By Senators Ranker, Rolfes

WITHDRAWN 03/13/2013

1 On page 4, line 32, after "satisfied" insert ";
2 (iii) The livestock owner making a claim under this section for
3 livestock that has been killed or injured by a wolf had a cooperative
4 agreement in effect with the department at the time of the incident
5 that included, at minimum, nonlethal wolf management measures to be
6 taken by the owner and information, assistance, or cost-sharing
7 measures to be provided by the department"

8 Renumber the remaining subsections consecutively and correct any
9 internal references accordingly.

EFFECT: Makes a cooperative agreement between the livestock owner and department of fish and wildlife a prerequisite for obtaining compensation for livestock damage caused by wolves.
