

**HB 1194** - H AMD 148

By Representative Warnick

**NOT CONSIDERED**

1       On page 2, line 24, after "board" insert "; provided that any logs  
2 and construction material used in the construction of a habitat  
3 project must be securely tagged with (a) the name of the landowner,  
4 and (b) the lead entity group associated with the habitat project"

EFFECT: Requires that all construction materials used in habitat projects be tagged with the name of the landowner and lead entity.
