

HB 1237-S - DIGEST

(DIGEST AS ENACTED)

Provides an opportunity to register as required by the military selective service act when applying for certain drivers' licenses, permits, or identicards.

Requires the department of licensing to forward electronically any necessary personal information of the applicant to the selective service system.

Prohibits the department of licensing from denying the issuance of certain drivers' licenses, permits, or identicards, because an applicant declines to register with the selective service system.
