1 On page 2, beginning on line 28, after "applies" strike all
2 material through "or is" on line 29 and insert "at the time the
3 following certificates are first issued if the certificates are issued
4 on or after July 1, 2015, and at the time the following certificates
5 are renewed if the certificates are"

6
7 On page 5, line 6, after "district" strike "shall" and insert "is
8 encouraged to"

EFFECT: Clarifies that the training for school nurses,
counselors, social workers, and psychologists is required at the
time continuing and professional certificates are issued, or at the
time these certificates are renewed, if issue or renewal occurs on
or after July 1, 2015.

Encourages rather than requires Educational Service Districts to
develop and maintain capacity to offer training on youth suicide
screening and referral and on recognition and response to distress
in students.
