

SSB 5187 - S AMD 104

By Senator Pearson

1 On page 2, line 11, after "animals" strike all material through
2 "permission" and insert "with a permit issued by the department. The
3 department may only issue such a permit after the department has
4 confirmed that livestock or other domestic animals have previously been
5 killed or injured in the area and that preventative or nonlethal
6 control measures have been implemented and proven ineffective"

EFFECT: Conditions the rules authorizing the killing of a gray
wolf attacking or posing an immediate threat to livestock or other
domestic animals to circumstances in which the department has issued a
permit, and establishes circumstances in which the department can issue
a permit.
