

ESSB 6020 - H AMD TO H AMD (H-4479.2/14) 822
By Representative Pollet

WITHDRAWN 03/04/2014

1 On page 36, after line 6 of the amendment, insert the following:
2 "The appropriation and reappropriation in this section are subject
3 to the following conditions and limitations: Funds may not be expended
4 to place a cover over the trenches which are releasing or are projected
5 to release contaminants until the department has: (1) Completed the
6 model toxics control act cleanup action plan pursuant to chapter
7 70.105D RCW and accompanying environmental impact statement processes
8 pursuant to WAC 173-340-380 and 197-11-262; and (2) either demonstrated
9 that the cover will meet relevant standards under the model toxics
10 control act for cancer risk from exposure to all carcinogens, including
11 uranium, or that there are no preferable alternatives or mitigation
12 measures which would reduce exposures."

EFFECT: Prohibits the expenditure of the funds appropriated and reappropriated in this section to place a cover over the trenches until the department has met specific conditions.

FISCAL IMPACT: No net change to appropriated levels.
