

**HB 2825 - DIGEST**

Provides that new members of the public employees' retirement system, the teachers' retirement system, and the school employees' retirement system are not eligible for certain alternate early retirement provisions.

Requires the select committee on pension policy to study the issue of job classifications in the state retirement systems that entail either high degrees of physical risk to the members' own personal safety or unusually high physical requirements that result in elevated risks of injury or disablement for older employees.
