EFFECT: The amendment makes the following changes:

- Modifies the requirement that the statement directing voters to the Public Disclosure Commission website be printed at the top of each ballot. The County Auditor or local election official, in his or her discretion, may instead print the statement in a prominent position on the ballot envelope and in the materials that accompany the ballot.
- Consolidates the requirements relating to printing of the statement in the voters' pamphlet, removing the section requiring that the statement be printed along with information for each statewide issue, and specifying instead that the statement be included in a prominent position in the voters' pamphlet, such as on the cover or on the first two pages.
