

SB 5674 - H COMM AMD

By Committee on Government Accountability & Oversight

ADOPTED 04/09/2013

1 On page 2, after line 28, insert the following:

2 "(6) For the purposes of this section, a "qualifying farmers
3 market" has the same meaning as defined in RCW 66.24.170. However, if
4 a farmers market does not satisfy RCW 66.24.170(5)(g)(i)(B), which
5 requires that the total combined gross annual sales of vendors who are
6 farmers exceed the total combined gross annual sales of vendors who are
7 processors or resellers, a farmers market is still considered a
8 "qualifying farmers market" if the total combined gross annual sales of
9 vendors at the farmers market is one million dollars or more."

EFFECT: Provides that if a farmers market's combined gross annual sales of farmer vendors does not exceed the annual sales of other vendors, the farmers market may still be considered a "qualifying farmers market" for purposes of sampling if the total combined gross annual sales of vendors at the farmers market is \$1 million or more (the farmers market must still meet all other requirements).
