

HB 2333 - DIGEST

Removes "writing" from certain education requirements to reduce state requirements on local school districts.

Prohibits the state board of education from adopting a requirement for completion of a culminating project.

Authorizes the state board of education to adopt a requirement for completion of a high school and beyond plan, but must allow students to substitute enrollment in certain other courses or programs for completion of the plan.

Requires the state auditor to conduct audits no more often than once every three years of school districts that have no findings of impropriety for the three-year period immediately preceding the audit period, including financial audits and accountability audits.
