

HB 1986-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Authorizes the department of transportation and local jurisdictions to allow certain private transportation providers to use certain reserved portions of highways and high-occupancy vehicle lanes.

Requires transit agencies that receive state funding for park and ride lots to make reasonable accommodations for certain private transportation providers.

Requires state and local jurisdictions, when designing portions of a highway for certain uses, to consider whether the design will safely accommodate certain authorized private transportation provider vehicles.
