

**SHB 2439** - H AMD 748

By Representative Fitzgibbon

**ADOPTED 02/17/2014**

1 On page 16, beginning on line 30, strike all of section 13

2

3 Renumber the remaining sections consecutively and correct any  
4 internal references accordingly.

5

6 Correct the title.

7

EFFECT: Removes the provision that changed the requirement for approval of a master program segment to provide a level of protection of critical areas to ensure no net loss of shoreline ecological functions necessary to sustain shoreline natural resources.
