1 On page 1, line 20, after "a" strike "variety of resources" and
2 insert "~~((variety of resources))~~ broad, flexible array of services,
3 resources, and instruction"

4
5 On page 1, line 21, after "requirements" insert "and state
6 standards"

EFFECT: The definition of a School Library Information and Technology Program (Program) is changed to mean a broad flexible array of services, resources, and instruction, rather than a variety of resources. The Program is required to support student mastery of state standards, in addition to essential academic learning requirements.
