6 represent and petition as follows:

7            WHEREAS, The United States and the Republic of Korea signed the

9 and

10           WHEREAS, President Obama has committed to passing the KORUS FTA;  
11 and

12           WHEREAS, The KORUS FTA is still awaiting Congressional approval;  
13 and

14           WHEREAS, The imposition of artificial barriers to free and open  
15 trade are deterrents to American economic interests; and

16           WHEREAS, If approved, the KORUS FTA would be the most significant  
17 United States Free Trade Agreement in more than sixteen years; and

18           WHEREAS, Protectionism is gaining momentum around the world and  
19 passing the KORUS FTA at this time would send a strong signal to the

1 United States' trading partners that America's historic commitment to  
2 free trade and economic liberalization remains strong; and

3 WHEREAS, The Republic of Korea is the 15th largest economy in the  
4 world; and

5 WHEREAS, The Republic of Korea is the United States' seventh  
6 largest export market and is a major customer of goods such as civil  
7 aircrafts, electronics and technology, industrial machinery, plastics,  
8 chemicals, agricultural products including beef, and services; and

9 WHEREAS, An FTA between the United States and the Republic of Korea  
10 would make ninety-four percent of all trade between the two countries  
11 duty-free within three years and would eliminate most remaining tariffs  
12 within the next decade; and

13 WHEREAS, Lower tariffs would increase demand for United States'  
14 exports in the Republic of Korea; and

15 WHEREAS, The KORUS FTA would strengthen our economic and strategic  
16 alliance with the Republic of Korea; and

17 WHEREAS, The United States deficit is growing and the KORUS FTA  
18 will provide a private sector lead stimulus by increasing exports and  
19 will contribute to America's economic recovery at no cost to the United  
20 States' taxpayers; and

21 WHEREAS, That the Republic of Korea has finalized an agreement with  
22 the European Union (EU) which is expected to go into effect on July 1,  
23 2011; and

24 WHEREAS, The agreement with the EU will put United States' market  
25 share and jobs in industrial and agriculture sectors at a significant  
26 competitive disadvantage; and

27 WHEREAS, This trade agreement will contribute up to twelve billion  
28 dollars to the economy; and

29 WHEREAS, China's trade with South Korea has been expanding rapidly,  
30 necessitating an American response to avoid being left behind;

31 NOW, THEREFORE, Your Memorialists respectfully pray that the United  
32 States Congress approve the United States-Korean Free Trade Agreement  
33 without delay for the benefit of the United States' economy and  
34 national security.
