

SSB 5696 - S AMD 203
By Senator Litzow

NOT CONSIDERED

1 Beginning on page 1, line 18, after "apiaries." strike all material
2 through "hives." on page 2, line 3 and insert "Beekeeping is permitted
3 outright as an accessory use, when registered with the department,
4 provided that: (a) No more than four hives, each with only one swarm,
5 are allowed on lots of less than ten thousand square feet; and (b)
6 hives are not located within twenty-five feet of any lot line except
7 when situated eight feet or more above the grade immediately adjacent
8 to the grade of the lot on which the hives are located or when situated
9 less than eight feet above the adjacent existing lot grade and behind
10 a solid fence or hedge six feet high parallel to any lot line within
11 twenty-five feet of a hive and extending at least twenty feet beyond
12 the hive in both directions."

--- END ---
