

SHB 2569 - H AMD 683

By Representative Smith

WITHDRAWN 02/18/2014

1           On page 3, line 1, after "systems;" insert the following:  
2           "(i) Projects to augment or replace diesel engines or power systems  
3 with engines or power systems that use liquefied or compressed natural  
4 gas;"

5           Reletter the remaining subsection consecutively and correct any  
6 internal references accordingly.

EFFECT: Authorizes loans from the diesel idle reduction account to be used for projects that replace or augment diesel engines or power systems with liquefied or compressed natural gas engines or power systems.
