34 cost, health care benefits or services not included in the schedule of
35 covered services under the plan. A participating managed health care
36 system shall not give preference in enrollment to enrollees who accept
37 such additional health care benefits or services. Managed health care

1 systems participating in the plan shall not discriminate against any
2 potential or current enrollee based upon health status, sex, race,
3 ethnicity, or religion. The ((~~administrator~~)) director may receive and
4 act upon complaints from enrollees regarding failure to provide covered
5 services or efforts to obtain payment, other than authorized
6 copayments, for covered services directly from enrollees, but nothing
7 in this chapter empowers the ((~~administrator~~)) director to impose any
8 sanctions under Title 18 RCW or any other professional or facility
9 licensing statute.

10 (2) A managed health care system shall pay a nonparticipating
11 provider that provides a service covered under this chapter to the
12 system's enrollee no more than the lowest amount paid for that service
13 under the managed health care system's contracts with similar providers
14 in the state.

15 (3) Pursuant to federal managed care access standards, 42 C.F.R.
16 Sec. 438, managed health care systems must maintain a network of
17 appropriate providers that is supported by written agreements
18 sufficient to provide adequate access to all services covered under the
19 contract with the authority, including hospital-based physician
20 services. The authority will monitor and periodically report on the
21 proportion of services provided by contracted providers and
22 nonparticipating providers, by county, for each managed health care
23 system to ensure that managed health care systems are meeting network
24 adequacy requirements. No later than January 1st of each year, the
25 authority will review and report its findings to the appropriate policy
26 and fiscal committees of the legislature for the preceding state fiscal
27 year.

28 (4) The plan shall allow, at least annually, an opportunity for
29 enrollees to transfer their enrollments among participating managed
30 health care systems serving their respective areas. The
31 ((~~administrator~~)) director shall establish a period of at least twenty
32 days in a given year when this opportunity is afforded enrollees, and
33 in those areas served by more than one participating managed health
34 care system the ((~~administrator~~)) director shall endeavor to establish
35 a uniform period for such opportunity. The plan shall allow enrollees
36 to transfer their enrollment to another participating managed health
37 care system at any time upon a showing of good cause for the transfer.

1 (5) Prior to negotiating with any managed health care system, the
2 ((~~administrator~~)) director shall determine, on an actuarially sound
3 basis, the reasonable cost of providing the schedule of basic health
4 care services, expressed in terms of upper and lower limits, and
5 recognizing variations in the cost of providing the services through
6 the various systems and in different areas of the state.

7 (6) In negotiating with managed health care systems for
8 participation in the plan, the ((~~administrator~~)) director shall adopt
9 a uniform procedure that includes at least the following:

10 (a) The ((~~administrator~~)) director shall issue a request for
11 proposals, including standards regarding the quality of services to be
12 provided; financial integrity of the responding systems; and
13 responsiveness to the unmet health care needs of the local communities
14 or populations that may be served;

15 (b) The ((~~administrator~~)) director shall then review responsive
16 proposals and may negotiate with respondents to the extent necessary to
17 refine any proposals;

18 (c) The ((~~administrator~~)) director may then select one or more
19 systems to provide the covered services within a local area; and

20 (d) The ((~~administrator~~)) director may adopt a policy that gives
21 preference to respondents, such as nonprofit community health clinics,
22 that have a history of providing quality health care services to low-
23 income persons.

24 (7)(a) The ((~~administrator~~)) director may contract with a managed
25 health care system to provide covered basic health care services to
26 subsidized enrollees, nonsubsidized enrollees, health coverage tax
27 credit eligible enrollees, or any combination thereof. At a minimum,
28 such contracts issued on or after January 1, 2012, must include:

29 (i) Provider reimbursement methods that incentivize chronic care
30 management within health homes;

31 (ii) Provider reimbursement methods that reward health homes that,
32 by using chronic care management, reduce emergency department and
33 inpatient use; and

34 (iii) Promoting provider participation in the program of training
35 and technical assistance regarding care of people with chronic
36 conditions described in RCW 43.70.533, including allocation of funds to
37 support provider participation in the training unless the managed care

1 system is an integrated health delivery system that has programs in
2 place for chronic care management.

3 (b) Health home services contracted for under this subsection may
4 be prioritized to enrollees with complex, high cost, or multiple
5 chronic conditions.

6 (c) For the purposes of this subsection, "chronic care management,"
7 "chronic condition," and "health home" have the same meaning as in RCW
8 74.09.010.

9 (d) Contracts that include the items in (a)(i) through (iii) of
10 this subsection must not exceed the rates that would be paid in the
11 absence of these provisions.

12 (8) The ((~~administrator~~)) director may establish procedures and
13 policies to further negotiate and contract with managed health care
14 systems following completion of the request for proposal process in
15 subsection (6) of this section, upon a determination by the
16 ((~~administrator~~)) director that it is necessary to provide access, as
17 defined in the request for proposal documents, to covered basic health
18 care services for enrollees.

19 ~~(9) ((The administrator may implement a self-funded or self-insured
20 method of providing insurance coverage to subsidized enrollees, as
21 provided under RCW 41.05.140. Prior to implementing a self-funded or
22 self-insured method, the administrator shall ensure that funding
23 available in the basic health plan self-insurance reserve account is
24 sufficient for the self-funded or self-insured risk assumed, or
25 expected to be assumed, by the administrator. If implementing a self-
26 funded or self-insured method, the administrator may request funds to
27 be moved from the basic health plan trust account or the basic health
28 plan subscription account to the basic health plan self-insurance
29 reserve account established in RCW 41.05.140.~~

30 ~~(10))~~ Subsections (2) and (3) of this section expire July 1, 2016.

32 as follows:

33 (1) The secretary shall adopt rules pursuant to chapter 34.05 RCW
34 establishing criteria for designating individuals or water purveyors as
35 qualified satellite system management agencies. The criteria shall set
36 forth minimum standards for designation as a satellite system
37 management agency qualified to assume ownership, operation, or both, of

2 include demonstration of financial integrity and operational
3 capability, and may require demonstration of previous experience in
4 successful operation and management of a public water system.

5 (2) Each county shall identify potential satellite system
6 management agencies to the secretary for areas where: (a) No purveyor
7 has been designated a future service area pursuant to this chapter, or
8 (b) an existing purveyor is unable or unwilling to provide service.
9 Preference shall be given to public utilities or utility districts or
10 to investor-owned utilities under the jurisdiction of the utilities and
11 transportation commission.

12 (3) The secretary shall approve satellite system management
13 agencies meeting the established criteria and shall maintain and make
14 available to counties a list of approved agencies. Prior to the
15 construction of a new public water system, the individual(s) proposing
16 the new system or requesting service shall first be directed by the
17 local agency responsible for issuing the construction or building
18 permit to one or more qualified satellite system management agencies
19 designated for the service area where the new system is proposed for
20 the purpose of exploring the possibility of a satellite agency either
21 owning or operating the proposed new water system.

22 (4) Approved satellite system management agencies shall be reviewed
23 periodically by the secretary for continued compliance with established
24 criteria. The secretary may require status reports and other
25 information necessary for such review. Satellite system management
26 agencies shall be subject to reapproval at the discretion of the
27 secretary but not less than once every five years.

28 (5) The secretary may assess reasonable fees to process
29 applications for initial approval and for periodic review of satellite
30 system management agencies. (~~A satellite system management account is
31 hereby created in the custody of the state treasurer. All receipts
32 from satellite system management agencies or applicants under
33 subsection (4) of this section shall be deposited into the account.
34 Funds in this account may be used only for administration of the
35 satellite system management program. Expenditures from the account
36 shall be authorized by the secretary or the secretary's designee. The
37 account is subject to allotment procedures under chapter 43.88 RCW, but
38 no appropriation is required for expenditures.~~)

1 (6) For purposes of this section, "satellite system management
2 agency" and "satellite agency" shall mean a person or entity that is
3 certified by the secretary to own or operate more than one public water
4 system on a regional or countywide basis, without the necessity for a
5 physical connection between such systems.

12 amended to read as follows:

13 (1)(a) For taxes collected by the county under this chapter, the
14 county treasurer shall collect a five dollar fee on all transactions
15 required by this chapter where the transaction does not require the
16 payment of tax. A total of five dollars shall be collected in the form
17 of a tax and fee, where the calculated tax payment is less than five
18 dollars. Through June 30, 2006, the county treasurer shall place one

20 treasurer's fee in the county current expense fund to defray costs of
21 collection. After June 30, 2006, the county treasurer shall place one
22 and three-tenths percent of the taxes collected by the county under
23 this chapter and the treasurer's fee in the county current expense fund
24 to defray costs of collection. For taxes collected by the county under
25 this chapter before July 1, 2006, the county treasurer shall pay over
26 to the state treasurer and account to the department of revenue for the
27 proceeds at the same time the county treasurer remits funds to the

29 this chapter after June 30, 2006, on a monthly basis the county
30 treasurer shall pay over to the state treasurer the month's

33 county treasurer shall account to the department for the month's
34 transmittal by the twentieth day of the month following the month in
35 which the month's transmittal was paid over to the state treasurer.

2 subsection apply.

3 (i) "Close of business" means the time when the county treasurer
4 makes his or her daily deposit of proceeds.

5 (ii) "Month's transmittal" means all proceeds deposited by the
6 county through the close of business of the day that is two working
7 days before the last working day of the month. This definition of
8 "month's transmittal" shall not be construed as requiring any change in
9 a county's practices regarding the timing of its daily deposits of
10 proceeds.

11 (iii) "Proceeds" means moneys collected and receipted by the county
12 from the taxes imposed by this chapter, less the county's share of the

36 allotment procedures under chapter 43.88 RCW.~~

37 ~~(b))~~ Through June 30, 2010, the county treasurer shall collect an
38 additional five dollar fee on all transactions required by this

1 chapter, regardless of whether the transaction requires the payment of
2 tax. The county treasurer shall remit this fee to the state treasurer
3 at the same time the county treasurer remits funds to the state under
4 subsection (1) of this section. The state treasurer shall place money
5 from this fee in the (~~real estate excise tax electronic technology~~
6 ~~account~~) general fund. By the twentieth day of the subsequent month,
7 the state treasurer shall distribute to each county treasurer according
8 to the following formula: Three-quarters of the funds available shall

12 most recent statistics by the office of financial management.

13 ((+e)) (b) When received by the county treasurer, the funds shall
14 be placed in a special real estate excise tax electronic technology
15 fund held by the county treasurer to be used exclusively for the

17 processing and reporting system for real estate excise tax affidavits.
18 Funds may be expended to make the system compatible with the automated
19 real estate excise tax system developed by the department and
20 compatible with the processes used in the offices of the county
21 assessor and county auditor. Any funds held in the account that are
22 not expended by the earlier of: July 1, 2015, or at such time that the
23 county treasurer is utilizing an electronic processing and reporting
24 system for real estate excise tax affidavits compatible with the
25 department and compatible with the processes used in the offices of the
26 county assessor and county auditor, revert to the special real estate
27 and property tax administration assistance account in accordance with

30 treasurer shall continue to collect the additional five dollar fee in
31 subsection (3) of this section on all transactions required by this
32 chapter, regardless of whether the transaction requires the payment of
33 tax. During this period, the county treasurer shall remit this fee to
34 the state treasurer at the same time the county treasurer remits funds
35 to the state under subsection (1) of this section. The state treasurer
36 shall place money from this fee in the annual property revaluation
37 grant account created in RCW 84.41.170.

1 (5)(a) The real estate and property tax administration assistance
2 account is created in the custody of the state treasurer. An
3 appropriation is not required for expenditures and the account is not
4 subject to allotment procedures under chapter 43.88 RCW.

5 (b) Beginning January 1, 2014, the county treasurer must continue
6 to collect the additional five dollar fee in subsection (3) of this
7 section on all transactions required by this chapter, regardless of
8 whether the transaction requires the payment of tax. The county
9 treasurer shall deposit one-half of this fee in the special real estate
10 and property tax administration assistance account in accordance with
11 (c) of this subsection and remit the balance to the state treasurer at
12 the same time the county treasurer remits funds to the state under
13 subsection (1) of this section. The state treasurer must place money
14 from this fee in the real estate and property tax administration
15 assistance account. By the twentieth day of the subsequent month, the
16 state treasurer must distribute the funds to each county treasurer
17 according to the following formula: One-half of the funds available
18 must be equally distributed among the thirty-nine counties; and the
19 balance must be ratably distributed among the counties in direct
20 proportion to their population as it relates to the total state's
21 population based on most recent statistics by the office of financial
22 management.

23 (c) When received by the county treasurer, the funds must be placed
24 in a special real estate and property tax administration assistance
25 account held by the county treasurer to be used for:

26 (i) Maintenance and operation of an annual revaluation system for
27 property tax valuation; and

28 (ii) Maintenance and operation of an electronic processing and
