

HB 1311.E - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires the state health care authority to convene a collaborative, to be known as the Robert Bree collaborative, to identify health care services for which there are substantial variations in practice patterns or high utilization trends in the state that are indicators of poor quality and potential waste in the health care system.

Requires all state-purchased health care programs to implement certain evidence-based practice guidelines or protocols and strategies.
