, capable of use as human food,
9 except as authorized by regulations of the director under such
10 conditions as he or she may prescribe to assure that only eggs fit for
11 human food are used for such purpose.

12 (2) No egg handler shall possess with intent to use, or use, any
13 restricted eggs in the preparation of human food for intrastate
14 commerce except that such eggs may be so possessed and used when
15 authorized by regulations of the director under such conditions as he
16 or she may prescribe to assure that only eggs fit for human food are
17 used for such purpose.

18 (3) No person shall process any egg products for intrastate
19 commerce at any plant except in compliance with the requirements of
20 this chapter.

21 (4) No person shall buy, sell, or transport, or offer to buy or
22 sell, or offer or receive for transportation, in intrastate commerce
23 any egg products required to be inspected under this chapter unless
24 they have been so inspected and are labeled and packaged in accordance
25 with the requirements of RCW 69.25.100.

26 (5) No operator of any official plant shall allow any egg products
27 to be moved from such plant if they are adulterated or misbranded and
28 capable of use as human food.

29 (6) No person shall:

30 (a) Manufacture, cast, print, lithograph, or otherwise make any
31 device containing any official mark or simulation thereof, or any label
32 bearing any such mark or simulation, or any form of official
33 certificate or simulation thereof, except as authorized by the
34 director;

35 (b) Forge or alter any official device, mark, or certificate;

36 (c) Without authorization from the director, use any official
37 device, mark, or certificate, or simulation thereof, or detach, deface,

1 or destroy any official device or mark; or use any labeling or
2 container ordered to be withheld from use under RCW 69.25.100 after
3 final judicial affirmance of such order or expiration of the time for
4 appeal if no appeal is taken under said section;

5 (d) Contrary to the regulations prescribed by the director, fail to
6 use, or to detach, deface, or destroy any official device, mark, or
7 certificate;

8 (e) Knowingly possess, without promptly notifying the director or
9 his or her representative, any official device or any counterfeit,
10 simulated, forged, or improperly altered official certificate or any
11 device or label, or any eggs or egg products bearing any counterfeit,
12 simulated, forged, or improperly altered official mark;

13 (f) Knowingly make any false statement in any shipper's certificate
14 or other nonofficial or official certificate provided for in the
15 regulations prescribed by the director;

16 (g) Knowingly represent that any article has been inspected or
17 exempted, under this chapter when in fact it has not been so inspected
18 or exempted; and

19 (h) Refuse access, at any reasonable time, to any representative of
20 the director, to any plant or other place of business subject to
21 inspection under any provisions of this chapter.

22 (7) No person, while an official or employee of the state or local
23 governmental agency, or thereafter, shall use to his or her own
24 advantage, or reveal other than to the authorized representatives of
25 the United States government or the state in their official capacity,
26 or as ordered by a court in a judicial proceeding, any information
27 acquired under the authority of this chapter concerning any matter
28 which the originator or relator of such information claims to be
29 entitled to protection as a trade secret.

30 **Sec. 349.** RCW 69.25.120 and 1975 1st ex.s. c 201 s 13 are each
31 amended to read as follows:

32 The director shall, whenever he or she determines that it would
33 effectuate the purposes of this chapter, cooperate with any state,
34 federal, or other governmental agencies in carrying out any provisions
35 of this chapter. In carrying out the provisions of this chapter, the
36 director may conduct such examinations, investigations, and inspections

1 as he or she determines practicable through any officer or employee of
2 any such agency commissioned by him or her for such purpose.

3 **Sec. 350.** RCW 69.25.140 and 1975 1st ex.s. c 201 s 15 are each
4 amended to read as follows:

5 For the purpose of enforcing the provisions of this chapter and the
6 regulations promulgated thereunder, all persons engaged in the business
7 of transporting, shipping, or receiving any eggs or egg products in
8 intrastate commerce or in interstate commerce, or holding such articles
9 so received, and all egg handlers, shall maintain such records showing,
10 for such time and in such form and manner, as the director may
11 prescribe, to the extent that they are concerned therewith, the
12 receipt, delivery, sale, movement, and disposition of all eggs and egg
13 products handled by them, and shall, upon the request of the director,
14 permit him or her at reasonable times to have access to and to copy all
15 such records.

17 read as follows:

18 (1) The director may, by regulation and under such conditions and
19 procedures as he or she may prescribe, exempt from specific provisions
20 of this chapter:

21 (a) The sale, transportation, possession, or use of eggs which
22 contain no more restricted eggs than are allowed by the tolerance in
23 the official state standards for consumer grades for shell eggs;

24 (b) The processing of egg products at any plant where the
25 facilities and operating procedures meet such sanitary standards as may
26 be prescribed by the director, and where the eggs received or used in
27 the manufacture of egg products contain no more restricted eggs than
28 are allowed by the official standards of the state consumer grades for
29 shell eggs, and the egg products processed at such plant;

30 (c) The sale of eggs by any poultry producer from his or her own
31 flocks directly to a household consumer exclusively for use by such

33 guests and employees, and the transportation, possession, and use of
34 such eggs in accordance with this subsection;

35 (d) The sale of eggs by shell egg packers on his or her own

1 members of his or her household and his or her nonpaying guests and
2 employees, and the transportation, possession, and use of such eggs in
3 accordance with this subsection;

4 (e) The sale of eggs by any egg producer with an annual egg
5 production from a flock of three thousand hens or less.

6 (2) The director may modify or revoke any regulation granting
7 exemption under this chapter whenever he or she deems such action
8 appropriate to effectuate the purposes of this chapter.

9 **Sec. 352.** RCW 69.25.180 and 1975 1st ex.s. c 201 s 19 are each
10 amended to read as follows:

11 The director may limit the entry of eggs and egg products and other
12 materials into official plants under such conditions as he or she may
13 prescribe to assure that allowing the entry of such articles into such
14 plants will be consistent with the purposes of this chapter.

15 **Sec. 353.** RCW 69.25.200 and 1975 1st ex.s. c 201 s 21 are each
16 amended to read as follows:

17 When the director has embargoed any eggs or egg products, he or she
18 shall petition the superior court of the county in which the eggs or
19 egg products are located for an order affirming such embargo. Such
20 court shall have jurisdiction for cause shown and after a prompt
21 hearing to any claimant of eggs or egg products, shall issue an order

23 correction and release of such eggs and egg products. An order for
24 destruction or the correction and release of such eggs and egg products
25 shall contain such provision for the payment of pertinent court costs
26 and fees and administrative expenses as is equitable and which the
27 court deems appropriate in the circumstances. An order for correction
28 and release may contain such provisions for a bond as the court finds
29 indicated in the circumstance.

30 **Sec. 354.** RCW 69.25.260 and 1979 ex.s. c 238 s 10 are each amended
31 to read as follows:

1 to the director for a permit to place reasonable facsimiles of the
2 Washington state egg seals to be imprinted on egg containers or on the
3 identification labels which show egg grade and size and the name of the
4 egg handler or dealer. The director shall, from time to time,
5 prescribe rules and regulations governing the affixing of seals and he
6 or she is authorized to cancel any such permit issued pursuant to this
7 chapter, whenever he or she finds that a violation of the terms under
8 which the permit has been granted has been violated.

9 **Sec. 355.** RCW 69.25.320 and 1995 c 374 s 31 are each amended to
10 read as follows:

11 (1) In addition to any other records required to be kept and
12 furnished the director under the provisions of this chapter, the
13 director may require any person who sells to any retailer, or to any
14 restaurant, hotel, boarding house, bakery, or any institution or
15 concern which purchases eggs for serving to guests or patrons thereof
16 or for its use in preparation of any food product for human
17 consumption, candled or graded eggs other than those of his or her own
18 production sold and delivered on the premises where produced, to
19 furnish that retailer or other purchaser with an invoice covering each
20 such sale, showing the exact grade or quality, and the size or weight
21 of the eggs sold, according to the standards prescribed by the
22 director, together with the name and address of the person by whom the
23 eggs were sold. The person selling and the retailer or other purchaser
24 shall keep a copy of said invoice on file at his or her place of
25 business for a period of thirty days, during which time the copy shall
26 be available for inspection at all reasonable times by the director:
27 PROVIDED, That no retailer or other purchaser shall be guilty of a
28 violation of this chapter if he or she can establish a guarantee from
29 the person from whom the eggs were purchased to the effect that they,
30 at the time of purchase, conformed to the information required by the
31 director on such invoice: PROVIDED FURTHER, That if the retailer or
32 other purchaser having labeled any such eggs in accordance with the
33 invoice keeps them for such a time after they are purchased as to cause
34 them to deteriorate to a lower grade or standard, and sells them under
35 the label of the invoice grade or standard, he or she shall be guilty
36 of a violation of this chapter.

1 (2) Each retailer and each distributor shall store shell eggs
2 awaiting sale or display eggs under clean and sanitary conditions in
3 areas free from rodents and insects. Shell eggs must be stored up off
4 the floor away from strong odors, pesticides, and cleaners.

5 (3) After being received at the point of first purchase, all graded
6 shell eggs packed in containers for the purpose of sale to consumers
7 shall be held and transported under refrigeration at ambient
8 temperatures no greater than forty-five degrees Fahrenheit (seven and
9 two-tenths degrees Celsius). This provision shall apply without
10 limitation to retailers, institutional users, dealer/wholesalers, food
11 handlers, transportation firms, or any person who handles eggs after
12 the point of first purchase.

13 (4) No invoice shall be required on eggs when packed for sale to
14 the United States department of defense, or a component thereof, if
15 labeled with grades promulgated by the United States secretary of
16 agriculture.

17 **Sec. 356.** RCW 69.28.020 and 1939 c 199 s 29 are each amended to
18 read as follows:

19 The director is hereby empowered, through his or her duly
20 authorized agents, to enforce all provisions of this chapter. The
21 director shall have the power to define, promulgate, and enforce such
22 reasonable regulations as he or she may deem necessary in carrying out
23 the provisions of this chapter.

28 soon as may be after same is found to be constructed in accordance with
29 the specification provided in RCW 70.74.025, such department shall
30 determine the amount of explosives that may be kept and stored in such
31 magazine by reference to the quantity and distance tables specified in

22 specified, the department shall notify the person to whom such license
23 is issued of the fact of such cancellation and shall in said notice
24 direct the removal of all explosives stored in said magazine within ten
25 days from the giving of said notice, or, if the cause of cancellation
26 be the failure to pay the annual license fee, or the fact that

12 occurrence up to and including the warning stage, and all intermediate
13 stages up to the warning stage, in any area of the state, to the air
14 pollution control authority with jurisdiction therein.

15 The episode avoidance plan, which shall be established by
16 regulation in accordance with chapter 34.05 RCW, shall include, but not
17 be limited to, the following:

18 (1) The designation of episode criteria and stages, the occurrence
19 of which will require the carrying out of preplanned episode avoidance
20 procedures. The stages of occurrence shall be (a) forecast, (b) alert,
21 (c) warning, (d) emergency, and such intermediate stages as the
22 department shall designate. "Forecast" means the presence of
23 meteorological conditions that are conducive to accumulation of air
24 contaminants and is the first stage of an episode. The department
25 shall not call a forecast episode prior to the department or an
26 authority calling a first stage impaired air quality condition as
27 provided by RCW 70.94.473(1)(b) or calling a single-stage impaired air
28 quality condition as provided by RCW 70.94.473(2). "Alert" means
29 concentration of air contaminants at levels at which short-term health
30 effects may occur, and is the second stage of an episode. "Warning"
31 means concentrations are continuing to degrade, contaminant
32 concentrations have reached a level which, if maintained, can result in
33 damage to health, and additional control actions are needed and is the
34 third level of an episode. "Emergency" means the air quality is posing
35 an imminent and substantial endangerment to public health and is the
36 fourth level of an episode;

37 (2) The requirement that persons responsible for the operation of
38 air contaminant sources prepare and obtain approval from the director

1 of source emission reduction plans, consistent with good operating
2 practice and safe operating procedures, for reducing emissions during
3 designated episode stages;

4 (3) Provision for the director of the department of ecology or his
5 or her authorized representative, or the air pollution control officer
6 if implementation has been delegated, on the satisfaction of applicable
7 criteria, to declare and terminate the forecast, alert, warning and all
8 intermediate stages, up to the warning episode stage, such declarations
9 constituting orders for action in accordance with applicable source
10 emission reduction plans;

11 (4) Provision for the governor to declare and terminate the
12 emergency stage and all intermediate stages above the warning episode
13 stage, such declarations constituting orders in accordance with
14 applicable source emission reduction plans;

15 (5) Provisions for enforcement by state and local police, personnel
16 of the departments of ecology and social and health services, and
17 personnel of local air pollution control agencies; and

18 (6) Provisions for reduction or discontinuance of emissions
19 immediately, consistent with good operating practice and safe operating
20 procedures, under an air pollution emergency as provided in RCW
21 70.94.720.

22 Source emission reduction plans shall be considered orders of the
23 department and shall be subject to appeal to the pollution control
24 hearings board according to the procedure in chapter 43.21B RCW.

25 **Sec. 410.** RCW 70.94.720 and 1971 ex.s. c 194 s 3 are each amended
26 to read as follows:

27 Whenever the governor finds that emissions from the operation of
28 one or more air contaminant sources is causing imminent danger to
29 public health or safety, he or she may declare an air pollution
30 emergency and may order the person or persons responsible for the
31 operation of such air contaminant source or sources to reduce or
32 discontinue emissions consistent with good operating practice, safe
33 operating procedures, and source emission reduction plans, if any,
34 adopted by the department of ecology or any local air pollution control
35 authority to which the department of ecology has delegated authority to
36 adopt emission reduction plans. Orders authorized by this section
37 shall be in writing and may be issued without prior notice or hearing.

1 In the absence of the governor, any findings, declarations, and orders
2 authorized by this section may be made and issued by his or her
3 authorized representative.

4 **Sec. 411.** RCW 70.95.210 and 1998 c 90 s 3 are each amended to read
5 as follows:

6 Whenever the jurisdictional health department denies a permit or
7 suspends a permit for a solid waste disposal site, it shall, upon
8 request of the applicant or holder of the permit, grant a hearing on
9 such denial or suspension within thirty days after the request therefor
10 is made. Notice of the hearing shall be given (~~to~~) to all
11 interested parties, including the county or city having jurisdiction
12 over the site and the department. Within thirty days after the
13 hearing, the health officer shall notify the applicant or the holder of
14 the permit in writing of his or her determination and the reasons
15 therefor. Any party aggrieved by such determination may appeal to the
16 pollution control hearings board by filing with the hearings board a
17 notice of appeal within thirty days after receipt of notice of the
18 determination of the health officer. The hearings board shall hold a
19 hearing in accordance with the provisions of the administrative
20 procedure act, chapter 34.05 RCW. If the jurisdictional health
21 department denies a permit renewal or suspends a permit for an
22 operating waste recycling facility that receives waste from more than
23 one city or county, and the applicant or holder of the permit requests
24 a hearing or files an appeal under this section, the permit denial or
25 suspension shall not be effective until the completion of the appeal
26 process under this section, unless the jurisdictional health department
27 declares that continued operation of the waste recycling facility poses
28 a very probable threat to human health and the environment.

33 availability of such substance, by reason of its packaging is such that
34 special packaging is required to protect children from serious personal

1 injury or serious illness resulting from handling, using, or ingesting
2 such substance; and

3 (b) The special packaging to be required by such standard is
4 technically feasible, practicable, and appropriate for such substance.

13 (3) In the case of a household substance subject to such a standard
14 which is packaged under subsection (1) of this section in a
15 noncomplying package, if the director determines that such substance is
16 not also being supplied by a manufacturer or packer in popular size
17 packages which comply with such standard, he or she may, after giving
18 the manufacturer or packer an opportunity to comply with the purposes
19 of this chapter, by order require such substance to be packaged by such
20 manufacturer or packer exclusively in special packaging complying with
21 such standard if he or she finds, after opportunity for hearing, that
22 such exclusive use of special packaging is necessary to accomplish the

34 any claim pending before the United States veterans' bureau or other
35 governmental agency administering benefits to war veterans. Where
36 these same documents are required of service personnel of the armed

1 forces of the United States for determining entitlement to family
2 allowances and other benefits, they shall be provided without charge by
3 county clerks and county auditors upon request of the person in the
4 service or his or her dependents.

5 **Sec. 507.** RCW 73.20.060 and 1945 c 139 s 2 are each amended to
6 read as follows:

7 An affidavit, executed by the attorney-in-fact or agent, setting
8 forth that the maker of the power of attorney is a member of the armed
9 forces of the United States or within the class of persons described in
10 RCW 73.20.050, and that he or she has not or had not, at the time of
11 doing any act pursuant to the power of attorney, received actual
12 knowledge or actual notice of the revocation or termination of the
13 power of attorney, by death or otherwise, or notice of any facts
14 indicating the same, shall, in the absence of fraud, be conclusive
15 proof of the nonrevocation or nontermination of the power at such time.
16 If the exercise of the power requires execution and delivery of any
17 instrument which is recordable under the laws of this state, such
18 affidavit shall likewise be recordable.

19 **Sec. 508.** RCW 73.36.010 and 1951 c 53 s 1 are each amended to read
20 as follows:

23 association.

24 "Veterans administration" means the veterans administration, its
25 predecessors or successors.

26 "Income" means moneys received from the veterans administration and
27 revenue or profit from any property wholly or partially acquired
28 therewith.

29 "Estate" means income on hand and assets acquired partially or
30 wholly with "income".

1 **Sec. 509.** RCW 73.36.040 and 1951 c 53 s 4 are each amended to read
2 as follows:

3 No person other than a bank or trust company shall be guardian of
4 more than five wards at one time, unless all the wards are members of
5 one family. Upon presentation of a petition by an attorney of the
6 veterans administration or other interested person, alleging that a
7 guardian is acting in a fiduciary capacity for more than five wards as
8 herein provided and requesting his or her discharge for that reason,
9 the court, upon proof substantiating the petition, shall require a
10 final accounting forthwith from such guardian and shall discharge him
11 or her from guardianships in excess of five and forthwith appoint a
12 successor.

13 **Sec. 510.** RCW 73.36.060 and 1951 c 53 s 6 are each amended to read
14 as follows:

15 Where a petition is filed for the appointment of a guardian for a
16 minor, a certificate of the administrator or his or her authorized
17 representative, setting forth the age of such minor as shown by the
18 records of the veterans administration and the fact that the
19 appointment of a guardian is a condition precedent to the payment of
20 any moneys due the minor by the veterans administration shall be prima
21 facie evidence of the necessity for such appointment.

22 **Sec. 511.** RCW 73.36.090 and 1951 c 53 s 9 are each amended to read
23 as follows:

24 (1) Upon the appointment of a guardian, he or she shall execute and
25 file a bond to be approved by the court in an amount not less than the
26 estimated value of the personal estate and anticipated income of the
27 ward during the ensuing two years, except in cases where banks or trust
28 companies are appointed as guardian and no bond is required by the
29 general state law. The bond shall be in the form and be conditioned as
30 required of guardians appointed under the general guardianship laws of
31 this state. The court may from time to time require the guardian to
32 file an additional bond.

33 (2) Where a bond is tendered by a guardian with personal sureties,
34 there shall be at least two such sureties and they shall file with the
35 court a certificate under oath which shall describe the property owned,
36 both real and personal, and shall state that each is worth the sum

1 named in the bond as the penalty thereof over and above all his or her
2 debts and liabilities and the aggregate of other bonds in which he or
3 she is principal or surety and exclusive of property exempt from
4 execution. The court may require additional security or may require a
5 corporate surety bond, the premium thereon to be paid from the ward's
6 estate.

7 **Sec. 512.** RCW 73.36.100 and 1951 c 53 s 10 are each amended to
8 read as follows:

9 (1) Every guardian, who has received or shall receive on account of
10 his or her ward any money or other thing of value from the veterans
11 administration, at the expiration of two years from date of his or her
12 appointment, and every two years thereafter on the anniversary date of
13 his or her appointment, or as much oftener as the court may require,
14 shall file with the court a full, true and accurate account under oath
15 of all moneys or other things of value received by him or her, all
16 earnings, interest, or profits derived therefrom, and all property
17 acquired therewith and of all disbursements therefrom, and showing the
18 balance thereof in his or her hands at the date of the account and how
19 invested. Each year when not required to file an account with the
20 court, the guardian shall file an account with the proper office of the
21 veterans administration. If the interim account be not filed with the
22 veterans administration, or, if filed, shall be unsatisfactory, the
23 court shall upon receipt of notice thereof from the veterans
24 administration require the guardian forthwith to file an account which
25 shall be subject in all respects to the next succeeding paragraphs.
26 Any account filed with the veterans administration and approved by the
27 chief attorney thereof may be filed with the court and be approved by
28 the court without hearing, unless a hearing thereon be requested by
29 some party in interest.

30 (2) The guardian, at the time of filing any account with the court
31 or veterans administration shall exhibit all securities or investments
32 held by him or her to an officer of the bank or other depository
33 wherein said securities or investments are held for safekeeping or to
34 an authorized representative of the corporation which is surety on his
35 or her bond, or to the judge or clerk of a court of record in this
36 state, or upon request of the guardian or other interested party, to
37 any other reputable person designated by the court, who shall certify

1 in writing that he or she has examined the securities or investments
2 and identified them with those described in the account and shall note
3 any omissions or discrepancies. If the depository is the guardian, the
4 certifying officer shall not be the officer verifying the account. The
5 guardian may exhibit the securities or investments to the judge of the
6 court, who shall endorse on the account and copy thereof, a certificate
7 that the securities or investments shown therein as held by the
8 guardian were each in fact exhibited to him or her and that those
9 exhibited to him or her were the same as those in the account and
10 noting any omission or discrepancy. The certificate, and the
11 certificate of an official of the bank in which are deposited any funds
12 for which the guardian is accountable, showing the amount on deposit,
13 shall be prepared and signed in duplicate and one of each shall be
14 filed by the guardian with his or her account.

15 (3) At the time of filing in the court any account, a certified
16 copy thereof and a signed duplicate of each certificate filed with the
17 court shall be sent by the guardian to the office of the veterans
18 administration having jurisdiction over the area in which such court is
19 located. A duplicate signed copy or a certified copy of any petition,
20 motion, or other pleading pertaining to an account, or to any matter
21 other than an account, and which is filed in the guardianship
22 proceedings or in any proceedings for the purpose of removing the
23 disability of minority or mental incapacity, shall be furnished by the
24 persons filing the same to the proper office of the veterans
25 administration. Unless hearing be waived in writing by the attorney of
26 the veterans administration and by all other persons, if any, entitled
27 to notice, the court shall fix a time and place for the hearing on the
28 account, petition, motion, or other pleading, not less than fifteen
29 days nor more than sixty days from the date same is filed, unless a
30 different available date be stipulated in writing. Unless waived in
31 writing, written notice of the time and place of hearing shall be given
32 the veterans administration office concerned and to the guardian and
33 any others entitled to notice, not less than fifteen days prior to the
34 date fixed for the hearing. The notice may be given by mail, in which
35 event it shall be deposited in the mails not less than fifteen days
36 prior to said date. The court or clerk thereof, shall mail to said
37 veterans administration office a copy of each order entered in any

1 guardianship proceeding wherein the administrator is an interested
2 party.

3 (4) If the guardian is accountable for property derived from
4 sources other than the veterans administration, he or she shall be
5 accountable as is or may be required under the applicable law of this
6 state pertaining to the property of minors or persons of unsound mind
7 who are not beneficiaries of the veterans administration, and as to
8 such other property shall be entitled to the compensation provided by
9 such law. The account for other property may be combined with the
10 account filed in accordance with this section.

11 **Sec. 513.** RCW 73.36.110 and 1951 c 53 s 11 are each amended to
12 read as follows:

13 If any guardian shall fail to file with the court any account as
14 required by this chapter, or by an order of the court, when any account
15 is due or within thirty days after citation issues and provided by law,
16 or shall fail to furnish the veterans administration a true copy of any
17 account, petition, or pleading as required by this chapter, such
18 failure may in the discretion of the court be ground for his or her
19 removal, in addition to other penalties provided by law.

20 **Sec. 514.** RCW 73.36.130 and 1951 c 53 s 13 are each amended to
21 read as follows:

22 Every guardian shall invest the surplus funds of his or her ward's
23 estate in such securities or property as authorized under the laws of
24 this state but only upon prior order of the court; except that the
25 funds may be invested, without prior court authorization, in direct
26 unconditional interest-bearing obligations of this state or of the
27 United States and in obligations the interest and principal of which
28 are unconditionally guaranteed by the United States. A signed
29 duplicate or certified copy of the petition for authority to invest
30 shall be furnished the proper office of the veterans administration,
31 and notice of hearing thereon shall be given said office as provided in
32 the case of hearing on a guardian's account.

33 **Sec. 515.** RCW 73.36.150 and 1951 c 53 s 15 are each amended to
34 read as follows:

35 (1) The court may authorize the purchase of the entire fee simple

1 title to real estate in this state in which the guardian has no
2 interest, but only as a home for the ward, or to protect his or her
3 interest, or (if he or she is not a minor) as a home for his or her
4 dependent family. Such purchase of real estate shall not be made
5 except upon the entry of an order of the court after hearing upon
6 verified petition. A copy of the petition shall be furnished the
7 proper office of the veterans administration and notice of hearing
8 thereon shall be given said office as provided in the case of hearing
9 on a guardian's account.

10 (2) Before authorizing such investment the court shall require
11 written evidence of value and of title and of the advisability of
12 acquiring such real estate. Title shall be taken in the ward's name.
13 This section does not limit the right of the guardian on behalf of his
14 or her ward to bid and to become the purchaser of real estate at a sale
15 thereof pursuant to decree of foreclosure of lien held by or for the
16 ward, or at a trustee's sale, to protect the ward's right in the
17 property so foreclosed or sold; nor does it limit the right of the
18 guardian, if such be necessary to protect the ward's interest and upon
19 prior order of the court in which the guardianship is pending, to agree
20 with cotenants of the ward for a partition in kind, or to purchase from
21 cotenants the entire undivided interests held by them, or to bid and
22 purchase the same at a sale under a partition decree, or to compromise
23 adverse claims of title to the ward's realty.

24 **Sec. 516.** RCW 73.36.155 and 1951 c 53 s 16 are each amended to
25 read as follows:

26 When a copy of any public record is required by the veterans
27 administration to be used in determining the eligibility of any person
28 to participate in benefits made available by the veterans
29 administration, the official custodian of such public record shall
30 without charge provide the applicant for such benefits or any person
31 acting on his or her behalf or the authorized representative of the
32 veterans administration with a certified copy of such record.

33 **Sec. 517.** RCW 73.36.160 and 1951 c 53 s 17 are each amended to
34 read as follows:

35 In addition to any other provisions of law relating to judicial
36 restoration and discharge of guardian, a certificate by the veterans

1 administration showing that a minor ward has attained majority, or that
2 an incompetent ward has been rated competent by the veterans
3 administration upon examination in accordance with law shall be prima
4 facie evidence that the ward has attained majority, or has recovered
5 his or her competency. Upon hearing after notice as provided by this
6 chapter and the determination by the court that the ward has attained
7 majority or has recovered his or her competency, an order shall be
8 entered to that effect, and the guardian shall file a final account.
9 Upon hearing after notice to the former ward and to the veterans
10 administration as in case of other accounts, upon approval of the final
11 account, and upon delivery to the ward of the assets due him or her
12 from the guardian, the guardian shall be discharged and his or her
13 sureties released.

14 **Sec. 518.** RCW 73.36.165 and 1951 c 53 s 18 are each amended to
15 read as follows:

16 (1) Whenever, in any proceeding under the laws of this state for
17 the commitment of a person alleged to be of unsound mind or otherwise
18 in need of confinement in a hospital or other institution for his or
19 her proper care, it is determined after such adjudication of the status
20 of such person as may be required by law that commitment to a hospital
21 for mental disease or other institution is necessary for safekeeping or
22 treatment and it appears that such person is eligible for care or
23 treatment by the veterans administration or other agency of the United
24 States government, the court, upon receipt of a certificate from the
25 veterans administration or such other agency showing that facilities
26 are available and that such person is eligible for care or treatment
27 therein, may commit such person to said veterans administration or
28 other agency. The person whose commitment is sought shall be
29 personally served with notice of the pending commitment proceeding in
30 the manner as provided by the law of this state; and nothing in this
31 chapter shall affect his or her right to appear and be heard in the
32 proceedings. Upon commitment, such person, when admitted to any
33 hospital operated by any such agency within or without this state shall
34 be subject to the rules and regulations of the veterans administration
35 or other agency. The chief officer of any hospital of the veterans
36 administration or institution operated by any other agency of the
37 United States to which the person is so committed shall with respect to

1 such person be vested with the same powers as superintendents of state
2 hospitals for mental diseases within this state with respect to
3 retention of custody, transfer, parole, or discharge. Jurisdiction is
4 retained in the committing or other appropriate court of this state at
5 any time to inquire into the mental condition of the person so
6 committed, and to determine the necessity for continuance of his or her
7 restraint, and all commitments pursuant to this chapter are so
8 conditioned.

9 (2) The judgment or order of commitment by a court of competent
10 jurisdiction of another state or of the District of Columbia,
11 committing a person to the veterans administration, or other agency of
12 the United States government for care or treatment shall have the same
13 force and effect as to the committed person while in this state as in
14 the jurisdiction in which is situated the court entering the judgment
15 or making the order; and the courts of the committing state, or of the
16 District of Columbia, shall be deemed to have retained jurisdiction of
17 the person so committed for the purpose of inquiring into the mental
18 condition of such person, and of determining the necessity for
19 continuance of his or her restraint; as is provided in subsection (1)
20 of this section with respect to persons committed by the courts of this
21 state. Consent is hereby given to the application of the law of the
22 committing state or district in respect to the authority of the chief
23 officer of any hospital of the veterans administration, or of any
24 institution operated in this state by any other agency of the United
25 States to retain custody, or transfer, parole, or discharge the
26 committed person.

27 (3) Upon receipt of a certificate of the veterans administration or
28 such other agency of the United States that facilities are available
29 for the care or treatment of any person heretofore committed to any
30 hospital for the insane or other institution for the care or treatment
31 of persons similarly afflicted and that such person is eligible for
32 care or treatment, the superintendent of the institution may cause the
33 transfer of such person to the veterans administration or other agency
34 of the United States for care or treatment. Upon effecting any such
35 transfer, the committing court or proper officer thereof shall be
36 notified thereof by the transferring agency. No person shall be
37 transferred to the veterans administration or other agency of the
38 United States if he or she be confined pursuant to conviction of any

1 felony or misdemeanor or if he or she has been acquitted of the charge
2 solely on the ground of insanity, unless prior to transfer the court or
3 other authority originally committing such person shall enter an order
4 for such transfer after appropriate motion and hearing.

5 Any person transferred as provided in this section shall be deemed
6 to be committed to the veterans administration or other agency of the
7 United States pursuant to the original commitment.
