

SHB 2428 - H AMD 761

By Representative Fitzgibbon

1 On page 3, line 34, after "approval of" strike all material
2 through "county" on line 36 and enter "~~((the legislative authority of~~
3 ~~each city exceeding fifty thousand population within the county))~~
4 sixty percent of the legislative authorities of taxing districts, or
5 entities comprised solely of taxing districts, in the county that have
6 a population exceeding fifty thousand within the county and would
7 receive funds from the levy proposed in accordance with this section"
8

EFFECT: Replaces the requirement that a county must obtain approval of all legislative authorities of cities with a population exceeding 50,000 within the county prior to placing a countywide emergency medical service levy proposal on the ballot with a requirement that a county must obtain the prior approval of 60 percent of the legislative authorities of taxing districts, or entities comprised solely of taxing districts, in the county that have a population exceeding 50,000 and would receive funds from the levy.
