

SB 5805 - S AMD 77

By Senator Hobbs

NOT CONSIDERED

1 On page 2, beginning on line 26, after "manufacturing," strike all
2 material through "development," on line 27 and insert "construction
3 materials transportation, development of a renewable resource as
4 defined in RCW 19.285.030(20), environmental"

EFFECT: Deletes basic commodity transportation, energy development, and conservation or efficiency projects from the list of eligible projects for designation as a project of statewide significance. Adds construction materials, development of renewable resources, and environmental conservation or efficiency to the list of eligible projects for designation as a project of statewide significance.
