

SB 6432 - DIGEST

Requires a law enforcement officer who is stationed or present at certain transportation facilities, or is in the presence of or is working with an agent of the federal transportation security administration or its equivalent while the agent is conducting an administrative search for transportation security of persons about to travel or already traveling in a vehicle of any kind, to record interactions between the agent and citizen when that citizen complains to the law enforcement officer about the manner in which the administrative search is being or has been conducted.
