3 "The Capital Projects Advisory Review Board is directed to
4 review current statutes regarding life-cycle cost analysis and
5 energy efficiency as related to the design-build procurement method
6 performed under RCW 39.10. CPARB shall report to the appropriate
7 committees of the legislature by December 31, 2013, with
8 recommendations for statutory changes that promote energy efficiency
9 and reduce the total cost to construct, operate and maintain public
10 buildings. Recommendation must include provisions for post-occupancy
11 validation of estimated energy efficiency measures, and operating
12 and maintenance cost estimates. Life-cycle estimates of energy use
must include estimates of energy consumptions for materials used in
construction."

EFFECT: Adds a requirement that the Capital Projects Advisory
Review Board make recommendations to the Legislature by December 31,
2013 regarding life-cycle cost analysis and energy efficiency as
related to the design-build procurement method
