

HB 2366-S.E - DIGEST

(DIGEST AS ENACTED)

Establishes the Matt Adler suicide assessment, treatment, and management training act.

Requires certain health professionals to complete training in suicide assessment, treatment, and management as part of their continuing education, continuing competency, or recertification requirements.

Requires the secretary of the department of health to conduct a study evaluating the effect of evidence-based suicide assessment, treatment, and management training on the ability of licensed health care professionals to identify, refer, treat, and manage patients with suicidal ideation.
